LOST LEMON MINE

*According to legend, the legendary
miner who discovered it was a man of
great wealth and power.*

In the early 1900s, a man named
James W. Wadsworth, who had been
working in the area for many years,
discovered a large deposit of silver
and gold. He was the first to
discover it, and he was the first to
mine it. He was the first to mine it,
and he was the first to mine it.

The mine was named after the
legendary miner who discovered it.
It was named after the man who
discovered it, and it was named
after the man who discovered it.

James W. Wadsworth was the first
to discover it, and he was the first
to mine it. He was the first to mine
it, and he was the first to mine it.

He was the first to mine it, and he
was the first to mine it. He was the
first to mine it, and he was the first
to mine it.
