Lok Sabha Debates India. Parliament. Lok Sabha,1903 **Cultural Entrenchment of Hindutva** Daniela Berti,Nicolas Jaoul,Pralay Kanungo,2020-11-29 The book reflects on the discreet influence of Hindutva in situations places outside or at the margins of its organisational and mobilisational arena where people denying any commitment to the Sangh Parivar incidentally show affinities and parallelisms with its discourse and practice This study looks at Hindutva s entrenchment not so much as an orchestration from above but more as an outcome of a process that evolves in relation to specific social and cultural milieus The contributors analyse Hindutva s entrenchment emphasising on the ethnography of the forms of mediation and or convergence produced in certain contexts The 11 case studies highlight three different dynamics of Hindutva s cultural entrenchment The first section gathers cases where RSS affiliated organisations have set up specific cultural or artistic programmes at the regional level involving the meditation of local people whose interest in these programmes does not necessarily mean that they endorse the Hindutva agenda completely The next deals with convergence and refers to cases where the followers gather around a charismatic personality whose precepts and practice may bring them towards a closer affinity with the Hindutva programme The last section deals with the contexts of resistance where social milieus engaged in opposing Hindutva may in fact paradoxically and even inadvertently imbibe some of its ideas and practices in order to contest its claims Images of Maharashtra N.K. Socialist India , 1970 **Drama of Democracy** Lisa Björkman, 2025-09-02 The performative arts of political communication and representation in Mumbai In an era of global political passions many have wondered whether some sort of natural affinity exists between political style and substance Does liberal democracy speak the language of rationality and sincerity while political emotion imagery and embodiment properly belong to authoritarianism Taking an ethnographic approach to the relationship between political form and political content Drama of Democracy explores the material substance of representations things like heady crowds and rousing images together with language based forms of political communication such as public oration and community meetings Drawing on a decade of research in the city of Mumbai Lisa Björkman shows that embodied performance is the very site and substance of representation and demonstrates how Mumbaikars evaluate performative bids to represent The ethnographic accounts demonstrate the extraordinary fluency in this evaluative work in Mumbai where people from all walks of life are remarkably astute at navigating and assessing political signs and representations endlessly discussing and debating possible meanings of the city's dense material semiotic ecologies whether words or images cash or crowds flyers or flowers In Mumbai Björkman argues the evaluative criterion of representation is not whether something is sign or substance or even whether people are deemed to utter truths or falsehoods Rather what matters is whether and how a performance activates and actuates the social relations and political subjectivities that it professes to display Drama of Democracy highlights Mumbaikars communicative fluency and theatrical acumen to offer a conceptual toolbox through which contemporary political churnings around the globe might be understood

Make Me a Man! Sikata Banerjee, 2012-02-01 Make Me a Man argues that ideas about manhood play a key role in building and sustaining the modern nation It examines a particular expression of nation and manliness masculine Hinduism

This ideal which emerged from India's experience of British imperialism is characterized by martial prowess muscular strength moral fortitude and a readiness to go to battle Embodied in the images of the Hindu soldier and the warrior monk masculine Hinduism is rooted in a rigid us versus them view of nation that becomes implicated in violence and intolerance Masculine Hinduism also has important connotations for women whose roles in this environment consist of the heroic mother chaste wife and celibate masculinized warrior All of these roles shore up the us versus them dichotomy and constrict women's lives by imposing particular norms and encouraging limits on women's freedom Sikata Banerjee notes that the nationalism defined by masculine Hinduism draws on a more general narrative of nation found in many cultures If the outcomes of this narrative are to be resisted the logic of masculinity armed manhood and nation need to be examined in diverse contexts

