Ships and Vessels at Woolwich and in the River Thames. [By Sir J. J. G. Bremer.]** Woolwich Dock (LONDON), 1847      *The Naval Chronicle* James Stanier Clarke, Stephen Jones, John Jones, 1807 Contains a general and biographical history of the Royal Navy of the United Kingdom with a variety of original papers on nautical subjects under the guidance of several literary and professional men      **The Witch** Mary Johnston, 2022-05-28 Mary Johnston's *The Witch* is a captivating historical novel set in early 17th century colonial Virginia exploring themes of superstition, gender, and societal conflict. Written in a lush descriptive style, Johnston skillfully interweaves the personal struggles of her characters with the broader historical context of the witch hunts that gripped the Puritan colonies. This intricate narrative delves into the psyche of its protagonist, a woman accused of witchcraft, and examines the moral complexities surrounding fear, power, and the erosion of community bonds, thereby enriching the reader's understanding of this tumultuous period. Johnston, an accomplished novelist known for her vivid storytelling and feminist interests, was deeply influenced by her Southern upbringing and the historical narratives of early America. Her own involvement in the Virginia suffrage movement likely informed her depiction of female agency and vulnerability in a patriarchal society. Drawing from her extensive research into the colonial experience, Johnston's work reflects her commitment to portraying the nuanced lives of women in history, making *The Witch* a vivid commentary on gender dynamics. This powerful novel is essential for readers interested in American history, feminist literature, and the intersection of fear and society. Johnston's deft characterizations and atmospheric prose illuminate the harrowing effects of persecution, making *The Witch* not only a compelling read but also a profound exploration of the human condition.

*The Invergordon Mutiny* Alan Ereira, 2015-10-05 In September 1931 the Royal Navy experienced its biggest modern mutiny. The largest warships in the Atlantic Fleet were gathering in Cromarty Firth for their autumn exercises. Meanwhile Ramsay MacDonald's newly formed national Government announced its emergency budget, introducing means tests, cutting unemployment benefit, and reducing public sector pay. On arrival at Invergordon, the sailors discovered the scale of the cuts they were supposed to bear. Their resulting strike, coordinated from ship to ship, swiftly achieved its objective. The Navy was badly shaken by the extraordinary efficiency of the action, and Britain's financial credit was so seriously damaged that within a few days the country was forced off the Gold Standard. Until this book was published, little of the story was known. Officially described as a case of unrest, it was hushed up, and no Courts Martial or Commission of Inquiry followed. This is the first detailed account of the Invergordon mutiny, based on the personal testimony of those involved on the lower deck. Particular attention is given to the way the affair was organized, both centrally and in individual ships, to the structure of command, and to the flash points when the use of force was considered and

attempted The dramatic story is here put into its historical context the background to the budget crisis of 1931 the implications of the cuts imposed the conditions of the Fleet at the time themes which remain as pertinent today as they were in 1931 **The Naval War of 1812** ,1985 A new naval History; or, Compleat view of the British Marine, etc John ENTICK,1757 **A General History and Collection of Voyages and Travels (Complete) Arranged in Systematic Order: Forming a Complete History of the Origin and Progress of Navigation, Discovery and Commerce by Sea and Land from the Earliest Ages to the Present Time** Robert Kerr,1811-01-01 **Colburn's United Service Magazine and Naval Military Journal** ,1869 **Colburn's United Service Magazine and Naval and Military Journal** ,1869 **Life and times of General Sir Edward Cecil ...** Charles Dalton,1885 Reports Great Britain.
