"Good afternoon, stud muffin!
Remember, life's too short for
boring afternoons, so let's spice
it up with some laughs and

Short Afternoons:

Short Stories for a Rainy Afternoon Cordelia E. Loughheed, 2009-11 As her husband Western artist Robert Loughheed painted throughout the southwest the author would compose short stories based on their travels **Pre-Senior/Senior Survival Guide** George Konar, 2015-10-26 The following pages act as a guide in the transition process from afternoon to night with thought given to the evening in between The following pages are also a collection of situations dialogue and thoughts with some attitude added here and there Not a coffee table book or bathroom read but instead meant for reference present and future Perhaps even a convenient guide during a period of difficulty or indecisiveness Hoping It Might Be So Kit Wright, 2011-11-03 Hoping It Might Be So brings together all of Kit Wright's previous collections for adults as well as three dozen new poems The collection first published in 2000 was described by Christina Patterson in the Sunday Times as funny and profoundly humane and by Sophie Hannah in the PN Review as full of verve and energy with a strong musical quality that makes you want to read on and hear more Sean O'Brien in the Times Literary Supplement described Kit Wright as a masterly yet modest poet while Ruth Padel in the Independent on Sunday said that all through his work there is that poignancy darkness brush with despair which marks great comic work The poet Anthony Wilson said that Wright can be funny serious and moving and sometimes all three in the space of a single poem Hoping It Might Be So is a rewarding collection from an interesting prolific and lively poet whose poems range from ribald to grief stricken elegiac to rambunctious Afternoons with Puppy Aubrey H. Fine, Cynthia J. Eisen, 2008 Afternoons with Puppy is a heartwarming account of dynamic relationships and outcomes involving a therapist his therapy animals and his patients over the course of almost two decades Afternoons with Puppy is a narrative of Dr Fine's experiences and the growing respect for the power of the animals effect on his patients and himself This book documents some of the magnificent discoveries that Dr Fine has witnessed and made over the past few decades working with these animals and showing how the reader can apply these observations and discoveries to their lives The authors illustrate the deeper and more fundamental elements of life found in our bonds with animals more at ease but still reserved As we sit and talk Hart therapy dog sits close to her chair At one point in our session Sarah's reserve finally crumbles Pushing up her left sleeve she shows me her scars As she lowers her arm Sarah notices that Hart's eyes are fixed on that arm At that moment Hart lifts her gaze from the arm and connects with Sarah's eyes Hart then looks over at me With an expression on her face that I can only call puzzled Hart looks back at Sarah and then Hart lowers her head and begins to lick the scars Sarah is startled for a moment but then sits quietly as Hart continues to lick the wounds Finally she bends over Hart and holds her close *The Cornkister Days* David Kerr Cameron, 2016-02-19 A detailed look at the lives of the Scottish tenant farmers and laborers who worked the land from the late 1700s to the early 1900s With a knowledge and a skill that reveals his passion for the land and its people David Kerr Cameron picks his way through the rural upheavals and developments of the late eighteenth and early nineteenth centuries

towards the landscape we recognize today In doing so he provides a wide sweeping and unforgettable view of our rural history and completes his great rural trilogy portraying the old farming landscapes of Scotland s North East Lowlands Both nostalgia and great understanding are revealed as the author recalls a society based on the plough a society that moved against the tapestry of the year This was the backcloth against which the farmtoun folk lived out their days its seasons and rituals governed their lives and ultimately their destinies Here now is that story the story of a landscape all but lost before the onward march of agri business and agri technology The days recalled are the days of the Clydesdale horse and the hired man the cottar and crofter the farmtoun tenant and his laird Praise for The Cornkister Days Here you can smell the tang of the soil and hear the jingle of the harness Cameron takes his place among the great Scottish writers of the last century Jack Webster *Behind Closed Doors* Lora Kristoff,2019-09-06 This is one couple s journey presented as a diary along the winding trail of Alzheimer s The unexpected twists and turns provided as Esther Hicks Abraham puts it considerable contrast Each were viewed as an opportunity to learn grow and problem solve Walk with them along the path *My People's Prayer Book: Welcoming the night: Minchah and Ma'ariv (afternoon and evening prayer)* Lawrence A. Hoffman,1997 This volume of the My People s Prayer Book series underscores the mystery of the twilight moments and the opportunity for insight that they bring **Shorter Workday on Saturday for Postal Employees. Hearing February 12 and 13, 19301930. (71-2).** United States. Congress. House. Committee on the post office & post roads,1930 **The Later Life** Louis Couperus,1915 **The Complete Works of E. F.
