## **Sheriffs Son:**

**The Texas Sheriff** Thad Sitton, 2006-01-20 The Texas Sheriff takes a fresh colorful and insightful look at Texas law enforcement during the decades before 1960 In the first half of the twentieth century rural Texas was a strange often violent and complicated place Nineteenth century lifestyles persisted blood relationships made a difference and racial apartheid was still rigidly enforced Citizens expected their county sheriff to uphold local customs as well as state laws He had to help constituents with their personal problems which often had little or nothing to do with law enforcement The rural sheriff served as his county's Mr Fixit its resident good old boy and the lord of an intricate rural society Basing his interpretations on primary sources and extensive interviews Thad Sitton explores the dual nature of Texas sheriffs demonstrating their far reaching power both to do good and to abuse the law

**The Sheriff's Son** Barbara White Daille, 2014-10-15 Why Is Tanner Jones Back In Town Seven year old Kevin has been a handful for single mom Sarah Lindstrom and when the new sheriff walks through her door holding her son by the scruff of his neck for egging his car she knows she's lost control But can she control herself and keep the secret she's kept for so many years Tanner Jones has no idea Kevin is his son he lost the right to that information when he abandoned Sarah soon after graduation Just because he's back in town doesn't mean he can waltz into her life and Kevin's to pick up where they left off But Sarah can't deny the feelings she still harbors for Tanner and can't deny how her son is benefiting from his attentions When Tanner finds out the truth what is he going to do

Along the Cape Fear is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all

of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder     **A History of the Episcopal Church in the Diocese of Caithness** James Brown Craven,1897     **The Tudor Sheriff** Jonathan McGovern,2022 The first comprehensive analysis of the shrieval system 1485 1603 showing sheriffs to be among the most important local office holders in early modern England responsible for executing legal process holding local courts making arrests executing criminals collecting royal revenue holding parliamentary elections and many other vital duties     **The Chicago Banker** ,1919     **The Public** ,1909     **Annals and Antiquities of the Counties and County Families of Wales** Thomas Nicholas,2023-03-22 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost     **The Northwestern Reporter** ,1910
