A collection of haunting legends delightful yarns and spine tingling ghost stories Swathed in mist surrounded by the secretive sea wind wailing like the lost souls of sailors around its shores Prince Edward Island is the ideal setting for the strange and incredible even the supernatural Islanders have handed down from one generation to the next many legends and ghost stories of visiting spirits buried pirate treasure sea serpents and ghostly apparitions Who dares to doubt the veracity of the sailors who met a phantom schooner the fishermen who fled from a sea monster or the countless Islanders who have dug for pirate gold only to be terrified by something uncanny and to have abandoned their search Curl up on a dark night with this new second edition and find yourself transported to the magical and mysterious Prince Edward Island

**A.B. Simpson and the Making of Modern Evangelicalism** Daryn Henry, 2019-12-26 A shrewd synthesizer gifted popularizer and inspiring founder of the Christian and Missionary Alliance movement A B Simpson 1843 1919 was enmeshed in the most crucial threads of evangelical Christianity at the turn of the twentieth century Daryn Henry presents Simpson's life and ministry as a vivid fascinating and paradigmatic study in evangelical religious culture during a time when the conservative wing of the movement has often been overlooked Simpson's ministry Henry explains fused the classic evangelical emphasis on revivalist conversion with the intensification of that sensibility in the quest for the deeper Christian

life of holiness Recovering the practice of divine healing Simpson emphasized a dynamically empowered and supernaturally animated Christianity that would spill over into nascent Pentecostalism His encouragement of cross cultural missions was part of a trend that unleashed the dramatic rise of world Christianity across the Global South All the while his Biblical literalism antagonism to modernist theology campaigns against evolution and views on premillennialism Biblical prophecy and the role of Israel in the end times made Simpson a precursor of the fundamentalist melees of subsequent decades From his upbringing in rural Canada and confessional Scottish Presbyterianism Simpson journeyed into the heart of American evangelicalism revolving around his base in New York City Against most previous writing on Simpson Henry s biography presents both continuities and discontinuities in the development of modern interdenominational evangelicalism out of the denominational evangelicalism of the nineteenth century

**All Things in Common** Ruth Compton Brouwer,2021-06-29 In the first decade of the twentieth century a few closely related families established a utopian community in Canada s smallest province Known officially as B Compton Limited but described by a journalist in 1935 as Prince Edward Island s unique brotherly love community this utopia owed its longevity to the cohesion provided by its communal organization dense kin ties and long held millenarianism and to a decidedly pragmatic approach to business All Things in Common demonstrates how un utopian such a community could be while problematizing the contention that the inevitable end of all utopian experiments is a full blown dystopia Beginning with a compelling backstory and locating the Compton community in the historiography of North American utopias the author goes on to explore the community s business endeavours its religious familial and transgressive aspects and its brief period of international fame before assessing the factors that led to its dissolution in 1947 Providing a strong narrative framework All Things in Common draws on rich family and archival records and diverse secondary sources concluding with a consideration of the community s legacy for its alumni and their descendants

Disasters at Sea James W. Macnutt,2024-02-02 In October 1851 the bustling harbors of Gloucester Massachusetts marked the onset of a promising venture as the American fishing fleet set sail towards the bountiful mackerel run in the southern Gulf of St Lawrence However as they neared the waters off Prince Edward Island Canada an unanticipated hurricane engulfed them in a tempest of terror and despair obliterating over 200 schooners and vessels The calamity claimed the lives of over 100 seamen a tragic toll that resonated across the waves Disasters at Sea unveils the poignant yet inspiring chronicle of the Prince Edward Island residents who propelled by compassion rallied to extend a lifeline to the beleaguered seamen Their unwavering aid echoed the noble deeds of the Newfoundland residents during the 9 11 crisis With hearts brimming with empathy they embarked on a mission of rescue recovery and honor for the fallen manifesting an enduring maritime bond This narrative reflects on the ethos of neighborly duty prevalent in the 19th century Maritime Canada highlighting a stark contrast against the seemingly indifferent response of the vessel owners in the aftermath who appeared to evade accountability for the lost souls and shattered vessels Disasters at Sea navigates through the haunting whys of fate s

discernment amidst the storm unearthing the profound human spirit that surges even amidst the darkest squalls painting a timeless tableau of maritime valor and human resilience
