Sherlock Holmes The Man Who Lost:

Lost Man's Lane Anna Katharine Green, 2022-09-15 In *Lost Man's Lane* Anna Katharine Green intricately weaves a tale of mystery and suspense that showcases her masterful command of the detective fiction genre. Set against the atmospheric backdrop of late 19th century America, the narrative unfolds with an enigmatic disappearance and a string of perplexing clues that challenge conventional police work. Green's sophisticated prose style balances rich descriptions with an emphasis on psychological depth, drawing readers into the labyrinthine motives of her characters while reflecting the era's burgeoning interest in criminal psychology. The novel represents a pivotal moment in detective literature, influencing future writers with its meticulous attention to detail and methodical approach to unraveling the mystery. Anna Katharine Green, often hailed as the mother of American detective fiction, paved the way for the genre with her groundbreaking narratives and strong female protagonists. Her extensive background in literature and law, coupled with her own experiences of loss, permeate the themes of justice and societal expectations throughout her work. Her keen insight into character psychology allows her to create multifaceted figures that resonate with readers and contribute to her enduring legacy. *Lost Man's Lane* is a must-read for fans of cleverly constructed whodunits and those intrigued by the evolution of detective fiction. Green's ability to blend suspense with social commentary ensures a captivating journey through moral dilemmas and the human condition. Readers are invited to immerse themselves in this enthralling narrative where every page turn may uncover new truths. **Sherlock**

Holmes and the Man Who Lost Himself Val Andrews, 1997 A distinctly unfortunate inventor discovers that he doesn't exist, so he consults Sherlock Holmes and presents the sage of Baker Street with one of his most baffling challenges: Is it simply amnesia or something far more sinister? *The Encyclopedia of Fantastic Film* R. G. Young, 2000-04 Thirty-five years in the making and destined to be the last word in fantasy film references, this incredible 1,017-page resource provides vital credits on over 9,000 films (1896-1999) of horror, fantasy, mystery, science fiction, heavy melodrama, and film noir.

Comprehensive cast lists include directors, writers, cinematographers, and composers. Also included are plot synopses, critiques, retitle translation information, running times, photographs, and several cross-referenced indexes by artist, year, song, etc.

Paperback **The Missing Maid** Holly Hepburn, 2024-03-27 Meet Harriet White, Sherlock Holmes' feisty and entirely fake assistant in this gloriously fun mystery, perfect for fans of Anita Prose, Verity Bright, and Janice Hallett. London, 1932: A young maid steps onto a train and disappears. Her family writes to the only person they can think of to help: Sherlock Holmes. A shame then that Mr. Holmes isn't real. But then, from a basement beneath 221b Baker Street, someone replies. Harriet White knows responding to the maid's family could land her in hot water, but she's no stranger to trouble. It was refusing to bow to her over-familiar boss that saw her demoted to the postal department of their Baker Street head office in the first place. Her new job is to work through the mountain of correspondence addressed to the street's most famous resident. But when this letter catches her eye, she knows she must do something to help the missing girl. Harriet decides to act as Holmes' new

assistant armed with only her love of Conan Doyle's stories to guide her. But can she solve the case of the missing maid? Or does she risk losing her job or much much more in the process? Readers are loving *The Baker Street Mysteries*. A page turning cosy crime delight with a fearless heroine and a twisty mystery at its heart full of humour, drama, revelations and romance.

KATIE MARSH: I really enjoyed this cosy mystery because it is at the intersection between cosy mystery and historical fiction and it is simply brilliant. Hepburn weaves a strong plotline and Harry shines throughout. A real pleasure to read.

Goodreads reviewer: I am definitely a Sherlock Holmes fan so the premise of this story got my attention immediately but it was the writing, characters and the new story perspective that firmly held it.

Goodreads reviewer: I loved everything about this historical cosy. The link to Sherlock Holmes intrigued me as I didn't know that this was based on the fact that someone was actually employed at the Building Society to answer letters sent to Sherlock Holmes. I love history so this little tidbit fascinated me and it sets up Harry nicely for many more investigations.

Goodreads reviewer: A delightful cosy mystery. Can you imagine having the job of answering letters addressed to Sherlock Holmes? And what would you do if it was someone who you thought you might help? I found myself laughing out loud at the antics of Harry. She is such a delightful heroine. Funny, smart and brave. Her indomitable spirit instantly endeared her to me.

Goodreads reviewer: Grabbed my heart from the first minute and captivated me to the last page. When a book connects so beautifully with what one wants at the time it's impossible to keep it under wraps. It gave me Dear Mrs Bird vibes. A very happy discovery.

Goodreads reviewer: I was totally gripped from the first page to the last. Loved the story and the characters with a few unexpected bumps along the way. Loved this book and can't wait for the next one.

Goodreads reviewer: I liked Harry from the very beginning. I loved the interaction between Harry and Oliver and can see this unfolding in future books.

Goodreads reviewer: **Bulletin**

Salem Public Library, 1915

CELL 2019 Tri Wahyu S P, Eko Kurniawan, Yiping Chen, Robbi Rahim, 2019-11-26

The 1st International Conference On Culture, Education, Linguistics and Literature (CELL) Universitas Jenderal Soedirman

Jenderal Soedirman University

The rapid development of information and communication technology on information continuously encourages the global society known as Industrial Revolution 4.0. It was first introduced by German Economist Klaus Schwab in his book entitled *The Fourth Industrial Technology* in 2012. The complexity and interconnected sector in our daily life urge all stakeholders of the global society: governments, business actors, academicians and civil society have the responsibility to work together. The conference invites delegates from across Indonesia and attended by more than 75 participants from university, academics, researchers, practitioners and professionals across a wide range of industries.

Sherlock's Secretary Chris Chan, 2021-12-14

In real life 221B Baker Street is the home of a bank. When fans send letters to Sherlock Holmes, bank employee Addy Zhuang known as Sherlock's Secretary replies. One day the bank is robbed but the thieves only take three letters addressed to Sherlock Holmes. The police conclude it was all a harmless prank but Addy suspects something more malicious is happening. With the help of a true crime reporter Addy and his friends launch their own investigation which leads

to murder and a decades old cover up connected to the BBC's Great Erasure Can Addy uncover the truth before more people die
