Shimonis Lover:

Shimoni's Lover Jenifer Levin, 1987 The Last Jew Yoram Kaniuk, 2007-12-01 A layered sweeping panorama of 20th Century Jewish life and identity Publishers Weekly Yoram Kaniuk has been hailed as one of the most innovative brilliant novelists in the Western World and The Last Jew is his exhilarating masterwork The New York Times Like Gabriel Garcia Marquez's One Hundred Years of Solitude The Last Jew is a sweeping saga that captures the troubled history and culture of an entire people through the prism of one family From the chilling opening scene of a soldier returning home in a fog of battle trauma the novel moves backward through time and across continents until Kaniuk has succeeded in bringing to life the twentieth century's most unsettling legacy the anxieties of modern Europe which begat the Holocaust and in turn the birth of Israel and the swirling cauldron that is the Middle East With the unforgettable character of Ebenezer Schneerson the eponymous last Jew at its center Kaniuk weaves an ingenious tapestry of Jewish identity that is alternately tragic absurd enigmatic and heartbreaking A true work of art free from emotional manipulations The Washington Post *Death and Other Lovers* Jo Bannister, Light like a great pink chrysanthemum bloomed far away over the distant perimeter hanging high in the quiet air Others would describe it as a fireball and speak of the deep booming roar as the fuel tanks full to capacity at the start of the plane's long run exploded But no sound reached inside the little office double glazed and already ten miles away and Flynn's abiding impression was of a great flower blossoming halfway down the sky After long shocked moments Inspector Harris found a voice and to his great credit it was a voice without hysteria saying something sensible John you were watching was that an aircraft The sergeant nodded slowly The shock that had wiped the expression off his face seemed also to have kicked him temporarily into slow motion An aircraft An aircraft At last and with an effort he dragged appalled eyes away from the fading pink light and they found Flynn The one we pulled him off **Books** ,1957-08 **New York Herald Tribune Book Review** ,1957 **The Mystery of Love** Marc Gafni, 2004-03 In the tradition of Scott Peck's The Road Less Traveled and Gary Zukov's The Seat of the Soul The Mystery of Love speaks penetratingly to the age old desire to move beyond emptiness and alienation and touch the full eros of living **Friendship in Jewish History, Religion, and Culture** Lawrence Fine, 2021-01-07 The ubiquity of friendship in human culture contributes to the fallacy that ideas about friendship have not changed and remained consistent throughout history It is only when we begin to inquire into the nature and significance of the concept in specific contexts that we discover how complex it truly is Covering the vast expanse of Jewish tradition from ancient Israel to the twenty first century this collection of essays traces the history of the beliefs rituals and social practices surrounding friendship in Jewish life Employing diverse methodological approaches this volume explores the particulars of the many varied forms that friendship has taken in the different regions where Jews have lived including the ancient Near East the Greco Roman world Europe and the United States The four sections friendship between men friendship between women challenges to friendship and friendships that cross boundaries especially between Jews and

Christians or men and women represent and exemplify universal themes and questions about human interrelationships This pathbreaking and timely study will inspire further research and provide the groundwork for future explorations of the topic In addition to the editor the contributors are Martha Ackelsberg Michela Andreatta Joseph Davis Glenn Dynner Eitan P Fishbane Susannah Heschel Daniel J tte Eyal Levinson Saul M Olyan George Savran and Hava Tirosh Samuelson **Ready the Eight** Jae Gordon,2003-09 An international terrorist sends a coded message via the Internet Ready the eight Materials and supplies set for assembly at all destinations Final targets New York Los Angeles Washington D C Paris Rome Tokyo Jerusalem Tel Aviv Simultaneous detonation Exact time for each zone to follow Maps and sites attached Maintain anonymity at all levels The Unexpected Nadine Kanner a former U S intelligence officer engaged in routine research at a think tank in the Middle East detects and decodes the message The Problem There is no clue as to where or when the strikes will take place only that the signal to proceed was given Events take an unexpected turn when Kanner s son is kidnapped by terrorists close to the center of the plan Forced to pursue the conspirators and find her son on her own terms Kanner secures the help of a well connected U S general an Arab American professor and her lover an Israeli agent who has his own agenda Author Jae Gordon weaves an elaborate network of deception and subterfuge that spans Europe the Middle East the United States and Japan bringing this deadly conspiracy to its unpredictable climax *The Art of Mystical Narrative* Eitan P. Fishbane,2018 In the study of Judaism the Zohar has captivated the minds of interpreters for over seven centuries and continues to entrance readers in the modern day Yet despite these centuries of study very little attention has been devoted to the literary dimensions of the text The Art of Mystical Narrative argues that the Zohar story must be understood first and foremost as a work of the fictional imagination **I.e** ,1956-03 **An Ideological Death** Rachel S. Harris,2014-08-15 An Ideological Death Suicide in Israeli Literature examines literary challenges to Israel s national narratives The centrality of the army the mythology of the new Jew the vision of the first Israeli city Tel Aviv and the very process by which a nation s history is constructed are confronted in fiction by many prominent Israeli writers Using the image of suicide A B Yehoshua Amos Oz Etgar Keret Yehudit Katzir Alon Hilu Yaakov Shabtai Benjamin Tammuz and Yehoshua Kenaz each engage in a critical and rhetorical process that examines the nation s formation and reconsiders myths at the heart of the Zionist project In Israeli literature suicide represents a society s compulsion to create impossible ideals that leave its populace disappointed and deluded Yet as Rachel S Harris shows even at their harshest these writers also represent the idealism that helped build Israel as a modern nation state **Gereshon Robinson** : **Gereshon Robinson** Gereshon Robinson,2005 *Jewish Subjects and Their Tribal Chieftains in Kurdistan* Mordechai Zaken,2007-08-31 Based on new oral sources carefully analyzed this book explores the relationships between Jewish subjects and their tribal chieftains in Kurdistan focusing on the patronage and justice provided by the chieftains and the financial support provided by the Jews to endure troubles and caprices of chieftains New reports and vivid tales unveil the status of Jews in the tribal setting the slavery of rural Jews the conversion to Islam and the defense

