Penguin Readers Level 4: The Adventures of Sherlock Holmes (ELT Graded Reader) Arthur Conan Doyle, 2025-02-27

Penguin Readers is an ELT graded reader series for learners of English as a foreign language. With carefully adapted text, new illustrations and language learning exercises, the print edition also includes instructions to access supporting material online. Titles include popular classics, exciting contemporary fiction and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary and key exam skills. Before, during and after reading, questions test readers' story comprehension and develop vocabulary. *The Adventures of Sherlock Holmes*, a Level 4 Reader, is A2 in the CEFR framework. The text is made up of sentences with up to three clauses, introducing more complex uses of present perfect simple, passives, phrasal verbs and simple relative clauses. It is well supported by illustrations which appear regularly. Sherlock Holmes is an intelligent detective who works with his friend Dr Watson. In *The Adventures of Sherlock Holmes*, Watson and Holmes find the answer to four different and exciting mysteries. Visit the Penguin Readers website. Exclusively with the print edition, readers can unlock online resources including a digital book, audio edition, lesson plans and answer keys.
