When seventeen year old Liva came to New York City all she wanted was to escape the painful memories of her past and finally find a fresh start Her hopes for a new future were dashed the moment she became the sole witness to a brutal murder When she's taken into police custody supposedly for her own protection she realizes something isn't right but it's too late Soon bullets start flying and Liva realizes that she is not just a witness but the target and she needs to escape before it's too late Amazon.com New York Magazine, 1989-05-01 New York magazine was born in 1968 after a run as an insert of the

shattering consequences Why does everyone always want you to make so many choices Pizza or burgers swimming or a movie one friend or another yes or no For Rollo Wingate who's always been the biggest guy in school sometimes it's easier to relax and let someone else take the lead After all when he and his two best friends get together they're always on the same page which is probably why he goes along with it when the other boys target Valerie Michon at school Every time they see her bad things just happen At first it's just a taunt here a tiny insult there But things keep escalating and finally the situation turns into something much worse Rollo knows that a line has been crossed and he struggles to make sense of how things could have gone so wrong so quickly Maybe for the first time he's going to have to figure it out for himself *New York Magazine*, 1989-04-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and
