Sherlock Holmes And The Ice Palace Murders:

Sherlock Holmes and the Ice Palace Murders Larry Millett, 2013-11-30 The year is 1896 and St Paul's magnificent Winter Carnival is under way when Holmes and Watson are summoned by the city's most powerful man railroad magnate James J Hill A wealthy young man disappears on the eve of his wedding and his fiancée suspiciously discards her wedding dress After a grisly discovery in the carnival's Ice Palace leads to a flurry of clues Holmes is on the case His pursuit of the murderer takes him through the highest echelons of St Paul society and into cahoots with Shadwell Rafferty a gregarious saloonkeeper and part time private investigator Soon Holmes Watson and Rafferty are embroiled in a perilous adventure that takes them from one frozen corner of the city to another and out onto the treacherous ice of the Mississippi River as they trail a cruel and ruthless killer

Sherlock Holmes and the Ice Palace Murders Jeffrey Hatcher, Larry Millett, 2017-03-16 In 1896 the Winter Carnival is in full swing but St Paul's wealthiest man has lost his head literally A young man disappears just before his wedding and his fiancée has already given back her wedding dress When a gruesome discovery is made in the Ice Palace there's only one man for the job Sherlock Holmes is summoned to solve a mystery that's hardly elementary With the help of trusty Watson and Irish barkeep Shadwell Rafferty it's up to Holmes to track a cold blooded killer from the icy streets of St Paul to the frozen Mississippi River

The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field

correct time period and written by many of today's leading Sherlockian authors from around the world. Since the beginning all royalties from these volumes have gone to the Undershaw school for special needs children, formerly known as Stepping Stones, and as of mid 2022 the books have raised over 100,000 for the school with no end in sight. From the very beginning members of The Baker Street Irregulars stepped up to contribute providing stories, poems, and forewords. Now in this collection we present something from nearly all of those previous BSI contributors and as always the royalties go to support the Undershaw school. These stories, poems, and forewords along with the those in the original 36 volumes of *The MX Book of New Sherlock Holmes Stories* represent some of the finest new Holmesian storytelling to be found and honor the man described by Watson as the best and wisest whom I have ever known. Stories, Forewords, and Poems in this volume have previously appeared in Parts I-XXXVI of *The MX Book of New Sherlock Holmes Stories*. All royalties from this collection are being donated for the benefit of the preservation of Undershaw, a school for special needs students located at one of the former homes of Sir Arthur Conan Doyle.

Rafferty's Last Case Larry Millett, 2022-04-19. The ninth and final Minnesota mystery in which Shadwell Rafferty, with the inimitable Sherlock Holmes, may have solved his own murder. Like many mysteries, this one begins with a murder. But in this case the victim happens to be the detective on the verge of revealing the culprit in an earlier crime. Had Shadwell Rafferty identified his own murderer? When news of Rafferty's death reaches Sherlock Holmes in Chicago on the last leg of an American speaking tour, the world's most famous detective and his redoubtable companion Watson rush to Minnesota to hunt for their friend's killer. Set amid the glittering society and sordid underworld of 1928 St. Paul, Larry Millett's ninth and final Shadwell Rafferty mystery takes readers through the serpentine twists of Rafferty's fatal investigation, even as Holmes, following in Rafferty's tracks, may be closing in on the answer to both cases. This ingenious double mystery takes us to every corner of St. Paul, from the city's most notorious speakeasy to a home for unwed mothers, to the mansions of Summit Avenue, and at every turn we find another suspect: an ambitious mayor and his devoted fixer in chief, a heartless blackmailer, and a police detective mired in city hall connections, a poet turned mystery writer with a suspicious coterie, and a priest hiding a terrible secret. A mysterious woman in Minneapolis who makes certain illicit arrangements, and a young man in possession of incriminating documents provide Holmes with vital clues that lead to a final confrontation with an exceptionally devious murderer worthy of the exceptionally devious plot that brings the Minnesota mystery series to a fitting and powerful conclusion.

Mysterious Tales of Old St. Paul Larry Millett, 2024-10-01. Tales of murder and revenge, the early exploits of detective Shadwell Rafferty. Shadwell Rafferty's last case may have led to his murder, but naturally and fortunately for followers of the indefatigable St. Paul detective, there's more to the story. *Mysterious Tales of Old St. Paul* gathers three novellas from Larry

Millett casting back to Rafferty's beginnings to recount a trio of intriguing cases that honed his skills before he joined forces with Sherlock Holmes. In *Death in the News*, St Paul citizens wake one morning to find that the sign on downtown's tallest building that reads PIONEER PRESS has been altered at considerable effort to LIARS. An elaborate prank, yes, but it foreshadows a far worse crime, and Rafferty is on the case. In *The Birdman of Summit Avenue*, cats are turning up dead in the yards of St Paul's prominent citizens, and suspicion swiftly falls on the wealthy avian enthusiast Ambrose Harriman, but the case turns darker still when a neighborhood boy is found murdered in Harriman's yard. In *The Gold King*, an enigmatic stranger arrives in town calling himself the Gold King and announcing his plans to unearth hidden treasure, which eventually leads to a shocking conclusion. Steeped in the mystery and history of nineteenth-century St Paul, these interlocking detective stories feature the characters and the local character that have made the Shadwell Rafferty series irresistible. Spellbinding as ever, these stories also afford the curious pleasure of watching Rafferty find his footing on his way to becoming the consummate detective whose exploits have delighted readers again and again.
