Shoah The Paradigmatic Genocide Essays In Exegesis And Eisegesis:

Genocide Or Ethnocide, 1933-2007 Bartolomé Clavero, 2008 **Teaching the Shoah** Zev Garber, Kenneth L.

Hanson, 2022-11-16 Today more than 80 years after the Holocaust Shoah the events surrounding Hitler's campaign of murder have not receded into the distance but remain memorialized in multiple venues both scholarly and popular This volume is an anthological collection of essays and creative pieces showcasing the pedagogical issues related to the Nazi genocide It addresses the field of Shoah education featuring new and novel ways to promote awareness of the reality of the genocide as well as an understanding of the instrumentalities both philosophical and physical which drove and concretized it In addition to serious academic contributions this volume features a play a short story and a discussion of the use of educational video in an online environment It provides insight into the overarching question how can and should the Shoah be taught and what approaches can be utilized in sharing the most important lessons of this most unspeakable example of ethnic cleansing in human history

Re-presenting the Shoah for the 21st Century Ronit Lentin, 2004-02-01 Despite Adorno's famous dictum the memory of the Shoah features prominently in the cultural legacy of the 20th century and beyond It has led to a proliferation of works of representation and re-memorialization which have brought in their wake concerns about a Holocaust industry and banalization This volume sheds fresh light on some of the issues such as the question of silence and denial of the formation of contemporary identities German East European Jewish or Israeli the consequences of the legacy of the Shoah for survivors and for the second generation and the political ideological and professional implications of Shoah historiography One of the conclusions to be drawn from this volume is that the Auschwitz code invoked in relation to all unspeakable catastrophes has impoverished our vocabulary it does not help us remember the Shoah and its victims but rather erases that memory

Cave, Ben Kiernan, Doris Bergen, David Moshman, Victoria Sanford, John Docker, Robert Hitchcock, 2008-02-13 The Historiography of Genocide is an indispensable guide to the development of the emerging discipline of genocide studies and the only available assessment of the historical literature pertaining to genocides

Reading the Hebrew Bible for a New Millennium, Volume 2 Wonil Kim, Deborah L. Ellens, Marvin A.

Sweeney, 2001-01-01 A collection of essays that examines the Hebrew Bible using the methodology of Rolf P Knierim of the Institute for Antiquity Christianity in Claremont CA Visions of the Holy Marvin A. Sweeney, 2023-12-01 Visions of the Holy

The Arabs and the Holocaust Gilbert Achcar, 2010-04-13 An unprecedented and judicious examination of what the Holocaust means and doesn't mean in the Arab world one of the most explosive subjects of our time There is no more inflammatory topic than the Arabs and the Holocaust the phrase alone can occasion outrage The terrain is dense with ugly claims and counterclaims one side is charged with Holocaust denial the other with exploiting a tragedy while denying the tragedies of others In this pathbreaking book political scientist Gilbert Achcar explores these conflicting narratives and considers their role in today's Middle East dispute He analyzes the various Arab responses to Nazism from the earliest intimations of the genocide through the creation of Israel and the destruction of Palestine and up to our own time critically assessing the political and historical context for these responses Finally he challenges distortions of the historical record while making no concessions to anti-Semitism or Holocaust denial Valid criticism of the other Achcar insists must go hand in hand with criticism of oneself Drawing on previously unseen sources in multiple languages Achcar offers a unique mapping of the Arab world in the process defusing an international propaganda war that has become a major stumbling block in the path of Arab-Western understanding

The Hebrew Bible Frederick E. Greenspahn, 2008 In April of 2001 the headline in the Los Angeles Times read Doubting the Story of the Exodus It covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of Passover In it he said The truth is that virtually every modern archaeologist who has investigated the story of the exodus with very few exceptions agrees that the way the Bible describes the exodus is not the way it happened if it happened at all This seeming challenge to the biblical story captivated the local public Yet as the rabbi himself acknowledged his sermon contained nothing new The theories that he described had been common knowledge among biblical scholars for over thirty years though few people outside of the profession know their relevance New understandings concerning the Bible have not filtered down beyond specialists in university settings There is a need to communicate this research to a wider public of students and educated readers outside of the academy This volume seeks to meet this need with accessible and engaging chapters describing how archaeology theology ancient studies literary studies feminist studies and other disciplines now understand the Bible

