

Shetland Bus

Clemens Wendtner

Shetland Bus:

The Shetland Bus David Armine Howarth, 1951 Om en illegal skibsrute fra Shetlands ørne til Norge under den tyske besættelse

The Shetland Bus David Howarth, 2018 The occupation of Western Europe and Scandinavia in the spring of 1940 crippled Britain's ability to gather intelligence information After the Germans invaded Norway many Norwegians knew that small boats were constantly sailing from the Shetland Islands to land weapons supplies and agents and to rescue refugees In *The Shetland Bus* David Howarth who was second in command of the Shetland base recounts the hundreds of trips made by fishing boats in the dark of Arctic winter to resist the Nazi onslaught For the Norwegians who remained in Norway the Shetland Bus as this dangerous operation became known fortified them both physically and spiritually Nothing but war would have made seamen attempt such dangerous journeys Some stretched two thousand miles in length and lasted as long as three weeks in boats only fifty to seventy five feet long Fishing boats crossing the North Sea were sometimes attacked and sunk in minutes hundreds of miles from a friendly ship or shore Their crews had no hope of being saved But to take the Shetland Bus meant escape when capture became the only other option *The Shetland Bus* is the amazing true life account of storms attacks danger and the heroic efforts of brave men

Shetland Bus David Howarth, 2008-06-17 From the author of *We Die Alone* *The Shetland Bus* recounts the hundreds of crossings of small boats from the Shetland Islands to German occupied Norway to supply arms to the Resistors and to rescue refugees all under constant threat by German U boats and winter storms

The Shetland Dialect Peter Sundkvist, 2020-11-29 The traditional dialect spoken in the Shetland Isles the northernmost part of Scotland and Britain is highly distinct It displays distinct characteristic features on all linguistic levels and particularly in its sound system or its phonology The dialect is one of the lesser known varieties of English within the Inner Circle Increasing interest in the lesser known varieties of English in recent years has brought a realization that there are still blanks on the map even within the very core of the Inner Circle Sundkvist's comprehensive treatise draws upon results from a three year research project funded by the Bank of Sweden Tercentenary Foundation for which a phonological survey of the Shetland dialect was carried out between 2010 and 2012 This book is a useful resource for those working on historical linguistics and is intended to serve as a comprehensive description and accessible reference source on one of the most distinct lesser known varieties of English within Britain It documents and offers a systematic account of the rich regional variation as well as being a reference source for those studying the historical formation and emergence of the Shetland dialect and language variation and change in Shetland as well as those within the broader field of Germanic linguistics

The Shetland Bus David Howarth, 1955

The Shetland 'Bus' Stephen Wynn, 2021-06-09 A history of the World War II clandestine special operations group that linked German occupied Norway with Scotland's Shetland Islands *The Shetland Bus* was not a bus but the nickname of a special operations group that set up a route across the North Sea between Norway and the Shetland Islands north east of mainland Scotland The first voyage was made by Norwegian sailors to help

their compatriots in occupied Norway but soon the Secret Intelligence Service and the Special Operations Executive asked if they would be prepared to carry cargoes of British agents and equipment as well. Fourteen boats of different sizes were originally used and Flemington House in Shetland was commandeered as the operation's HQ. The first official journey was carried out by the Norwegian fishing vessel the Aksel which left Luna Ness on 30 August 1941 on route to Bremen in Norway. This book examines that first journey as well as later ones and discusses the agents and operations which members of the Shetland Bus were involved in throughout the war. It also looks at the donation of three submarine chasers to the operation made in October 1943 by the United States Navy. These torpedo type boats were 110 ft long and very fast allowing journey times between Shetland and Norway to be greatly reduced and carried out in greater safety. The story of the Shetland Bus would be nothing without the individuals involved both the sailors of the boats and the agents who were carried between the two countries. These were very brave individuals who helped maintain an important lifeline to the beleaguered Norwegians. It also allowed British and Norwegian agents a way into Norway so that they could liaise with the Norwegian Underground movement and carry out important missions against the German occupiers. Praise for The Shetland Bus. Wynn who has written or co-written several books on the Second World War is to be commended for his detailed account of a captivating and understudied moment in the history of special operations. Wynn's readable and engaging account of his subject explores the intersections of transnational Second World War and special operations history. As a result it should be of interest to a wide readership. The Northern Mariner. Very highly recommended. Firetrench. A great book about individual spies and sailors from both sides of the water putting their lives at great risk. I really enjoyed this book and it was written in a bit of diary style. plenty of information and photographs. I certainly recommend this book to all UK Historians. *The Global Infrastructure of the Special Operations Executive* Derwin Gregory, 2021-12-23. During the Second World War the British government established the Special Operations Executive (SOE) for the purpose of coordinating all action by way of subversion and sabotage against the enemy overseas. Although the overseas operations of this branch of the British Secret Services are relatively well known few studies have explored the backroom sections of this organisation. This book draws together the infrastructure developed to support an agent's journey from recruitment to despatch to the field. At the start of the Second World War there were few existing facilities established within the UK to support clandestine operations. As the conflict progressed in parallel to learning the operational procedures of their trade SOE also had to rapidly expand their support infrastructure around the world. The organisation could effectively support their agents only by establishing facilities dedicated to training, research and development, supply, transportation, communication and command and control. By predominately focusing on the organisation's agent-facing infrastructure this book provides a backdrop to the brave men and women who conducted operations abroad. In addition it gives an overview of the facilities in which SOE's backroom staff lived and worked. The book will be of interest to students and scholars of archaeology, history and war studies. *Vikings* Neil

