Schwartztol,2012-11 Friendship is a complicated experience one filled with ups and downs highs and lows joy and sorrow But true friendship like true love can withstand the tests of time or can it For three women each accomplished in life and facing the challenges and rewards of midlife friendship is everything Each has a thriving psychology practice a family and security And each has invested decades of caring love laughter and support into her best friends Their future looks bright When secrets begin to mount and loyalties are betrayed however these mature friends struggle to find a balance between their loyalty to each other and their clients as well as between their families and themselves The women try to trust and support one another just as they would advise their patients in similar circumstances But behind each brave face lies a festering secret that the owner is understandably reluctant to share with anyone No one knows to what lengths they will go to protect that secret until the test appears As each struggles to face her past the more troublesome skeletons in the closet begin rattling for attention How will each woman survive the scandal if her secret is betrayed Sometimes psychology is not enough to heal the wounds and sometimes physician heal thyself is easier said than done

Suib Cohen is perfectly outfitted with these tools in her exploration of the world of the occult. It all begins when Cohen a journalist takes an assignment to try and contact the spirit of her deceased mom. In her searching she meets astrologers, past life channelers, numerologists, psychics, and a host of other practitioners eager to put her in touch with her past, her future, and her heretofore unexplored spiritual self. Cohen will hook readers with her determination, wit, generosity, and astonishing willingness to try anything. In the end, her personal odyssey becomes ours, and even the most devoted skeptics will find themselves rethinking what might and what might not be possible. Betsy Carter, Editor in Chief, New Woman magazine. When I saw the words "know thyself" carved above the Oracle's gate at Delphi, I shivered and didn't understand why. Now I understand. Knowing myself would mean suspending judgment, would mean tapping into banks of information I never before thought relevant to my pragmatic lifestyle. Well, I've tapped. This book is the result, writes Sherry Suib Cohen. And in a spirited narrative, Cohen tells us about her experiences wherein she confronts death, blame, forgiveness, faith, truth, and family, in addition to Mom. When readers finish this personal odyssey and guidebook into the unknown, they may decide just as Cohen did that there's something to these otherworldly spheres after all.

Practical Prayer Jack Kovnas, 2011-08-31. How do you know what God's direction is for your life? How can you find and more clearly understand the wondrous plans He has for you? Would you like to uncover the hidden passion that's lying in wait inside of you? In any economy, good or bad, do you ever fret about bills and money? Do you experience troubling, nagging, stressful life issues? Have you been skeptical or had a careless attitude about whether dark, evil forces are real or not? Would you like to encounter a fresh and enlightening, simplistic perspective concerning this issue and spiritual warfare? Finally, here is an inspiring, modern-day true story of discovery that will give thought-provoking insight and answers to these and other important questions and problematic dilemmas. Author Jack Kovnas does not tell you how to pray as much as he shows you through his own teaching examples of actual prayer events. With deep humility, he candidly reveals how sinfully and shamefully he lived the beginning stages of his Christian life without prayer, but then turned completely around as he uncovered genuine happiness with prayer. Inside this book, you will find a declaration by somebody who learned the value of praying and trusting God, who willingly gave up house and possessions and then watched in amazement as they returned. This informative prayer ride journey is a testimony to what God can and will do for any and all of us. As Jack humbly and assuredly attests, even though it is his own true life story, every sincere, caring word on each and every page is not about him; it is about you. Trust in the Lord with all thine heart, and lean not upon thine own understanding. In all thy ways, acknowledge Him, and He shall direct thy paths. Proverbs 3:5-6 KJV.
