Shimon Peres A Biography:

Shimon Peres, a Biography Matti Golan,1982 **Shimon Peres** Michael Bar-Zohar,2007 Traces the life and political accomplishments of the Polish born former Israeli prime minister who won the Nobel Peace Prize for his negotiation of the 1993 Palestinian Israeli peace accord **The Road to Peace** Matti Golan,1989 Chronicles the life of Shimon Peres as a freedom fighter pioneer defense minister and Premier of Israel **Phoenix** Michael Bar-Zohar,2016-12-06 An updated biography of Shimon Peres by Michael Bar Zohar **Nasser and the Missile Age in the Middle East** Owen L. Sirrs,2007-01-24 Egyptian efforts to acquire long range surface to surface missiles in the early 1960s carry important lessons for our time when weapons of mass destruction and charges of politicizing intelligence are key issues This new study traces the history of the early Egyptian ballistic missile program which began with the successful recruitment of German scientists who had experience in Hitler s V1 and V2 missile projects Yet even as these Germans began their work on developing missiles for Egyptian President Gamal Abdel Nasser Israeli intelligence was busy collecting information on their activities sparking a crisis in the Israeli leadership as top Israeli officials anxiously debated strategies to grapple with this new threat to their national security Ultimately they adopted a multifaceted approach that included intimidation of the scientists and their families appeals to the West German government to order the scientists recall and an attempt to involve the US government in the intricacies of the Arab Israeli conflict Drawing extensively on material from recently declassified US government documents this new major work demonstrates how Nasser s missile program played an instrumental role in cementing the US Israeli national security relationship The book concludes with several key lessons that can help stem the global proliferation of advanced weapons This book will be of great interest to scholars of proliferation international relations the Middle East disarmament and security studies in general **The Cold War** Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps

are inset throughout to provide additional context to the material **The Worst-Kept Secret** Avner Cohen,2010-10-15 Israel has made a unique contribution to the nuclear age It has created a special bargain with the bomb Israel is the only nuclear armed state that does not acknowledge its possession of the bomb even though its existence is a common knowledge throughout the world It only says that it will not be the first to introduce nuclear weapons to the Middle East The bomb is Israel s collective ineffable the nation s last great taboo This bargain has a name in Hebrew it is called amimut or opacity By adhering to the bargain which was born in a secret deal between Richard Nixon and Golda Meir Israel has created a code of nuclear conduct that encompasses both governmental policy and societal behavior The bargain has deemphasized the salience of nuclear weapons yet it is incompatible with the norms and values of a liberal democracy It relies on secrecy violates the public right to know and undermines the norm of public accountability and oversight among other offenses It is also incompatible with emerging international nuclear norms Author of the critically acclaimed *Israel and the Bomb* Avner Cohen offers a bold and original study of this politically explosive subject Along with a fair appraisal of the bargain s strategic merits Cohen critiques its undemocratic flaws Arguing that the bargain has become increasingly anachronistic he calls for a reform in line with domestic democratic values as well as current international nuclear norms Most ironic he believes Iran is imitating Israeli amimut Cohen concludes with fresh perspectives on Iran Israel and the effort toward global disarmament

The Riverside Dictionary of Biography American Heritage Dictionary,2005 Publisher Description [Zionist Israel and the Question of Palestine](#) Tamar Amar-Dahl,2016-11-07 After half a century of occupation and tremendous costs of the conflict Israel is still struggling with the idea of a Palestinian state in what is often perceived as the Biblical Eretz Israel Mapping Zionism enemy images peace and war policies as well as democracy within the Jewish State the present study offers original insights into Israel s role in this conflict By analyzing Israeli history politics and security oriented political culture as it has been evolving from 1948 on this book reveals the ideological and political structures of a Zionist oriented state and society In doing so it uncovers the abyss between the Zionist vision of Eretz Israel on the one hand and the aspiration to achieve normalization peace and security on the other In view of this conflict laden bi national reality the Palestinian question is identified as the Achilles heel of Jewish statehood in the Land of Israel Thus Zionist Israel and the Question of Palestine provides a fresh innovative critical and yet accessible perspective on one of the most controversial issues in contemporary history *Jewish Curriculum and Resource Guide for the Armed Forces* ,1985 **Golda Meir** Meron Medzini,2020-10-22 Golda Meir A Reference Guide to Her Life and Works covers all aspects of her life and work Golda Meir held some of the most important positions her party and country could offer she was a unique personality an impressive leader a highly complex individual Includes a detailed chronology of Golda s life family and work The A to Z section includes the major events places and people in Golda s life The bibliography includes a list of publications concerning her life and work The index thoroughly cross references the chronological and encyclopedic entries *Israel's Quest for Recognition*
