N Noddings

Short History Of Communism:

A Short History of Chinese Communism Franklin W. Houn, 1967 Examines the economic cultural and social policies of the Peking regime since 1949

A Short History of Communism Robert Harvey, 2014-12-23 Today global communism seems just a terrible memory an expressionist nightmare as horrific as Nazism and the Holocaust or the slaughter in the First World War Was it only just over a decade ago that stone faced old men were still presiding over workers paradises in the name of the people while hundreds of millions endured grinding poverty under a system of mind controlling servitude which did not hesitate to murder and imprison whole populations in the cause of progress Or that the world seemed under threat from revolutionary hordes engulfing one country after another backed by a vast military machine and the threat of nuclear annihilation In the 1970s with the fall of South Vietnam Cambodia and Laos the march of Marxism Leninism across the world seemed irresistible Less than two decades later the experiment had collapsed leaving perhaps 100 million dead as well as economic devastation spanning continents Even China now increasingly embraces free market economics Only in a few backwaters does communism endure as obsolete as rust belt industry This book is the first global narrative history of that defining human experience It weighs up the balance sheet why did communism occur largely in countries wrenched from feudalism or colonialism to twentieth century modernism rather than as Marx had predicted in developed countries groaning under the weight of a parasitic middle class Were coercion and state planning in fact the only way forward for backward countries What was the explanation for its appeal not least among many highly intelligent observers in the West Why did it grow so fast and collapse with such startling suddenness A Short History of Communism sets out the whole epic story for the first time a panorama of human idealism cruelty suffering and courage and provides an intriguing new analysis

A Short History of Communism Robert Harvey,

A Short History Of Soviet Socialism Mark Sandle, 2003-09-16 Mark Sandle is Lecturer in Russian and East European History at De Montfort University This book is intended for undergraduate courses on 20th century Soviet history the Cold War European history Soviet studies History of political thought Marxism Leninism The Left

A Short History of Communism Martin Greenberg, 1964

A Short History of Socialism George Lichtheim, 1970

A Short History of Communism in Asia Malcolm Duncan Kennedy, 1957

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

Communism Mark Sandle, 2014-06-06 Why did communism grow so quickly Why did it spread to turn almost half of the world red by the mid 1970s What impact did it have upon capitalism and capitalist society Communism is a concise introduction to one of the most important and influential movements of the 20th century It shows how the modern communist movement emerged out of radical millenarian movements of the Middle Ages and the English

Civil War becoming a mass movement of industrial society seeking to overturn capitalism and replace it with a society of equality justice harmony and co operation It traces the growth of modern communism from its beginnings in the early nineteenth century to its position of global power at the end of the Second World War Mark Sandle investigates the ultimate failure of communism as a political ideology and concludes by asking how far the historical record of communism has been used to conceal the historical record of capitalism Ideal for courses in both History and Politics

History Of The International: World Socialism 1943-1968 Julius Braunthal, 2019-03-20 With this volume the history of the first century of the International reaches its conclusion Originally I had intended that the trilogy would come to a close with the centenary of the founding of the First International in September 1964 But before I could finish writing the third volume the tragedy of the Communist revolution in Czechoslovakia had played itself out The Spring of Prague of 1968 having set in motion a process of change from a Communist dictatorship to a Socialist democracy was followed within a few months by the invasion of the armies of the five Warsaw Pact powers to forestall reformation in Czechoslovakia Both revolution and counter revolution were events of the utmost significance for the history of Socialism the revolution for showing that it was possible for a Communist system of totalitarian dictatorship to be transformed without resort to force and the counter revolution for showing how the regime in the Soviet Union has remained essentially unaltered since Stalin's death The invasion of Czechoslovakia brutally called in question any optimistic perspective of development within the Soviet Union itself

The Jews in Poland and Russia: A Short History Antony Polonsky, 2013-09-26 A very readable and comprehensive overview that examines the realities of Jewish life while setting them in their political economic and social contexts [A History of the Chinese Communist Party](#) Stephen Uhalley, 1988

