**The Adventures & Brave Deeds of the Ship's Cat on the Spanish Main**, 1977 Africa A nasty civil war Some hopeless do gooders cranky mercenaries and an orphan boy Two decades later the question is who saved whom **The Adventures of Galley Jack, Ship's Cat to the Susan P. Meservey** Violet Maxwell, Helen Hill, 1929 *Classical Cats* Donald W. Engels, 2018-10-03 This is the definitive book on classical cats The cat has played a significant role in history from the earliest times Well known is its role in the religion and art of ancient Egypt no less than its association with witchcraft in the Middle Ages But when did the cat become a domestic companion and worker as well There has been much debate about the position of the cat in ancient Greece and Rome Artistic representations are sometimes ambiguous and its role as a mouse catcher seems often to have been carried out by weasels Yet other evidence clearly suggests that the cat was as important to Greeks and Romans as it is to many modern people This book is the first comprehensive survey of the evidence for cats in Greece and Rome and of their functions and representations in art Donald Engels draws on authors from Aesop to Aristotle on vase painting inscriptions and the plastic arts and on a thorough knowledge of zoology of the cat He also sets the ancient evidence in the wider context of the Egyptian period that preceded it as well as the views of the Church fathers who ushered antiquity into the Middle Ages *Ships' Cats in War and Peace* Val Lewis, 2001 Samling af anekdoter om skibskatte fra is r den britiske fl de Bogen d kker bl a katte der sejlede p krigsskibene under 2 Verdenskrig katte der deltog i de store polarekspeditioner og katte der i nyere tid har holdt sejlere med selskab p ensomme langfarter **The Photographed Cat** Arnold Arluke, Lauren Rolfe, 2013-09-27 With more than 130 illustrations The Photographed Cat Picturing Close Human Feline Ties 1900 1940 is both an archive and an analytical exploration of the close relationships between Americans and their cats during a period that is significant for photography and for modern understandings of animals as pets This volume examines the cultural implications of feline companions while also celebrating the intimacy and joys of pets and family photographs In seven thematic sections Arluke and Rolfe engage with the collection of antique images as representations of real relationships and of ideal relationships noting the cultural trends and tropes that occur throughout this increasingly popular practice Whether as surrogate children mascots or companions to women cats are part of modern American life and visual culture Entertaining smart and filled with a collector s trove of wonderful images The Photographed Cat pays homage to the surprising range of relationships we have with cats and offers thoughtful consideration of the ways in which we represent them *Sailors of the Cloud Ships* David Fooks, 2023-10-10 The Age of Sail wrought the greatest change to the world in the history of mankind possibly until the Age of Space Exploration From 1450 to 1850 the Western world experienced explosive and violent change most of it brought about by the great sailing ships of the era and driven by the personal ambition for power and riches in a handful of men and women who in many cases didn t have a clue what they were getting into Today this exciting era receives just superficial coverage names dates and what was accomplished But behind

these were real people and digging into their lives can bring up startling facts Columbus spent much of his life as a pirate Magellan wasn't the first to circumvent the globe Horatio Nelson England's greatest naval hero suffered from violent seasickness America's most famous lightkeeper recognized for saving as many as 32 drowning men over 52 years was a woman Women served as crew in the British Navy and fought alongside their husbands a two year old boy served as a midshipman and babies were born on Nelson's flagship during both the Battles of Trafalgar and the Nile The British monarchy financed and provided oversight for the largest slave transport company in history History can be humorous surprising and even shocking and it is anything but dull
