The Window in Photographs Karen Hellman,2013-10-01 Photographers have been irresistibly drawn to the window as a powerful source of inspiration throughout the history of the medium As one of the first camera subjects the window is literally and figuratively linked to the photographic process itself By bringing together key works arranged thematically rather than chronologically and presenting pairings within broader stylistic movements this volume examines the motif of the window as a symbol of photographic vision The Window in Photographs includes more than eighty color plates spanning the history of photography all drawn from the J Paul Getty Museum s permanent collection The theme is presented in a wide range of contexts from one of the earliest images by William Henry Fox Talbot or Julia Margaret Cameron s 1864 allegorical use of the motif to works by members of the Photo Secession including Gertrude K sebiel and Fred Holland Day The documentary thread of the street photographer can be followed in Eug ne Atget s record of the old quarters of Paris and later twentieth century photographs by William Eggleston Walker Evans and Lee Friedlander Alfred Stieglitz and Paul Strand chose to utilize the theme of the window for its more graphic possibilities More recently photographers Shizuka Yokomizo and Gregory Crewdson explored conceptual aspects of the window to investigate themes of voyeurism and invented narrative while Uta Barth and Yuki Onodera created more abstract visions *The Photograph as Contemporary Art* Charlotte

Cotton,2021-02-16 A new edition of the definitive title in the field of contemporary art photography by one of the world s leading experts on the subject Charlotte Cotton In the twenty first century photography has come of age as a contemporary art form Almost two centuries after photographic technology was first invented the art world has fully embraced it as a legitimate medium equal in status to painting and sculpture The Photograph as Contemporary Art introduces the extraordinary range of contemporary art photography from portraits of intimate life to highly staged directorial spectacles Arranged thematically the book reproduces work from a vast span of photographers including Andreas Gursky Barbara Kasten Catherine Opie Cindy Sherman Deana Lawson Diana Markosian Elle P rez Gregory Halpern Lieko Shiga Nan Goldin Paul Mpagi Sepuya Pixy Liao Susan Meiselas and Zanele Muholi This fully revised and updated new edition revitalizes previous discussion of works from the 2000s through dialogue with more recent practice Alongside previously featured work Charlotte Cotton celebrates a new generation of artists who are shaping photography as a culturally significant medium for our current sociopolitical climate A superb resource The Photograph as Contemporary Art is a uniquely broad and diverse

reflection of the field **Art Issues** ,2001 **Dear Strangers** Meg Mullins,2010-02-04 A lyrical and romantic story of love fate and family In the high desert of the American southwest during the summer of 1982 the Finley family is awaiting the arrival of the baby boy they re due to adopt Oliver just seven is eager for another playmate to join him and his sister in their idyll of swimming pools climbing trees and playing tag But one hot afternoon Dr Finley dies suddenly and everything changes Mrs Finley newly widowed decides she cannot proceed with the adoption alone Twenty one years later Oliver believes he has finally found the brother his family was meant to adopt Along the way he also finds Miranda an eccentric charming photographer whose subjects are consenting strangers in their own homes after dark Oliver and Miranda s love story collides with catastrophe when their worlds intersect in ways they could never have predicted A luminous moving portrait of grief and atone ment romance and longing Dear Strangers unearths the possibilities of hope and renewal in the unexpected bonds forged with family and strangers alike *A Family by Any Other Name* Bruce Gillespie,2014-04-08 Finalist for a Lambda Literary Award for best LGBT Anthology Winner of a 2015 Silver Independent Publisher Book Award At no other time in history have lesbian gay bisexual and transgendered LGBT relationships and families been more visible or numerous A Family by Any Other Name recognizes and celebrates this advance by exploring what family means to people today The anthology includes a wide range of perspectives on queer relationships and families there are stories on coming out same sex marriage adopting having biological kids polyamorous relationships families without kids divorce and dealing with the death of a spouse as well as essays by straight writers about having a gay parent or child These personal essays are by turns funny provocative and intelligent but all are moving and honest Including writers from across North America this collection offers honest and moving real life stories about relationships and creating families in the twenty first century The fifth book in a series of books about the twenty first century family A Family by Any Other Name follows How to Expect What You re Not Expecting Somebody s Child Nobody s Mother and Nobody s Father all essay collections that challenge readers to re examine traditional definitions of family **Illy collection** Andrea Illy,2002 For ten years artists have been decorating the Illy coffee cup a cup precision designed and engineered for the ideal diameter volume and tactile quality of the rim This book documents one of the most comprehensive collections of art objects in daily use *Strangers* International Center of Photography,2003 Presenting the works of 50 contemporary artists and photographers from around the world Strangers explores the different roles the camera now plays in negotiating the boundaries between public and private life trust and fear intimacy and isolation Accompanying the first recurring exhibition of its kind devoted to photography and related media at the International Center of Photography in New York Strangers investigates the social world through images that have been created as a result of encounters with people unknown to one another In addition to the more personal and psychological aspects of estrangement the artists in Strangers also engage with the theme of globalization and diaspora an especially timely subject in its geopolitical ramifications Strangers includes illuminating biographical essays on each of the artists and

their works four original essays by ICP curators Brian Wallis Christopher Phillips Carol Squiers and Edward Earle that explore the ever evolving and prescient theme of strangers and approximately 200 images generated in a variety of media from traditional and digital processes to multimedia installations and video Artists represented include Olivio Barbieri Philip Lorca diCorcia Luc Delahaye Rineke Dijkstra David Goldblatt Bill Henson Susan Meiselas Shirin Neshat John Schabel and Joel Sternfeld among others

Reading Photographs Richard Salkeld, 2020-09-02 Reading Photographs is a clear and inspiring introduction to theories of representation and visual analysis and how they can be applied to photography Introducing the development of photography and different approaches to reading images the book looks at elements such as identity gaze psychoanalysis voyeurism and aesthetics Striking visual examples are used to illustrate the text and engaging case studies delve deeper into issues raised within each chapter with brief activity points to allow the reader to apply relevant theories to their own practice

Art in America Frank Jewett Mather, Frederic Fairchild Sherman, 2008

Photography and Collaboration Daniel Palmer, 2020-09-14 Photography and Collaboration offers a fresh perspective on existing debates in art photography and on the act of photography in general Unlike conventional accounts that celebrate individual photographers and their personal visions this book investigates the idea that authorship in photography is often more complex and multiple than we imagine involving not only various forms of partnership between photographers but also an astonishing array of relationships with photographed subjects and viewers Thematic chapters explore the increasing prevalence of collaborative approaches to photography among a broad range of international artists from conceptual practices in the 1960s to the most recent digital manifestations Positioning contemporary work in a broader historical and theoretical context the book reveals that collaboration is an overlooked but essential dimension of the medium s development and potential
