When It Is Your Season, It Is Your Season D. Previn Carr, 2024-01-18 When it is time for God to execute the plan He has for your life He will orchestrate events move circumstances and implore people to act and to align with the plan He has for your life There is a destiny that God has for you and He is making sure that every event every circumstance every situation and everyone involved in your life are all working together so that when it is all said and done you will be exactly what God wants you to be This book gives you a picture that while Jesse and his sons were at the party that God told Samuel put together David was out in the field tending to his father's sheep Jesse proudly brought his seven sons before Samuel in hopes that one of them would be chosen as the next king of Israel Samuel looked at each one of his seven sons and even though they fit the external profile of a king God told Samuel that the external appearance was not what identified them as king There was one more the eighth son that has the internal approval to be king The one who was rejected was now the one who had to be retrieved as the candidate for the anointed presence of God David represented the number of new beginnings As the eighth son he would bring something new to the nation of Israel Saul was the people's king but David was God's king and God wanted to do something new and different for the nation of Israel Even though things appear not to be going your way one thing is for sure God is not shaken by the rejection of His people His plans will still be fulfilled whether the people want to be a part of it or just sit on the sideline to observe it God will show Himself faithful no matter what it appears Now that God has chosen you you are now ready for the next season dimension and level of your life Now you do not have to be worried about your past because God has already examined and inspected your life He has chosen you to move forward so that now His presence can be in your life and you will be the example and testimony to others that when it is your season it is your season
