Nelson "Mac" McAlexander,2013-11 In a dream I had back in 1977 thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the

dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was writing a book titled God s Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2 17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it

George Scarlett,2006 Focuses on the developmental process of religion and spirituality across the human life span This encyclopedia joins a recent trend in research and scholarship aimed at better understanding the similarities and differences between world religions and spiritualities between expressions of the divine and between experiences of the transcendent *RED CLOUD SPEAKS-MY MISSION* Red Cloud,2015-12-02 Yes it is necessary to keep on spreading the teachings of Spiritualism even in Italy Throughout the centuries Spiritualism has always been hindered yet with different definitions from the one we use today it is the oldest movement known in the world it is always the same force of the Spirit that is in operation The philosophy of teachings like the ones you will find in this book reveals a true knowledge of the concept of God one that does not need intermediaries like churches or theology It reveals the bond of mediumship with God it brings back to us the instruments we need to reason on religiosity The demonstration mediumship gives us that life is eternal that the spirit and the soul are immortal has the purpose of bringing us back to the authentic knowledge of God as Jesus already did But Jesus Christ s teaching has been lost in many of its aspects by churches and by theology themselves The teachings of Spiritualism lead us to understand why each form of mediumship is a sacred gift at God s service always whose purpose is not only to prove us that life is eternal but also to make us aware that everything is in communion with God we are all part of the infinite Spirit of God The book is available with English text and Italian translation **Raising Christian Girls 101** Julianna Esther Cotterill,2021-12-16 For me growing up puberty sex education or hormones were topics that were rarely if ever spoken about in my home I had to learn about being a girl and all that that entails mostly on my own If that wasn t enough how about throwing in some strict Christian values into the mix while your hormones are going crazy all while trying to navigate sixth grade not fun That is what compelled me to write this book I wanted to talk about the tough topics and the real issues that our Christian girls are dealing with today like drugs alcohol bullying peer pressure etc Raising Christian Girls 101 was written in part as a guidebook that speaks from your young adolescent s all the way to your young adult s point of view so that you the parent or guardian will have a fuller understanding of what she is going through You will be guided with one foot in your shoe while the other is in hers Your daughter is changing let this precious time be an excellent opportunity to grow a bond that the world cannot break It is my prayer that this book be referenced for years and passed down for generations
