## **Ships And Men Of The Great Lakes:**

**Ships and Men of the Great Lakes** Dwight Boyer, 1977 Ships and men of the Great Lakes spans more than a century of Great Lakes history in a series of true thoroughly documented dramas most of them describing the misadventures of vessels and the men who sailed them What ever happened to the sturdy old SOO CITY what caused her to vanish with all hands There was no mystery however about why the Daniel J Morrell went down one stormy night in November 1966 although the survival of crewman Dennis Hale and his graphic account of his encounter with a ghostly stranger on the life raft is another matter Stories of dreadful tragedy and unbridled stupidity are intermingled with unsurpassed acts of heroism such as recounted in the ill fated voyage of the passenger steamer Erie One August 9 1841 the Erie left her dock at Buffalo New York bound for Chicago with stops in Erie Cleveland and Detroit with over three hundred passengers aboard She never made it The W W Arnold was smashed to pieces on Lake Superior in 1869 when aids to navigation were practically nonexistent Yet 106 years later in 1975 the gigantic ore carrier Edmund Fitzgerald loaded with state of the art navigational equipment also disappeared with all hands in Lake Superior Years after the fact the circumstances leading to their demise are still subject to speculation suspicion and heated debate Ships of the Great Lakes James P. Barry, 1973-06 From the Indian canoe to the largest ships this fascinating book carries the reader through three centuries of marine growth and adventure on the Great Lakes A classic long out of print the volume is now available in this revised and expanded edition which portrays the sweep of history on the Great Lakes through story and illustration The fur trade naval battles the rise and fall of the great passenger ships and the development of huge cargo carriers are portrayed in vivid detail The history of the Great Lakes is seen through the eyes of the courageous men who sailed the Lakes as well as through the sharp eyes of travelers such as Margaret Fuller and Charles Dickens The text historic drawings and photos portray every vessel and event of importance in 300 years of ships and men on the Great Lakes **Steamboats & Sailors of the Great Lakes** Mark L. Thompson, 1991 Steamboats and Sailors of the Great Lakes is the most thorough and factual study of the Great Lakes shipping industry written this century Author Mark L Thompson tells the fascinating story of the world s most efficient bulk transportation system describing the Great Lakes freighters the cargoes of the great ships and the men and women who have served as crew He documents the dramatic changes that have taken place in the industry and looks at the critical role that Great Lakes shipping plays in the economic well being of the U S and Canada despite the fact that the size of the fleet and the amount of cargo carried have declined dramatically in recent years **Great Stories of the Great Lakes** Dwight Boyer, 1966 Fourteen accounts of shipwrecks salvage operations and sailors experiences on the world s largest fresh water seas The Great Lakes James Oliver Curwood, 1909 **Odyssey of a Great Lakes Sailor** RANGA IYER, 2006-02-02 This odyssey is about my life experiences as a Chief Engineer on board Canadian Lakers as they were called It is also an expose into the inside workings of a Shipping company namely Canada Steamship Lines inc where I gave my blood sweat and tears to make a living as a new

immigrant in a so called first world country This book is written to expose the inside workings of a Shipping company during the years that I toiled to make a living as a man seeking to make a livelihood in supposedly a great country It is not the country that is to blame but people like Mr Martin who are so twisted that they lose sight of the common man and use them and abuse them for their personal gain The book gives a true account as to how one large corporation hounded one individual who spoke the truth and who sought justice and who wanted to make a change and to make the scenery better for future generations of Sea going personnel The book also gives you page by page description of how a corporation self destructs Surely there must be a lesson in all this Experiences included in the book are mind boggling They include Shipping accidents shipboard assaults battery Companys BLACKLIST which includes a list of so called undesirables pollution environmental and ecological damage Mergers and acquisitions dismissals and corporate lynching witch hunt Human Rights issues illegal constitutional changes changing pension laws and the Canada Shipping act illegally to suit the ship owner Corporate Corruption and greed There is one chapter solely on Shipboard assaults and a list of undesirables that sailed the Lakers It gives me great satisfaction to know that I could share my experiences with a wide variety of Human Beings and I am sure people who read my book would be flabbergasted when they get to know as to what goes on behind the scenes of a Maritime Industry of a G 8 Country How soon one forgets that we sailors help to build the wealth of a nation by carrying goods that helps to grow the nations economy and that we sailors have also helped fight the enemy during the first and second world wars and also make a major contribution in feeding an entire nation It is also a book about vengeance and Revenge an eye for an eye and a tooth for a tooth Just like Edmond Dantes In the Count of Monte Cristo by Alexander Dumas To pray sometimes for a man who like Satan thought himself for an instant equal to God but who now acknowledges with Christian humility that God alone possesses supreme power and infinite wisdom There is neither happiness nor misery in the world there is only the comparison of one state with another nothing more He who has felt the deepest grief is best able to experience supreme happiness We must have felt what it is to die that we may appreciate the enjoyments of living Live then and be happy beloved children of my heart and never forget that until the day when God shall deign to reveal the future to man all human wisdom is summed up in these two words Wait and hope Your friend Edmond Dantes Count of Monte Cristo Above all it is one mans search for truth and justice and a triumph of adversity a true Sailors Odyssey     Hearings United States.
