English Radicalism (1935-1961) S. Maccoby, 2019-03-13 This is volume 6 of the set English Radicalism 1935 1961 Reissuing the epic undertaking of Dr S Maccoby these volumes cover the story of English Radicalism from its origins right through to its questionable end By Combining new sources with the old and often long forgotten the volumes provide an impressive history of radicalism and shed light on the course of English political development The six volumes are arranged chronologically from 1762 through to the perceived end of British Radicalism in the mid twentieth century

Historical Dictionary of Socialism James C. Docherty, Peter Lamb, 2006-10-02 Primarily concerned with the historical roots and contemporary condition of socialism the second edition of the Historical Dictionary of Socialism offers information on writers

activists ideas political parties institutions and movements that sought and in many cases are still seeking to change the social and political order It reflects the diversity in the broad movement of the left the many variants of which include reformist social democracy revolutionary Marxism the New Left and contemporary anti capitalism Taking up where the first edition left off this thoroughly revised dictionary shows how socialism has been reacting reforming and also expanding This is done through a chronology a list of acronyms and abbreviations an introductory essay a bibliography and a cross referenced dictionary section with 114 new entries some on the current leadership others on the many new parties of Central and Eastern Europe and the Third World and yet others on the reaction to globalization This book will provide a mine of information for teachers and students of political ideologies comparative politics political sociology labor history and political theory

Brick Bonds: A Life in Britain's Building Trade, 1902-1987 Roger Hansford, 2019-07-16 Despite recent academic interest in oral history and working class writing few other autobiographies reveal daily life for early twentieth century itinerant gasworks bricklayers or retort setters Charles Hansford recounts constructing his own home single handedly aged twenty one describes economic privations and poor weather conditions Brick Bonds documents his relationships with fellow workers and specific building techniques they used a bond is a brick laying pattern His personal memories of enemy action in wartime working class social and leisure pursuits in London the 1924 National Building Strike and notable ships like Titanic and Bismarck are set into historical context Hansford reveals an evolving class awareness and trade union activism a declared Socialist he readily left building sites in protest even into the 1970s His career encompassed Fawley Refinery Royal Netley War Hospital British Overseas Airways Company flying boat bases and Harrods store in London

Speaking for the People Jon Lawrence, 2002-05-09 Speaking for the People first published in 1998 draws our attention to the problematic nature of politicians claims to represent others and in doing so it challenges conventional ideas about both the rise of class politics and the triumph of party between 1867 and 1914 The book emphasises the strongly gendered nature of party politics before the First World War and suggests that historians have greatly underestimated the continuing importance of the politics of place Most importantly however Speaking for the People argues that we must break away from teleological notions such as the modernisation of politics the taming of the popular or the rise of class Only then will we understand the shifting currents of popular politics Speaking for the People represents a major challenge to the ways in which historians and political scientists have studied the interaction between party politics and popular political cultures