Writing the Holocaust Jean-Marc Dreyfus, Daniel Langton, 2011-09-01 Writing the Holocaust provides students and teachers with an accessibly written overview of the key themes and major theoretical developments which continue to inform the nature of historical writing on the Holocaust

Holocaust studies is at a paradox while historians of the Holocaust defend it as a legitimate and well defined area of research they write against a complex political and ideological background that undermines any claim for it as a normative field of historical study Writing the Holocaust offers a lucid enquiry into this complex field by demonstrating the impact of current theories from the humanities and social sciences upon the treatment of Holocaust studies

Celebrating Holy Week in a Post-Holocaust World Henry F. Knight, 2004-12-01 An ongoing issue for clergy as well as Christians in general is how to approach New Testament narratives about the crucifixion of Jesus in relation to Jews Judaism and the horrific events of the Holocaust The events of Holy Week pose particular challenges for clergy and congregations In this book Henry Knight helps us deal with Holy Week texts in light of our post Holocaust world and provides practical examples of prayers liturgies and resource material to help pastors prepare for and lead worship and teach during this important time in the life of a congregation

Judaism and Jesus Zev Garber, Kenneth L. Hanson, 2019-10-29 This insightful volume represents the hands on experience in the world of academia of two Jewish scholars one of Orthodox background and the other a convert to the Jewish faith As a series of separate but interrelated essays it approaches multiple issues touching both the historical Jesus himself a pious Jew and the modern phenomenon of Messianic Judaism It bridges the gap between the typically isolated disciplines of Jewish and Christian scholarship and forges a fresh level of understanding across religious boundaries It delves into such issues as the nature and essence of Jesus message pietistic militant or something of a hybrid and whether Messianic Jews should be welcome in the larger Jewish community Its ultimate challenge is to view sound scholarship as a means of bringing together disparate faith traditions around a common academic table Serious research of the great Nazarene becomes interfaith discourse

Teaching the Historical Jesus Zev Garber, 2014-11-13 Teaching the Historical Jesus in his Jewish context to students of varied religious backgrounds presents instructors with not only challenges but also opportunities to sustain interfaith dialogue and foster mutual understanding and respect This new collection explores these challenges and opportunities gathering together experiential lessons drawn from teaching Jesus in a wide variety of settings from the public secular two or four year college to the Jesuit university to the Rabbinic school or seminary to the orthodox religious Israeli university A diverse group of Jewish and Christian scholars reflect on their own classroom experiences and explicates crucial issues for teaching Jesus in a way that encourages students at every level to enter into an encounter with the Hebrew Scriptures and the New Testament without paternalism parochialism or prejudice This volume is a valuable resource for instructors and graduate students interested in an interfaith approach in the classroom and provides practical case studies for scholars working on Jewish Christian relations

Vindicating Vengeance and Violence? Elisabet Nord, 2023-11-22 Psalms that seem to vindicate vengeance and violence are generally omitted from liturgy as exemplified in most breviaries used by worshipping communities around the world Although seldom read the so called cursing psalms are known to many as their imprecatory passages pose challenges for readers who wish to use the entire Book of Psalms as their

book of prayer Because passages that call for vengeance and violence are present throughout the psalm collection and often intertwined with the most exquisite things as noted by C S Lewis both liturgists and laypeople need to find substantial hermeneutical strategies that can help answer what to make of imprecatory passages But despite the ample exegetical advice made available through commentary literature past and present worshippers are stuck at a point of convergence between exegetical support and liturgical rejection Through the process of metacommentary on Psalms 58 109 137 and 139 Elisabet Nord identifies three popular and generic hermeneutical approaches often applied to cursing psalms including the tacit preconceived notions of these prominent approaches The latter helps to uncover the liturgical relevance and sometimes lack thereof of scholarly advice on how to interpret and navigate psalms calling for vengeance and violence as prayers