A Short History of Revolutionary Cuba Antoni Kapcia, 2020-12-24 Few island nations have stirred the soul like Cuba From Hemingway's intoxicating Havana to Ry Cooder's Buena Vista Social Club outsiders have persistently been fascinated by Cuba for its music jazz to rumba its rich literature its art and dance danz n to mambo and perhaps above all for its bold experiment of a socialist revolution in action Antoni Kapcia shows how the thaw in relations between Cuba and the USA now makes a fresh appraisal of the country and its modern history essential He authoritatively explores the essence of the Cuban revolution revealing it to be a maverick phenomenon tied not so much to socialism or Communism for their own sakes but instead to an idealistic vision of postcolonial nationalism Reassessing the Cuban Missile Crisis of 1962 the author examines the central personalities not just the famous trio of Che Guevara Fidel and Ra l Castro in shaping the ideas of the revolution but still further back the visionary ideology of Jos Mart Kapcia's book reflects on the future of the revolution as a l nd his government began to cede power to a new generation

The Reds Stuart Macintyre, 1999-09-01 The only large scale comprehensive account of an intriguing part of Australia's past In 1920 26 men and women met in a dingy hall in Sydney to create a new political party They expected the overthrow of capitalism and the emancipation of humanity here and all around the world Two decades later when Australia joined the Second World War

the Commonwealth government suppressed the Communist Party of Australia The handful of idealists and dissidents had become a political force powerful enough in the view of the authorities to pose a threat to national security The Communist Party was a major part of Australia s political landscape for more than half a century It came to control many of the country s largest trade unions Through its supporters the Party influenced social movements and much of Australia s cultural life It became the target of sustained surveillance and penetration by state police and federal security agencies It retains the attention of many despite the revelations of the post Cold War era Full of fascinating characters and incidents Stuart Macintyre s history is the first comprehensive account of Australian communism This is a masterful book Tom Sheridan Academy of Social Sciences Newsletter This fascinating remembrance of the first two decades of the Communist Party of Australia is both erudite and infused with moral vision a combination of courage impeccable judgement and assiduous research Ross Fitzgerald Australian Book Review

A Short History of Chinese Communism, Completely Updated Fu-wu Hou,1973-01-01

A Short History of the French Revolution, 1789-1799 Albert Soboul,1977-07-22 A Marxist analysis of the causes and course of the French Revolution argues that it can be understood on all levels only in terms of class struggle

Modern Indian History VD Mahajan,2022-01-03 Written in an easy to understand language this informative and well written textbook provides an interpretive and comprehensive account of the history of modern India from 1707 to the present day Organised into 44 chapters in two parts the textbook commences with a discussion on the decline and disintegration of the Mughal Empire and walks us through the advent of Europeans and the phases of British imperialism It also provides a detailed discussion on the important aspects of Indian National Movement introducing contributions of prominent leaders of the Movement It is fortified with questions at the end of each chapter to help students prepare for the examinations Besides the students of History and Law this textbook would also be of immense value to the aspirants of various competitive examinations especially IAS PCS and NET

A Short History of Chinese Communism Franklin Willington HOUN,1967

A Short History of Beijing Jonathan Clements,2022-07-26 A guide to the history of China s capital from before its rise to prominence as the seat of empires to the 2022 Winter Olympics Before China s capital became a sprawling megacity and international center of business and culture its fortunes fluctuated under a dozen dynasties It has been a capital for several states including those headed by Mongolian chiefs and the glorious Ming emperors whose tombs can still be found on its outskirts And before all that it was a campsite for primitive hominids known as the Peking Man A Short History of Beijing tells the story of this remarkable city from its more famous residents Khubilai Khan Marco Polo and Chairman Mao right up to the twenty first century as modern construction wiped out so much of the old city to make way for its twenty million strong population Through his timely and intimate portrait of the world s most populous capital city Jonathan Clements reveals the history of China itself

A Short History of Europe Simon Jenkins,2018-11-08 Discover the history of Europe from the Dark Ages to present day by the author of the bestselling A Short History of England Europe is an

astonishingly successful place But it would take volumes to tell its story right Wrong From warring peoples to peace wealth and freedom Andrew Jenkins distils its evolution into this short single volume history From Greece and Rome through the French Revolution to the Second World War and modern times Taking in leaders such as Julius Caesar Joan of Arc Wellington and Angela Merkel Sharing stories of cultural figures like Aristotle Shakespeare and Picasso Jenkins brings together the transformative forces and dominant eras into one chronological tale all with his insight colour and authority
