*Children's Books in Print, 2007 ,2006* **Home Sweet Homicide** Craig Rice,2018-03-20 From the grand dame of mystery mixed with screwball comedy The children of a widowed mystery writer play amateur sleuths and matchmakers Ed Gorman Ellery Queen Award winning author When your mom s a mystery writer a talent for detection is only natural So when the three children of prolific whodunit author Marion Carstairs become material witnesses in a neighborhood murder they launch their own investigation And why not They know everything about baffling mysteries from reading their mother s books the publicity could do wonders for her sales and then she and a handsome detective could fall in love It s too perfect for words Marion s too busy wrapping up the loose ends of her latest book for the inconvenience of a real crime But what s surfacing in the shadows of the house next door is not quite as predictable as fiction accusations of racketeering kidnapping