mechanisms adopted by Jewish leaders to annul conversion of abducted women Other topics are the trade and occupations of the Jews and their financial exploitation by chieftains The last part explores the experience of Jewish communities in Iraqi Kurdistan between World War I and the mass migration to Israel 1951 52 **In the Shadow of the Ladder** Yehudah Ashlag,2002 This authentic translation into English of two Kabbalah texts written in Hebrew asks deeply personal questions about the essence of an individual and the existence of a soul Discussing the experience of an individual and the role of humans in creation it offers an understanding of the places of evil suffering compassion and joy in the full experience of divine love The Kabbalah is presented here not as an esoteric study limited to the divinely inspired but as a universal pathway of the spirit Coming from the West rather than the East this book fills a long awaited gap as it teaches an essential spirituality within the conceptual framework of the Judeo Christian tradition A Memoir of Love Jessiqua Wittman,2012-06-04 A post apocalyptic world an unlikely band of Revolutionaries this is the memoir of their struggles and triumphs A woman describes a refugee colony s dramatic rise to power The governmental shift was bound to happen the only question in the matter is who will be the leader of this new nation Written in first person this memoir provides an inside look at those whose lives are destined to become swallowed up and defined by political intrigue Great men and women go through all the same trials and temptations ordinary people go through the stakes are just much higher because everybody is watching them Lonely Planet East Africa Lonely Planet,Anthony Ham,Ray Bartlett,Stuart Butler,Jean-Bernard Carillet,David Else,Mary Fitzpatrick,Anna Kaminski,Tom Masters,Carolyn McCarthy,2018-07-01 Lonely Planet The world s number one travel guide publisher Lonely Planet s East Africa is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Feel the pounding of hooves as wildebeest stampede across the plains of the Serengeti get close to gorillas in Volcanoes National Park Rwanda and hike on the slopes of Mt Kilimanjaro All with your trusted travel companion Get to the heart of East Africa and begin your journey now Inside Lonely Planet s East Africa Colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights provide a richer more rewarding travel experience covering history people music landscapes wildlife cuisine politics Covers Kenya Tanzania Uganda Rwanda Burundi eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing The Perfect Choice Lonely Planet s East Africa is our most comprehensive guide to the region and is perfect for discovering both

The Jewish Communities of India Joan G. Roland, Although the Bene Israel community of western India the Baghdadi Jews of Bombay and Calcutta and the Cochin Jews of the Malabar Coast form a tiny segment of the Indian population their long term residence within a vastly different culture has always made them the subject of much curiosity India is perhaps the one country in the world where Jews have never been exposed to anti-Semitism

but in the last century they have had to struggle to maintain their identity as they encountered two competing nationalisms Indian nationalism and Zionism Focusing primarily on the Bene Israel and Baghdadis in the late nineteenth and twentieth centuries Joan Roland describes how identities begun under the Indian caste system changed with British colonial rule and then how the struggle for Indian independence and the establishment of a Jewish homeland raised even further questions She also discusses the experiences of European Jewish refugees who arrived in India after 1933 and remained there until after World War II To describe what it meant to be a Jew in India Roland draws on a wealth of materials such as Indian Jewish periodicals official and private archives and extensive interviews Historians Judaic studies specialist India area scholars postcolonialist and sociologists will all find this book to be an engaging study A new final chapter discusses the position of the remaining Jews in India as well as the status of Indian Jews in Israel at the end of the twentieth century
