Georgia Legends & Lore Alan Brown, 2022-08-22 Settle in for a juicy bushel of Peach State bafflement Turn a metaphorical shovel of red Georgia clay to find a world teeming with inexplicable head scratching mystery The legends here predate the state s founding by hundreds of years when Native people settled in and began grappling with the land Now treasure hunters ply Civil War sites for the Confederacy s lost treasure spectral soldiers galloping nearby Hairy beasts lope through dark woods the night sky above bustling with disconcerting activity like the UFO once spotted by Jimmy Carter In this Georgia psychics help convict murderers The super strict and thoroughly deceased former owner of Savannah s Telfair Museum punishes rule breakers and a 10 foot squatch emits a pungent stench at Minnehaha Falls Join folklorist Alan Brown on a jaunt through the most confounding elements of Georgia s long history

Doc Holliday Gary L. Roberts, 2011-05-12 Acclaim for Doc Holliday Splendid not only the most readable yet definitive study of Holliday yet published it is one of the best biographies of nineteenth century Western good bad men to appear in the last twenty years It was so vivid and gripping that I read it twice Howard R Lamar Sterling Professor Emeritus of History Yale University and author of The New Encyclopedia of the American West The history of the American West is full of figures who have lived on as romanticized legends They deserve serious study simply because they have continued to grip the public imagination Such was Doc Holliday and Gary Roberts has produced a model for looking at both the life and the legend of these frontier immortals Robert M Utley author of The Lance and the Shield The Life and Times of Sitting Bull Doc Holliday emerges from the shadows for the first time in this important work of Western biography Gary L Roberts has put flesh and soul to the man who has long been one of the most mysterious figures of frontier history This is both an important work and a wonderful read Casey Tefertiller author of Wyatt Earp The Life Behind the Legend Gary Roberts is one of a foremost class of writers who has created a real literature and authentic history of the so called Western His exhaustively researched and beautifully written

Doc Holliday The Life and Legend reveals a pathetically ill and tortured figure but one of such intense loyalty to Wyatt Earp that it brought him limping to the O K Corral and into the glare of history Jack Burrows author of John Ringo The Gunfighter Who Never Was Gary L Roberts manifested an interest in Doc Holliday at a very early age and he has devoted these past thirty odd years to serious and detailed research in the development and writing of Doc Holliday The Life and Legend The world knows Holliday as Doc Holliday Family members knew him as John Somewhere in between the two lies the real John Henry Holliday Roberts reflects this concept in his writing This book should be of interest to Holliday devotees as well as newly found readers Susan McKey Thomas cousin of Doc Holliday and coauthor of In Search of the Hollidays Peace and Friendship Stephen Aron,2022 For over 35 years the dominant histories of the American West have been narratives of horrific conflicts As dark and as bloody as western grounds have often been however there were also important episodes of concord instances of barriers breached accords reached and of people overcoming their differences as opposed to being overcome by them Peace and Friendship highlights the instances of cohabitation deepening our understanding of how the West came to be through colonization violence misunderstanding and surprisingly at times peace *Perilous Pursuit on the Santa Fe Trail* Inez Ross,2005 Private investigator Sheila Jones the modern counterpart of Sherlock Holmes and her trusty assistant Dora Watling are trying to protect their young client Helen Stones from an evil stepfather as he leads them on a dangerous game along the Santa Fe Trail **Games, Strategies and Decision Making** Joseph Harrington,2009 This book on game theory introduces and develops the key concepts with a minimum of mathematics Students are presented with empirical evidence anecdotes and strategic situations to help them apply theory and gain a genuine insight into human behaviour The book provides a diverse collection of examples and scenarios from history literature sports crime theology war biology and everyday life These examples come with rich context that adds real world meat to the skeleton of theory Each chapter begins with a specific strategic situation and is followed with a systematic treatment that gradually builds understanding of the concept **More True Tales of Old-time Kansas** David Dary,1987 Swift moving tales always readable often captivating Dary is ever the master of narrative This is a contribution to the literary heritage of the state Thomas Isern coauthor of Plainsfolk Bat Masterson Robert K. DeArment,2014-04-14 The colorful figures of the western American frontier the Indian fighters the mountain men the outlaws and the lawmen have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it Bat Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted A legend in his own time he was called in a television series produced in the 1960 s A legend he has become one firmly fixed in the popular imagination But in his own time W B Masterson was a man a less than perfect creature subject to the same temptations and vices as his fellows albeit one who through circumstance and inclination led an exciting life in an exciting time and place As buffalo hunter army scout peace officer professional gambler sportsman promoter and newspaperman Masterson s career was stormy and