Oliver,2012-10-04 The Vikings famously took no prisoners relished cruel retribution and prided themselves on their blood thirsty skills as warriors But their prowess in battle is only a small part of their story which stretches from their Scandinavian origins to America in the west and as far as Baghdad in the east As the Vikings did not write their history we have to discover it for ourselves and that discovery as Neil Oliver reveals tells an extraordinary story of a people who from the brink of destruction reached a quarter of the way around the globe and built an empire that lasted nearly 200 years Drawing on the latest discoveries that have only recently come to light Neil Oliver goes on the trail of the real Vikings Where did they emerge from How did they really live And just what drove them to embark on such extraordinary voyages of discovery over 1000 years ago VIKINGS will explore many of these questions for the first time in an epic story of one of the world s great empires of conquest

Blood on the Wave John Sadler,2012-11-05 A history of combat in Scottish waters from the Iron Age to the Cold War and the changes in the technology and tactics of naval warfare Scotland s long coastline runs from the waters of Galloway and the Solway through the Irish Sea to the long sea lochs and myriad islands of the Celtic west around grim Cape Wrath the coast of Caithness Pentland Firth and the Orkneys eastward down to the Moray Firth the eastern seaboard to the Forth and the sentinel of the Bass Rock It is an ancient strand redolent with history Sea battles have been fought in its lee from the time of Agricola to the Atlantic convoys In *Blood on the Wave* John Sadler embarks on a pilgrimage around Scotland s rugged and stunning coastline to explore the fascinating history that has occurred in its waters Beautifully illustrated throughout with photographs and line drawings the narrative also describes developments in ship building technique and design developments in naval gunnery with a look at coastal defenses From the long oared Norse galleys that swept down through the isles and the sea lochs to Somerled s birlinns and nyvaigs contesting with those of Godred of Man in a moonlit clash of spears many of the fiercest battles in Scottish history have been fought at sea Examining an array of skirmishes from the Wars of Independence to the Napoleonic Wars the scuttling of the Imperial German Navy at Scapa Flow to the lurking threat of Second World War U boats and nuclear submarines hunting for Soviet spy ships John Sadler has created a brilliant insightful and unique portrait of the Scottish war at sea

Visual Culture in the Northern British Archipelago Ysanne Holt,David Martin-Jones,Owain Jones,2018-05-16 This edited collection including contributors from the disciplines of art history film studies cultural geography and cultural anthropology explores ways in which islands in the north of England and Scotland have provided space for a variety of visual cultural practices and forms of creative expression which have informed our understanding of the world Simultaneously the chapters reflect upon the importance of these islands as a space in which and with which to contemplate the pressures and the possibilities within contemporary society This book makes a timely and original contribution to the developing field of island studies and will be of interest to scholars studying issues of place community and the peripheries

Golf on the Rocks Gary Sutherland,2011-05-12 Gary Sutherland was a lapsed golfer until he acquired his late dad s putter After studying a crumpled golf map of Scotland Gary decided to embark on a voyage