Trading Power Priyam Gandhi-Mody, 2020-12-01 IN OCTOBER 2019 THE ASSEMBLY elections held in Maharashtra saw a decisive mandate in favour of the pre poll Mahayuti alliance of the Bharatiya Janata Party and the Shiv Sena against the Maha Aghadi alliance of the Nationalist Congress Party and the Indian National Congress But what followed shook the very foundations of democracy With the Shiv Sena unexpectedly staking claim to the chief minister's post and the BJP unwilling to give in to their demand the battle for the coveted top spot began in earnest and President's Rule was imposed in the state Featuring swiftly shifting alliances the abandonment of long held party ideologies dynastic bombast and overnight reversals the high octane drama culminated in Uddhav Thackeray of the Shiv Sena taking oath as chief minister of Maharashtra on 28 November 2019 The BJP the single largest party in the legislature with almost double the seats of the second in line Shiv Sena found itself side lined and left without power Recounting in dramatic detail the high stakes battle for political control of a crucial state Trading Power throws into sharp focus the manipulations and narrow motivations that rule politics in the country today ultimately leading to a gross betrayal of the people's mandate **make , Indian economic condition worst , then Zimbabwe , salaries of killer Indian police , Indian army, Civil servants ,MP,MLA, PMO**

Wages of Violence Thomas Blom Hansen,2018-06-05 When Bombay changed its name to Mumbai in 1995 it was the culmination of a long process that transformed India s primary symbol of modernity and cultural diversity into a site of intense ethnic conflict and violent nationalism Wages of Violence is a startling account of how the city s atmosphere dominant public languages and power structures have changed since the 1960s The book centers on how Shiv Sena a militant Hindu movement has advanced a new plebeian political culture and has undermined democratic rule in India s premier city Drawing on a large body of archival material and conversations with people from all walks of life Thomas Blom Hansen paints a vivid picture of this dynamic and violent movement Challenging conventional views of recent trends in Indian politics Hansen shows that the xenophobic

public culture of today's Mumbai has deep roots in the region's history and its contested identities. We are also given revealing insights into the city's Muslim communities and the authorities' understanding and control of the ethno-religious subcultures in the city. Hansen argues cogently that Shiv Sena's success represents the violent possibilities of the vernacularization of democracy in India. Unfolding at a juncture where the globalization of India's economy is having a deepening impact on the lives of ordinary people, this is a story that resonates with the directions urban growth is taking both elsewhere in India and beyond.

Eating in Theory Annemarie Mol, 2021-03-01

As we taste, chew, swallow, digest and excrete, our foods transform us while our eating in its turn affects the wider earthly environment. In *Eating in Theory*, Annemarie Mol takes inspiration from these transformative entanglements to rethink what it is to be human. Drawing on fieldwork at food conferences, research labs, health care facilities, restaurants, and her own kitchen table, Mol reassesses the work of authors such as Hannah Arendt, Maurice Merleau-Ponty, Hans Jonas, and Emmanuel Levinas. They celebrated the allegedly unique capability of humans to rise above their immediate bodily needs. Mol, by contrast, appreciates that as humans we share our fleshy substance with other living beings whom we cultivate, cut into pieces, transport, prepare, and incorporate, and to whom we leave our excesses. This has far-reaching philosophical consequences. Taking human eating seriously suggests a reappraisal of being as transformative knowing, as entangling doing, as dispersed and relating, as a matter of inescapable dependence.

Arrival City Doug Saunders, 2011-10-04

From one of Canada's leading journalists comes a major book about how the movement of populations from rural to urban areas on the margins is reshaping our world. These transitional spaces are where the next great economic and cultural boom will be born or where the great explosion of violence will occur. The difference depends on our ability to notice. The twenty-first century is going to be remembered for the great and final shift of human populations out of rural agricultural life into cities. The movement engages an unprecedented number of people, perhaps a third of the world's population, and will affect almost everyone in tangible ways. The last human movement of this size and scope and the changes it will bring to family life, from large agrarian families to small urban ones, will put an end to the major theme of human history: continuous population growth. *Arrival City* offers a detailed tour of the key places of the final migration and explores the possibilities and pitfalls inherent in the developing new world order. From villages in China, India, Bangladesh, and Poland to the international cities of the world, Doug Saunders portrays a diverse group of people as they struggle to make the transition and, in telling the story of their journeys and the history of their often multi-generational families enmeshed in the struggle of transition, gives an often surprising sense of what factors aid in the creation of a stable, productive community.
