

The background of the book cover is a painting of a rugged, mountainous landscape. In the foreground, a person wearing a red shirt and dark pants is bent over, working on a wooden structure, possibly a mine entrance or a small bridge. The middle ground features a small, dark wooden cabin with a chimney, situated on a grassy slope. The background shows steep, rocky mountains under a blue sky with soft, white clouds. The overall style is that of a 19th-century landscape painting.