His target was to play 18 rounds of golf on 18 Scottish islands in honour of his dad a ship's captain who when he wasn't at sea was never off the golf course His journey would take him from the Northern Isles to the Outer Hebrides Playing in the Harris hail and Arran sunshine he would encounter an odd variety of golfing hazards including sheep on the tees cows on the fairways and electric fences round the greens This is golf in the raw a million miles from St Andrews It is a life affirming tale of remembrance and discovery It's about having a laugh and holding on to what's dear And it's about a putter with magical properties You can believe what you choose to but it all happened , [The New Coastal History](#) David Worthington,2017-10-17 This book provides a pathway for the New Coastal History Our littorals are all too often the setting for climate change and the political refugee and migration crises that blight our age Yet historians have continued in large part to ignore the space between the sea and the land Through a range of conceptual and thematic chapters this book remedies that Scotland a country where one is never more than fifty miles from saltwater provides a platform as regards the majority of chapters in accounting for and supporting the clusters of scholarship that have begun to gather around the coast The book presents a new approach that is distinct from both terrestrial and maritime history and which helps bring environmental history to the shore Its cross disciplinary perspectives will be of appeal to scholars and students in those fields as well as in the environmental humanities coastal archaeology human geography and anthropology **Nordic Noir, Adaptation, Appropriation** Linda Badley,Andrew Nestingen,Jaakko Seppälä,2020-05-06 This book argues that adaptation is an underrecognized yet constitutive element of Nordic noir In so doing it reframes the prevailing critical view Now celebrated for its global sweep Nordic noir is equally a transmedial phenomenon Nordic Noir Adaptation Appropriation deploys the tools of current adaptation studies to undertake a wide ranging transcultural intermedial exploration adding an important new layer to the rich scholarship that has arisen around Nordic noir in recent years **Shetland Bus Memorial** Shetland Bus Friendship Society,2003 *Scotland's Islands* Richard Clubley,2014-05-12 This is not a guide to the islands of Scotland This is not a tour to be followed nor is it travel advice This is a richly anecdotal and personal exploration Richard Clubley shares the sense of freedom he finds in the Scottish islands as he discovers their individual character beauty and diversity He meets locals and learns a few realities of island life He almost perished on Ailsa Craig before finding fresh water dripping from the roof of a cave but spends two idyllic nights alone on Mingulay with a fabulous coal fire in a bothy His passion for Scottish islands shines through every chapter Curl up by the fire pull the blanket close and sip on your dram You're about to escape to the islands Prepare for addiction A book for islanders to savour in sips Night caps are suggested that way the addiction can be controlled MAIRI HEDDERWICK *The Rough Guide to Scottish Highlands & Islands: Travel Guide eBook* Rough Guides,2024-03-01 The Rough Guide to the Scottish Highlands and Islands guidebook is perfect for independent travellers planning a longer trip It features all of the must see sights and a wide range of off the beaten track places It also provides detailed practical information on preparing for a trip and what to do on the ground And this Scottish

Highlands and Islands travel guidebook is printed on paper from responsible sources and verified to meet the FSC's strict environmental and social standards This Scottish Highlands and Islands guidebook covers Argyll the central Highlands the Great Glen the north and northwest Highlands Skye and the Small Isles the Western Isles Orkney Shetland Inside this Scottish Highlands and Islands travel book you'll find A wide range of sights Rough Guides experts have hand-picked places for travellers with different needs and desires off the beaten track adventures family activities or chilled-out breaks Itinerary examples created for different time frames or types of trip Practical information how to get to Scottish Highlands and Islands all about public transport food and drink shopping travelling with children sports and outdoor activities tips for travellers with disabilities and more Author picks and things not to miss in Scottish Highlands and Islands Glen Coe Tobermory Eigg Assynt West Highland Railway Callanish Lewis the Cairngorm Mountains Caledonian Forest Insider recommendations tips on how to beat the crowds save time and money and find the best local spots When to go to Scottish Highlands and Islands high season low season climate information and festivals Where to go a clear introduction to with key places and a handy overview Extensive coverage of regions places and experiences regional highlights sights and places for different types of travellers with experiences matching different needs Places to eat drink and stay hand-picked restaurants cafes bars and hotels Practical info at each site hours of operation websites transit tips charges Colour-coded mapping with keys and legends listing sites categorised as highlights eating accommodation shopping drinking and nightlife Background information for connoisseurs history culture art architecture film books religion diversity The guide provides a comprehensive and rich selection of places to see and things to do in Scottish Highlands and Islands as well as great planning tools It's the perfect companion both ahead of your trip and on the ground

Island Warriors John Sadler, Graham Trueman, 2024-05-15 We sleep soundly in our beds because rough men stand ready in the night to visit violence on those who would do us harm Attributed to Winston Churchill Exploring the history of military museum collections around Britain

World War II Secret Operations Handbook Dr Stephen Hart, Chris Mann, 2018-11-13 The World War II Secret Operations Handbook reveals the skills and tricks used by the British SOE the US OSS the French Maquis and other special forces between 1939 and 1945 Learn how to rig up a makeshift radio how to pass undetected in enemy territory how to live off the land and make shelter and how to work as a sniper

Shetland Bus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shetland Bus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shetland Bus has opened up a world of possibilities. Downloading Shetland Bus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shetland Bus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shetland Bus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shetland Bus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shetland Bus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shetland Bus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shetland Bus Books

What is a Shetland Bus PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shetland Bus PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shetland Bus PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shetland Bus PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shetland Bus PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
