Sherrins Year:

The Sherrin Peter Stanley, 2025-01-29 The island of New Aachen is a hotbed of turmoil with more than just the enemy in the firing line In May 1945 as Europe celebrates the end of WWII the Pacific theatre remains a brutal battleground On the remote Pacific Island of New Aachen the site of a massacre of Australian troops three years prior tensions run high David Wachter a veteran turned war historian clerk joins a group of correspondents to cover the conflict and bring home the story of these battle worn Australian troops In a tense week Wachter and his group will confront how they can and can't depict the truth of war As tensions between conscripted Militia and volunteer AIF soldiers simmer the cynical Lieutenant Connellan a survivor of the massacre struggles to keep the correspondents in line a task growing more complicated by the minute Despite his desire to remain an observer Wachter is drawn into the chaos The rivalry between the men threatens to bring a crisis to the front line The Militia authorised to operate up to the Equator face a crucial turning point as New Aachen sits on that very line The Brigadier's desperate attempt to boost morale with an Australian Rules football match played with the island's only ball the legendary Sherrin could either unite the troops or incite further unrest As the Japanese approach the battalion launches an attack on a steep sugar loaf knoll nicknamed the Sherrin just across the Equator What will happen when disaffected militiamen reach that imaginary line And what happens when Connellan confronts the island's harrowing past

"The" Year's Art, 1881 **Adrian Mole, The Later Years** Sue Townsend, 2018-05-29 As his laugh out loud secret diary extends into his later teens and young adulthood everyone's favorite angsty Brit remains a brilliant comic creation The Times London Continue to commiserate with one of literature's most endearing figures a sharp witted pining and achingly honest underdog of great expectations and dwindling patience who knows all or believes he does and tells all The Observer Having endured the agony of adolescence just Adrian now careens into his later teens torturous twenties and utterly disappointing thirties in these three hilarious sequels by one of Britain's most celebrated comic writers The Guardian From the not so humble origins of The Secret Diary of Adrian Mole Aged 13 and Adrian's chronicle of angst has sold more than twenty million copies worldwide spawned seven sequels been adapted for television and staged as a musical truly a phenomenon The Washington Post The True Confessions of Adrian Albert Mole What's happening to Adrian Mole On the one hand he's entering the cusp of adulthood and burgeoning success as a published poet On the other he still lives at home refuses to part with his threadbare stuffed rabbit and has lost his job at the library for a shocking act of impudence He shelved Jane Austen under Light Romance Even worse someone named Sue Townsend stole his diaries and published them under her own name

Of course they were bestsellers Adrian Mole The Wilderness Years At 23 years old Adrian is now technically an adult and almost prepared On the upside He s fallen for a perfectly lovely Nigerian waitress he s seeing a therapist so as to talk about himself without interruption and he s added vowels to his experimental novel in progress so much more accessible to the masses The downside Pandora is probably history a pea brained rival has been published before him to great acclaim and worse Adrian has come to the devastating realization that he may not be uncommon after all Adrian Mole The Cappuccino Years At 34 impotent intellectual Adrian Mole is soon to be divorced he hasn t a clue what to do with his semi stardom as a celebrity chef his parents have become swingers with whom is too shocking to go into now his epic novel is still unpublished his ex flame Pandora is running for political office and his younger sister has rebelled in the most distressingly common ways There is one upside Adrian s son has inherited his mother s unblemished skin Townsend s wit is razor sharp Daily Mirror as she shows us the world through the older and possibly wiser eyes of her achingly funny anti hero Daily Mail proving again and again why she s been called a national treasure The New York Times Book Review

Vancouver Short Stories Carole Gerson,1985 In a sense we haven t got an identity until somebody tells our story The fiction makes us real Robert Kroetsch in Creation Spanning a period of nearly eighty years the stories in this collection present the experience of living in Vancouver as filtered through the imagination of many of Canada s most famous writers The romantic attitude of some of the early writers is balanced by the more sombre version of many later authors some of whom show the city as a place of loneliness and corruption In tone the stories range from the grimness of Dorothy Livesay s account of Depression misery to the irony of Ethel Wilson s narrative of an evening garden party to the playfulness of George Bowering s ellipticla story of student life Other well known atuhors include Pauline Johnson Emily Carr Malcolm Lowry Audrey Thomas Alice Munro and Joy Kogawa as well as some who have been undeservedly consigned to obscurity M A Grainger Bertrand Sinclair Jean Burton and William McConnell The more prolific among the younger writers Frances Duncan Cynthia Flood and Kevin Roberts are in the process of achieving national recognition The stories evoke a strong sense of place of Vancouver s essential relation to its natural setting forest mountains and sea and its existence as a modern urban centre Individual episodes recall the great fire of 1886 turn of the century loggers on Cordova Street rum running in the twenties the internment of Japanese Canadians after Pearl Harbor the hippie era and the modern sub culture of beer parlours and drugs Particular locales include downtown streets the east end the North Shore U B C Stanley Park Kitsilano and the Vancouver Aquarium Stories of the city s social and cultural life describe the process of growing up and growing old family and marital matters the Chinese community and the legends and reality of Native Americans Vancouver Short Stories indicates some of the ways that a particular locality has been transformed into art that in turn enriches our understanding of its reality and enhances our sense of identity

Adrian Mole: The Cappuccino Years Sue Townsend,2018-01-02 The wickedly satirical mad ferociously farcical and subversive angsty Brit of secret diary fame careens into his thirties Daily Mail I expect that by tomorrow I will have embellished the

story and given myself a heroic status I do not deserve Right now the truth is harrowing enough for aging impotent intellectual Adrian Mole He s soon to be divorced he hasn t a clue what to do with his semi stardom as a celebrity chef his parents have become swingers with whom is too shocking to go into now his epic novel is still unpublished his ex flame Pandora is running for political office and his younger sister has rebelled in the most distressingly common ways But there s one upside Adrian s son has inherited his mother s unblemished skin Is it any wonder that at 34 Adrian is still punishingly self aware and willfully deluded about what he s endured and what he s yet to achieve Struggling somewhere between breakthrough and breakdown he s telling his diary everything The result Adrian s fifth Book of Revelation and it s quite possibly a classic Daily Mirror

Taking the Adventure Gracia Fay Ellwood,2014-11-11 What is the relationship between faith especially Christian faith and a lifestyle that respects animals as our neighbors and kin Why should faith entail a commitment to vegetarianism Are animals meant to be heirs of the kingdom of God as well as human beings Taking the Adventure offers answers to these questions in the context of important biblical themes of Eden and Exodus of the prophetic imperative of Jesus as a prophet proclaiming liberty to the oppressed and the captives of the feast of the kingdom of the resurrection and life beyond death It explores imagery from familiar novels such as A Christmas Carol and The Hobbit that deal with cravings anxiety and true abundance It proposes that committing ourselves to live in God given peace with all living beings and sharing with others the good news of that peace is an adventure worth the best we can give an arduous and painful yet joyous adventure climaxing in return to the heart of God
