Rutherford, Jeannie Sowers, 2018-09-12 With almost every news broadcast we are reminded of the continuing instability of the Middle East where state collapse civil wars and terrorism have combined to produce a region in turmoil If the Middle East is to achieve a more stable and prosperous future Egypt which possesses the region s largest population a formidable military and considerable soft power must play a central role Modern Egypt What Everyone Needs to Know by Bruce Rutherford and Jeannie Sowers introduces readers to this influential country The book begins with the 2011 2012 uprising that captured the world's attention before turning to an overview of modern Egyptian history. The book then focuses on present day Egyptian politics society demography culture and religion It analyzes Egypt's core problems including deepening authoritarianism high unemployment widespread poverty rapid population growth and pollution The book then

concentrates on Egypt's relations with the United States Israel Arab states and other world powers Modern Egypt concludes by assessing the country's ongoing challenges and suggesting strategies for addressing them Concise yet sweeping in coverage the book provides the essential background for understanding this fascinating country and its potential to shape the future of the Middle East An Introduction to the Modern Middle East David S. Sorenson, 2018-05-04 Combining elements of comparative politics with a country by country analysis author David S Sorenson provides a complete and accessible introduction to the modern Middle East With an emphasis on the politics of the region the text also dedicates chapters specifically to the history religions and economies of countries in the Persian Arabian Gulf the Eastern Mediterranean and North Africa In each country chapter a brief political history is followed by discussions of democratization religious politics women s issues civil society economic development privatization and foreign relations In this updated and revised second edition An Introduction to the Modern Middle East includes new material on the Arab Spring the changes in Turkish politics the Iranian nuclear issues and the latest efforts to resolve the Israeli Palestinian dilemma Introductory chapters provide an important thematic overview for each of the book s individual country chapters and short vignettes throughout the book offer readers a chance for personal reflection A Brief History of Egypt Arthur Goldschmidt, 2008 Chronicles the history of Egyptian politics economics social and cultural developments from ancient times to the present Independence to Revolution, 1919-1952 Selma Botman, 1991-10-01 This text offers an interpretation of Egypt's so called liberal era and an understanding of contemporary Egyptian society It analyses both mainstream and conventional political and social forces and political activism among people from widely differing backgrounds Historical Dictionary of Egypt Arthur Goldschmidt, Jr., 2023-07-25 Egypt is the world's oldest continuous country with a recorded past of over 6 000 years Often invaded conquered and occupied by foreign armies Egypt has never lost its identity The Egyptians of today although they have changed their language once and their religion twice descend mainly from the Egyptians who built the Giza Pyramids and the Temple of Karnak who served Alexander the Great and his heirs who submitted to Augustus Caesar and raised much of the grain that fed the Roman Empire who started Christian monasticism and the veneration of the Virgin Mary and who advanced and sustained Muslim learning in what is now the world soldest functioning university. It was and is one of the most important countries in the world Historical Dictionary of Egypt Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 600 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Egypt Napoleon's Egypt Juan Cole,2007-08-07 Publisher description The Idealist Samuel Zipp, 2020-03-10 Winner of the Robert H Ferrell Book Prize The Idealist is a powerful book gorgeously written and consistently insightful Samuel Zipp uses the 1942 world tour of Wendell Willkie to examine American attitudes toward internationalism decolonization and race in the febrile atmosphere of

the world's first truly global conflict Andrew Preston author of Sword of the Spirit Shield of Faith A dramatic account of the plane journey undertaken by businessman turned maverick internationalist Wendell Willkie to rally US allies to the war effort Willkie's tour of a planet shrunk by aviation and war inspired him to challenge Americans to fight a rising tide of nationalism at home In August 1942 as the threat of fascism swept the world a charismatic Republican presidential contender boarded the Gulliver at Mitchel Airfield for a seven week journey around the world Wendell Willkie covered 31 000 miles as President Roosevelt's unofficial envoy He visited the battlefront in North Africa with General Montgomery debated a frosty de Gaulle in Beirut almost failed to deliver a letter to Stalin in Moscow and allowed himself to be seduced by Chiang Kai shek in China Through it all he was struck by the insistent demands for freedom across the world In One World the runaway bestseller he published on his return Willkie challenged Americans to resist the America first doctrine espoused by the war s domestic opponents and warned of the dangers of narrow nationalism He urged his fellow citizens to end colonialism and embrace equality of opportunity for every race and every nation With his radio broadcasts regularly drawing over 30 million listeners he was able to reach Americans directly in their homes His call for a more equitable and interconnected world electrified the nation until he was silenced abruptly by a series of heart attacks in 1944 With his death America lost its most effective globalist the man FDR referred to as Private Citizen Number One At a time when America first is again a rallying cry Willkie s message is at once chastening and inspiring a reminder that one world is more than a matter of supply chains and Chronicles of the Egyptian Revolution and its economics and that racism and nationalism have long been intertwined Aftermath: 2011-2016 M. Cherif Bassiouni, 2016-11-08 This book is about the Egyptian people s 2011 Revolution for freedom justice and human dignity and its aftermath The Revolution succeeded in toppling the authoritarian Mubarak regime in less than three weeks It was then co opted by the Muslim Brotherhood through Egypt's first free and fair elections in 2012 which was in turn crushed in 2013 by a popularly supported military regime whose practices of repression negatively impacted the justice system and human rights The problems facing the country and its people are daunting particularly economic demographic and social pressures The contextual analysis of these and other historic and contemporary issues give the reader a comprehensive understanding of what has occurred in the last five years and an insight into where the country is heading Even though the Revolution has been suppressed and the promise of democracy shunted aside the majority of the Egyptian people continue to hope for the unachieved dreams of social justice human dignity and freedom Egypt s geopolitical importance makes it indispensable to the stability of the Middle East and thus important to the world **Encyclopedia of Historians and Historical Writing** Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like J rgen Habermas and Clifford Geertz whose

theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies The Rough Guide History of Egypt Michael Haag,2003 The Rough Guide Chronicle charts Egypt s remarkable history with a five millennia timeline together with sidebars focussing on significant figures from Cheops to Nasser and on topics including irrigation monasticism Egyptian movies popular music and the Suez crisis
