Director J Edgar Hoover's successes in this crusade made him the hero of law and order in the public mind. This historical analysis reveals the agency's often illegal tactics including torture, frame-ups, and summary executions later expanded throughout Hoover's 48-year reign in Washington D.C. and exposed only after his death, some say murder in 1972. **Don't Shoot the Clowns** Jo Wilding, 2006 As a human rights observer Jo Wilding, a young British trainee lawyer and solidarity activist, witnessed and recorded some of the worst atrocities committed against ordinary civilians. As the occupation started, she joined a group of performers to put on circus shows in squatter camps, hospitals, schools, and orphanages. Jo Wilding is not a journalist but a new kind of citizen reporter, instinctively recording events and publishing directly online. Don't Shoot the Gentile James C. Work, 2012-09-14 When James Work took a teaching job at the College of Southern Utah in the mid-1960s, he knew little about teaching and even less about the customs of his Mormon neighbors. For starters, he did not know he was a Gentile, the Mormon term for anyone not a member of the Church of Jesus Christ of Latter-day Saints. But just as he learned to be a religious diplomat and a black market bourbon runner, he also discovered that his master's degree in literature apparently qualified him to teach journalism, photography, creative writing, advanced essay, and feature article writing, freshman composition, and vocabulary building. With deadpan humor, Work pokes fun at his own naivete in *Don't Shoot the Gentile*, a memoir of his rookie years teaching at a small college in a small, mostly Mormon town. From the first pages, Work tells how he navigated the sometimes tricky process of being an outsider, pulling readers no matter their religious affiliation into his universal fish-out-of-water tale. The title is drawn from a hunting trip Work made with fellow faculty members, all Mormons. When a load of buckshot whizzed over his head, one of the party hollered, "Don't shoot the Gentile! We'll have to hire another one." Today the College of Southern Utah is a university, and Cedar City, like most small towns in the West, is no longer so culturally isolated. James Work left in 1967 to pursue a doctorate, but his remembrances of the place and its people will do more than make readers Mormon and non-Mormon alike laugh out loud. Work's memoir will resonate with anyone who remembers the challenges and small triumphs of a first job in a new, strange place. **Don't Shoot Innocent People** Richard Gary Horn, 2016-06-28 Too many innocent people being shot in our times. This book was written for the millions of citizens who function normally in our society every day and are trying to understand why some people would go out and shoot totally innocent people who have absolutely no relationship at all to the shooter. It was also written for those who are fed up with society and want to strike back those individuals who have hate in their hearts and revenge on their minds. It offers alternatives to the way they're thinking and encourages them to be brave and face life as it is. **Don't Shoot the Horse** H. Randy Hayes, 2007-08 *Don't Shoot the Horse* is simply a book of encouragement offering hope to the reader. Hayes's unique way of looking at things will help to inspire Christians to notice the many gifts the Savior bestows daily. *Practical Life* **Don't Shoot the Messenger** Bruce W. Wounded Jim Reynolds, 2010-05 Why We Don't Shoot the Wounded makes the case for the redemption and restoration of fallen church leaders and members rather than ostracizing them through shame and guilt or forcing them to permanently step down from their calling within a faith community. The author cites biblical precedents in the lives of leaders in Israel and the Church and retells the story of the God who seeks to restore and who calls all of us to become the Church who heals the wounded. Church members he says need to be equipped to respond when one of their own is overtaken by a trespass to restore such a one with a spirit of gentleness. This is done within the context of naming the sin, lifting the shame, guilt, and secrecy surrounding church scandals, and then moving through the process of forgiveness, healing, accountability, and restoration. Jim Reynolds holds a bachelor's and a master of divinity degree from Abilene Christian University (1964-1967), a doctorate from the Graduate Theological University (Berkeley, Calif., 1974), and a law degree from SMU (1981). He has been a licensed marriage and family counselor and has published numerous articles and books, including *Secrets of Eden: God and Human Sexuality* (1974), *The Lepers Among Us* (2007), and *The Lavish Hospitality of God* (2009). Jim has taught religion, theology, philosophy, and biblical studies at Pepperdine University and the University of Texas and presently is an adjunct professor at Dallas Christian College. He also does mediation for Dale O'Neill and Associates in Fort Worth, Texas. From 1981 to 2007, Jim was a family lawyer and partner with the Whitaker Chalk law firm in Fort Worth, Texas. Since 1984, he has been pastor of Lake Highlands Church in Dallas, Texas. Jim and his wife Donna have two children and eight grandchildren. *Don't Shoot! ... I have another story to tell you* Elen Ghulam, 2011-02-07 In the book *One Thousand and One Nights*, Scheherazade has to tell stories in order to survive. She tells such interesting and compelling stories that King Schehryar can't help but let her live one more night, and then another, and then another. After a thousand and one nights, he gets attached and forgets his murderous desire. By salvaging her own life with stories, Scheherazade in turn liberates Schehryar's heart from its darkness. As war and terrorism rage, so grows the antagonism between the Middle East and the West. *Don't Shoot: I have another story to tell you* is the personal journey of an Iraqi woman who walks the tightrope between East and West. The book is a funny and often moving voyage of uncovering, discovering, and discarding of identity. It is a book understanding the past and telling new stories in order to embrace the future. Through these tales of transformation, the book encourages the reader to grow attached and come to understand the Middle East's many contradictions. **Don't Never Shoot Short** Kent F. Frates, 2007 A deputy sheriff is thrust into a standoff between the sheriff of Washita County and a right-wing militia group known as the Freeman. **Hands Up, Don't Shoot** Jennifer E. Cobbina, 2019-07-30 Understanding the explosive protests over police killings and the legacy of racism. Following the high-profile deaths of eighteen-year-old Michael Brown in Ferguson, Missouri, and twenty-five-year-old Freddie Gray in Baltimore, Maryland, both cities erupted in protest over the unjustified homicides of unarmed black males at the hands of police officers. These local tragedies and the protests surrounding them assumed national significance, igniting fierce debate about the fairness and efficacy of the American criminal justice system. Yet

outside the gaze of mainstream attention how do local residents and protestors in Ferguson and Baltimore understand their own experiences with race place and policing In *Hands Up Don t Shoot* Jennifer Cobbina draws on in depth interviews with nearly two hundred residents of Ferguson and Baltimore conducted within two months of the deaths of Brown and Gray She examines how protestors in both cities understood their experiences with the police how those experiences influenced their perceptions of policing what galvanized Black Lives Matter as a social movement and how policing tactics during demonstrations influenced subsequent mobilization decisions among protesters Ultimately she humanizes people s deep and abiding anger underscoring how a movement emerged to denounce both racial biases by police and the broader economic and social system that has stacked the deck against young black civilians *Hands Up Don t Shoot* is a remarkably current on the ground assessment of the powerful protestor driven movement around race justice and policing in America
