Shining Moments Visions Of The Holy In Ordinary Lives:

Shining Moments John E. Sumwalt, 2004 The Bible is filled with stories of shining moments Moses face shone as he came down from the mountain with the ten commandments Jesus face changed and his clothes became dazzling white in a transfiguration witnessed by the disciples Paul was blinded by a light and heard the voice of Christ on the road to Damascus and many modern Christians have had equally life changing experiences of the Lord's power and presence In this third volume of the acclaimed Visions series 60 contributors share their authentic intensely personal accounts of holy experiences Rosmarie Trapp of the Sound of Music family tells of a moment of assurance when the Lord visited me in a bright golden light whose golden glow brought peace to my soul Ralph Milton author of the historical novel Julian's Cell describes a visitation by his late sister We were singing together as we often did as children I don't recall ever having a memory or dream as clear and powerful as that one and it left me with a sense of joy and peace Karen Steinke recounts the warmth she felt at the moment of her baptism I looked up to see the form of Jesus with an overpowering light surrounding him Whether they relate transforming moments like visions healings or visitations by angels joyous moments like being in the presence of a loved one who has died or just the simple sense of God's presence while singing in church or sitting in a sunny meadow on a warm spring day the vignettes in Shining Moments are a testament to the indescribable comfort and peace of an encounter with the divine And because each story also illustrates a scripture passage Shining Moments is a valuable preaching resource and an excellent catalyst for small group discussion But even more this book provides inspiring and heart warming reading for personal devotion and spiritual growth Praise for other volumes in the Visions series This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of New Testament Stories from the Back Side A noted storyteller John E Sumwalt is the pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS Lectionary Stories series Sumwalt leads seminars and retreats on sharing and understanding visions He and his wife Jo Perry Sumwalt also are the editors of the online service StoryShare

How to Preach the Miracles John E. Sumwalt, 2007 With contemporary stories and insight into ancient texts John Sumwalt invites readers into the mystery of God's active palpable presence in the world When we decide to live in God's presence we are in position to see hear believe and experience the miraculous in our daily lives Bishop Rueben P Job Author of Living Fully Dying Well Former editor The Upper Room Since modern culture explains the world through scientific rationalism there are many people in our pews who are skeptical about miracles No matter how credible the source our society tends to view those who speak of miracles as purveyors of superstition and magical thinking That presents a significant problem when discussing the resurrection and the other miracles recorded in scripture so what can the preacher do John Sumwalt says the answer is to begin like Jesus did by telling stories of the mysterious saving presence of God This is the realm in which Jesus did his miracle work a dimension of reality that is readily accessible to all

who are hungry for it Tell the miracle stories from the Bible along with those that are happening in our own time In this fascinating volume Sumwalt brings a storyteller s perspective to nine miracle passages in Cycle A of the Revised Common Lectionary His rich biblical commentary is filled with numerous illustrations and tellable sermon stories including over 30 contemporary accounts of miracles In this beautifully written book John Sumwalt shows you how to preach the miracle stories in ways that reach modern congregations Full of warm and engaging stories it reaches straight for the heart This is a wonderful book that will connect you and your congregation to the scriptures in fresh ways It s certain to warm the heart of anyone who reads it I look forward to using it over and over again as a source for my sermons Deacon Eddie Ensley Author of Prayer That Relieves Stress and Worry John E Sumwalt is the lead pastor of Wauwatosa Avenue United Methodist Church in suburban Milwaukee A noted storyteller and seminar leader he is the author of nine christian books including the acclaimed Visions series CSS John and his wife Jo Perry Sumwalt served for three years as co editors of the online service StoryShare www.sermonsuite.com **American Book Publishing Record** ,2003 **A Commentary on the Holy Scriptures** Johann Peter Lange,1874 *Wrestling With Wonder* Marlo Schalesky,2014-10-07 You ve never seen Mary or her God like this Who is this God Who is he who calls us to surrender and then leads us on a journey of twists and turns ups and downs unlike anything we could have ever expected Who is this God who calls a young girl to birth a Savior and then watch him die on a Roman cross Who is he who fulfills every promise and yet shatters every expectation Come join Mary Jesus mother on a journey of discovery Hear the angel s call walk the long road to Bethlehem give birth in a barn search for a lost son kneel at the foot of a cross and experience the wind of the Spirit Come walk with Mary and find your own journey in hers Because life rarely turns out the way we planned Because we lose the wonder in the disappointments of life Because being highly favored does not mean being highly pampered Because Mary shows us God passionate breath taking and unpredictable A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical Johann Peter Lange,1874 Mysticism in Blake and Wordsworth Jacomina Korteling,1928 **The Churchman's companion** ,1873-07 **The Selfless Mind** Peter Harvey,2013-09-13 This careful analysis of early Buddhist thought opens out a perspective in which no permanent Self is accepted but a rich analysis of changing and potent mental processes is developed It explores issues relating to the not Self teaching self development moral responsibility the between lives period and the undetermined questions on the world on the life principle and on the liberated one after death It examines the person as a flowing continuity centred on consciousness or discernment vinnana configured in changing minds sets cittas The resting state of this is seen as brightly shining like the Buddha nature of Mahayana thought so as to represent the potential for Nirvana Nirvana is then shown to be a state in which consciousness transcends all objects and thus participates in a timeless unconditioned realm **The Presbyterian** ,1909 Record of Christian Work Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1900 Includes music **New-York Observer** ,1912 **The Life-work of George Frederick Watts, R.
