Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama *Love in Contemporary British Drama* reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love's compensatory function and precariousness and on how

modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present. Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love, the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned. **After In-Yer-Face Theatre** William C. Boles, 2020-04-29

This book revisits In Yer Face theatre, an explosive, energetic theatrical movement from the 1990s that introduced the world to playwrights Sarah Kane, Martin McDonagh, Mark Ravenhill, Jez Butterworth and many others. Split into three sections, the book re-examines the era, considers the movement's influence on international theatre and considers its lasting effects on contemporary British theatre. The first section offers new readings on works from that time period, Antony Neilson and Mark Ravenhill, as well as challenges myths created by the Royal Court Theatre about its involvement with In Yer Face theatre. The second section discusses the influence of In Yer Face on Portuguese, Russian and Australian theatre, while the final section discusses the legacy of In Yer Face writers as well as their influences on more recent playwrights, including chapters on Philip Ridley, Sarah Kane, Joe Penhall, Martin Crimp, Dennis Kelly and Verbatim Drama.

*Bestsellers: Popular Fiction Since 1900* Clive Bloom, 2022-01-03 This book charts the publishing industry and bestselling fiction from 1900, featuring a comprehensive list of all bestselling fiction titles in the UK. This third edition includes a new introduction which features additional information on current trends in reading, including the rise of Black, Asian and LGBTQIA publishing, the continuing importance of certain genres and up-to-date trends in publishing, bookselling, library borrowing and literacy. There are sections on writing for children, on the importance of audiobooks and book clubs, self-published bestsellers as well as many new entries to the present day, including bestselling authors such as David Walliams, Peter James, George R R Martin and far less well-known authors whose books sell in their thousands. This is the essential guide to best-selling books, authors, genres, publishing and bookselling since 1900, providing a unique insight into more than a century of entertainment and opening a window into the reading habits and social life of the British from the death of Queen Victoria to the Coronavirus Pandemic. [The Argumentative Theatre of Joe Penhall](#) William C. Boles, 2014-01-10 Of the many dynamic young playwrights to be associated with the In Yer Face burst of creative talent on the British stage in the mid-1990s, Joe Penhall has challenged Britain's status quo the most. Penhall believes his plays should constantly provoke and enrage, not only the institutions he targets but also his audience. This critical book discusses the argumentative nature of Penhall's plays while also placing them within the context of contemporary British society and the modern dramatic tradition. His eight plays are discussed in detail, and particular attention is paid to male identity, the nature of grief, the variety of female domestic drama and the role of autobiography in his work.