eventful Surprising to many readers will be the account of Masterson's career after his peace officer days during his employment as a sports writer and columnist The gun toting western peace officer reputed to have killed more men than Billy the Kid not so says DeArment spent his last years happily in New York City writing for a nationally known newspaper This book the product of more than twenty years of research separates fact from fiction to extricate the story of his life from the legend that has enmeshed it It is the most complete biography of Bat Masterson ever written *Doc Holliday* Matt Braun, 2012-05-22 Doc Holiday Matt Braun He came from the American South a gentleman by breeding a dentist by training a gambler by vocation But as Dr John H Holliday a man fleeing his tragic past drifted across the West living among some of the roughest men on the frontier word spread quickly he never walked away from a fight and he never drew too late Now from Dodge City to Denver and Cheyenne from boomtown to sinkholes Doc Holliday was driven by the demons of his past a skilled gambler and a seasoned mankiller his name was known and feared long before the O K Corral The story of a man who spoke softly and carried a lightning gun Doc Holliday is Matt Braun's extraordinary chronicle of the West's most complex and legendary figure Wyatt Earp's Cow-boy Campaign Chuck Hornung, 2016-04-27 What can be learned from another retelling of the Tombstone saga Recent revelations challenge the traditional view of Wyatt Earp's campaign against the Cow boy confederation as a bloody personal feud a la western fiction It was a seek and destroy mission sanctioned by the United States attorney general the U S marshal and the Arizona Territory governor following a year of corrupt law enforcement in league with the Cow boys livestock raids stagecoach holdups and other atrocities Presented in three sections this book establishes the major players involved in the convergence on Tombstone provides an account of Earp's activities during the 18 months prior to the final action and discusses the provenance and credibility of the Otero Letter Discovered in 2001 the letter believed to be written by New Mexico Territory Governor Miguel Otero offers evidence that Earp's party was given government aid The author examines the details of the letter including the shotgun dual between Earp and Curly Bill the split between Earp and Doc Holliday sanctuary for the Earp posse in Colorado and Holliday's extradition fight Earp's covert assault resulting in Johnny Ringo's death and the controversial courtship and marriage of Earp and Josephine Marcus

Tombstone Sean McLachlan, 2013-06-20 The Gunfight at the OK Corral on 26 October 1881 is one of the most enduring stories of the Old West It led to a series of violent incidents that culminated in the Vendetta Ride in which Wyatt Earp Doc Holliday and several other gunslingers went after their rivals the Cowboys Like most tales of the Wild West the facts are buried under layers of myth and the line between good guys and bad guys is blurry Wyatt Earp leader of the so called good guys was charged with stealing horses in the Indian Territory in 1870 and jumped bail Becoming a buffalo hunter and gambler he got into several scrapes and earned a reputation as a gunfighter Several times he helped lawmen arrest outlaws but usually his assistance came more because of a personal grudge against the criminal than any real respect for law and order He even got fired from a police job in Wichita for beating up a political rival *Westerns in a Changing America*,

1955-2000 R. Philip Loy, 2014-07-15 For many the Westerns of 1930 to 1955 were a defining part of American culture Those Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social relationships and behavior By 1955 however Westerns began to include more controversial themes cowardly citizens emotionally deranged characters graphic violence marital infidelity racial prejudice and rape among other issues This work examines the manner in which Westerns reflected the substantial social economic and political changes that shaped American culture in the latter half of the twentieth century Part One of this work considers shifting themes as the genre reacted to changes unfolding in the broader social landscape of American culture Part Two examines the manner in which images of cowboys outlaws lawmen American Indians and women changed in Westerns as the viewers were offered new understanding of the frontier experience

Effects of Drug Trafficking and Drug Abuse in the South Florida Community United States. Congress. House. Select Committee on Narcotics Abuse and Control, 1984 **Bull***T** Steven Elliott, 2015-01-07 Our beautiful World is full of lies Why Why do people feel such a desperate need to cling to lies untruths and fantasy Is the World not beautiful enough without filling it with falsehoods Over the centuries many men and women have written many thousands of books explaining and supporting lies In all fairness the majority of those authors have undoubtedly believed the lies of which they wrote But that does not excuse the pernicious spreading of lies I believe it is time that we came out of the dark and entered the light And I propose to do my bit to lift the veil through this small work Men and women have been permitted down the ages to spread lies and misinformation Am I not allowed to endeavor to spread some truth Texas Gunslingers Bill O'Neal, 2014-12-08 Images of America Texas Gunslingers presents the concept of Texas as the Gunfighter Capital of the West Indeed after the cowboy a Texas creation the most colorful and romanticized frontier figure is the gunfighter Nothing is more dramatic than life and death conflict and the image of men in big hats and boots brandishing six shooters and Winchesters has been portrayed in countless Western novels movies and television shows Texas made an enormous contribution to gunfighter lore Texas Rangers were responsible for the evolution of Sam Colts revolving pistol key weapon of gunfighters More shoot outs occurred in Texas than in any other state or territory More gunfighters were from Texas including kill crazy Wes Hardin and Killin Jim Miller the Wests premier assassin There were more blood feuds in Texas than in any other state Frequently gunplay erupted in towns such as Tascosa El Paso Fort Worth and Lampasas where four lawmen were killed in an 1873 saloon battle
