

An aerial photograph showing a large, multi-story building complex, possibly a school or government building, situated on a hillside. A massive landslide has occurred in the foreground, with a large section of the hillside sliding down, partially burying the lower parts of the building and surrounding area. The landslide is a deep, reddish-brown color, contrasting sharply with the green grass and trees on the upper slopes. The building itself is white with a dark roof and has several windows. A parking lot with several cars is visible to the left of the building. The overall scene depicts the aftermath of a major earthquake.
