Shooting From The Lip A Kiwi Soldiers Military Mischief:

Shooting from the Lip Lee Hughes,1999-09-13 When Lee Hughes joined up he was an innocent teenager looking for a snappy uniform a girlfriend and a sports car He couldn't possibly have known just how much trouble he was getting himself into These tales of Hughes folly and madness not only record his slow climb up professional ladders and his fast slide down social snakes but they also reveal some of the funniest stories ever told about life in the army Displaying a rare talent for making mischief Lee worked his way through a nine year ride in the artillery attracting praise and punishment in quite unequal measure As an object lesson in how not to be an efficient army officer few books could present the case for the prosecution more clearly

Practically Joking Moira Marsh,2015-06-22 In *Practically Joking* the first full length study of the practical joke Moira Marsh examines the value artistry and social significance of this ancient and pervasive form of vernacular expression Though they are sometimes dismissed as the lowest form of humor practical jokes come from a lively tradition of expressive play They can reveal both sophistication and intellectual satisfaction with the best demanding significant skill and talent not only to conceive but also to execute *Practically Joking* establishes the practical joke as a folk art form subject to critical evaluation by both practitioners and audiences operating under the guidance of local aesthetic and ethical canons Marsh studies the range of genres that pranks comprise offers a theoretical look at the reception of practical jokes based on benign transgression a theory that sees humor as playful violation and uses real life examples of practical jokes in context to establish the form's varieties and meanings as an independent genre as well as its inextricable relationship with a range of folklore forms Scholars of folklore humor and popular culture will find much of interest in *Practically Joking*
