Short History Of Anglo Irish Literature:

Short History of Anglo-Irish Literature from Its Origins to the Present Day Roger Joseph McHugh, Maurice Harmon, 1982 *A Short History of Irish Literature* Seamus Deane, 1994 Seamus Deane one of Ireland's most important critics assesses here the place of literature in a colonial or neo colonial culture like ours where the naming of the territory has always been a politically charged act The force of Deane's *A Short History of Irish Literature* derives precisely from his naming of the territory With insight erudition and a razor keen style he locates Irish writers within the island's traumatic history His aim is to show how literature has been inescapably allied with historical interpretation and with political allegiance *Irish Literature* Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **A New History of Ireland, Volume VI** W. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the

most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Charles Stewart Parnell and His Times N. C. Fleming, Alan O'Day, 2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in The Times and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the Nation Parnell has been the subject of court cases parliamentary enquiries and debates journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell s writing Parnell s speeches in the House

of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in doing so offers resources to future research in this area *Acts of supremacy* J. S. Bratton, Richard Cave, Brendan Gregory, Michael Pickering, 2021-06-15

Imperialist discourse interacted with regional and class discourses Imperialism's incorporation of Welsh Scots and Irish identities was both necessary to its own success and one of its most powerful functions in terms of the control of British society Most cultures have a place for the concept of heroism and for the heroic figure in narrative fiction stage heroes are part of the drama's definition of self the exploration and understanding of personal identity Theatrical and quasi theatrical presentations whether in music hall clubroom Shakespeare Memorial Theatre or the streets and ceremonial spaces of the capital contributed to that much discussed national mood This book examines the theatre as the locus for nineteenth century discourses of power and the use of stereotype in productions of the Shakespearean history canon It discusses the development of the working class and naval hero myth of Jack Tar the portrayal of Ireland and the Irish and the portrayal of British India on the spectacular exhibition stage The racial implications of the ubiquitous black face minstrelsy are focused upon The ideology cluster which made up the imperial mindset had the capacity to re arrange and re interpret history and to influence the portrayal of the tragic or comic potential of personal dilemmas Though the British may have prided themselves on having preceded America in the abolition of slavery and thus outpacing Brother Jonathan in humanitarian philanthropy abnegation of hierarchisation and the acceptance of equality of status between black and white ethnic groups was not part of that achievement **Oscar Wilde in Vienna** Sandra Mayer, 2018-07-17 Oscar Wilde in Vienna is the first book length study in English of the reception of Oscar Wilde's works in the German speaking world Charting the plays history on Viennese stages between 1903 and 2013 it casts a spotlight on the international reputation of one of the most popular English language writers while contributing to Austrian cultural history in the long twentieth century Drawing on extensive archival material the book examines the appropriation of Wilde's plays against the background of political crises and social transformations It unravels the mechanisms of cultural transfer and canonisation within an environment positioned like Wilde himself at the crossroads of centre and periphery tradition and modernity *The Faiths of Oscar Wilde* J. Killeen, 2005-10-20

An original and energetic examination of the relationship between theology faith religious history and national politics in the works of Oscar Wilde which focuses in particular on his life long attraction to Catholicism Wilde's Protestant heritage is also scrutinised and its continued influence on him as well as his antagonism towards it is related to the narrative modes he chose and the philosophical positions he adopted **Kate O'Brien and Spanish Literary Culture** Jane Davison, 2017-10-18 One of the most important Irish novelists of the twentieth century Kate O'Brien 1897-1974 was also a pioneer of women's writing In a career that spanned almost fifty years nine novels nine plays two travelogues and copious criticism O'Brien rebelled

against the narrow nationalism and restrictive Catholicism prevalent in independent Ireland In this highly original approach to O'Brien's work Davison traces the influence of three leading Spanish writers Jacinto Benavente Miguel de Cervantes and Teresa of Avila O'Brien's lifelong fascination with Spanish literature and culture offered an oblique way of resisting the Catholic and conservative imperatives of the Irish Free State In a series of close comparative readings Davison identifies the origin of O'Brien's creative disinhibition and ultimately situates her within a tradition of dissident Irish women writers

Protestant Women Novelists and Irish Society 1879-1922 Lisbet Kickham, 2004 Reviews a great number of novels by Anglo Irish women novelists that with few exceptions have attracted little attention from contemporary and modern literary critics The main focus is on the literature and its society The disposition of this study reflects the areas of contention experienced by the Anglo Irish of the period Chapter 1 Land and Politics deals with the Anglo Irish landlords and their families Chapter 2 is devoted to different aspects of religion Chapter 3 Race discusses the Celt and his presumed characteristics The other race the English will get some attention as will the Protestant Anglo Irish themselves Chapter 4 focuses on this new ruling class the new Irish A brief conclusion follows **Industry, Trade and People in Ireland, 1650-1950** W. H. Crawford, 2005 Bill Crawford had played a key role in the development of Irish economic social and regional history for over forty years The essays in this book are testimony to his many spheres of influence as teacher archivist curator researcher and writer and focus on the themes in which Bill himself has been most interested the relations between town and countryside the linen industry and trade land and population His innovative use of historical sources extensive scholarship many publications and the enthusiasm for research which he imparts to so many people are acknowledged in this wide ranging volume
