**300 Pounds of Attitude** Jonathan Rand, 2006-07-01 One fall night in TK Steve Sabol of NFL Films answered the door to see his friend Philadelphia Eagles linebacker Tim Rosso Rossoovich standing there literally on fire After Sabol knocked Rossoovich to the ground and put out the fire Rosso stood up and without missing a beat said Sorry I must have the wrong apartment Pro football has been filled with players like this loose cannons rebels and trash talkers Some players are more likeable than others and some might even be certifiably crazy yet what perfectly sane athlete signs up to get belted around by 300 pound behemoths for three hours every Sunday Why Dick Butkus claims his reputation for meanness which includes biting a referee s finger was blown way out of proportion How dumping Gatorade on a winning coach became a postseason tradition Who He Hate Me was and exactly why He hated him From sideline spats to touchdown celebrations to draft day tales 300 Pounds of Attitude reveals the true stories of the most entertaining figures that have played the game of professional football

**Winning in the Trenches** Forrest Gregg, 2011-03 Winning in the Trenches provides a fascinating glimpse of a bygone era in professional football from one of the players who epitomized it With candor insight and love for the game Forrest Gregg takes the reader through a career that began in the mid 1950s when he was draft by the then moribund Green Bay Packers The NFL was a far different and far less glamorous place in those years But as Gregg tells it things changed for the better when the team hired a new head coach the now immortal Vince Lombardi Gregg provides many colorful stories of the Lombardi years during which the Packers dominated the sport becoming what many experts call the greatest team of all time winning a number of NFL championships and the first two Super Bowls Though those teams were loaded with Hall of Famers Lombardi famously called Gregg the finest player I ever coached Lombardi moved on by the end of the 1960s as did Gregg who played in yet another Super Bowl with the Dallas Cowboys before retiring as one of the greatest offensive linemen in the history of the game His love for the game wouldn t allow him to rest

on his laurels and Gregg moved into coaching as an assistant with the San Diego Chargers and then the Cleveland Browns who promoted him to head coach in the mid 1970s Gregg is candid yet fair in his recollection of working with the Browns controversial owner Art Modell From that post Gregg moved on to work for another controversial and demanding owner Paul Brown of the Cincinnati Bengals Within two years Gregg took that losing franchise all the way to the Super Bowl winning the NFL's Coach of the Year award But Green Bay was his true love and Gregg returned to the Packers as the head coach Controversy however dogged him as several of his players were involved in off the field scandals leading to an explosive tenure of several years
