Mexican Frontier 1821 1846 The American Southwest Under Mexico:

The Mexican Frontier, 1821-1846 David J. Weber, 1989 Mexicanos, Second Edition Manuel G. Gonzales, 2009-08-20

Newly revised and updated *Mexicanos* tells the rich and vibrant story of Mexicans in the United States Emerging from the ruins of Aztec civilization and from centuries of Spanish contact with indigenous people Mexican culture followed the Spanish colonial frontier northward and put its distinctive mark on what became the southwestern United States Shaped by their Indian and Spanish ancestors deeply influenced by Catholicism and tempered by an often difficult existence Mexicans continue to play an important role in U S society even as the dominant Anglo culture strives to assimilate them Thorough and balanced *Mexicanos* makes a valuable contribution to the understanding of the Mexican population of the United States a growing minority who are a vital presence in 21st century America **Americans at War** James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank *Americans at War* addresses this imbalance between officers accounts and enlisted men s accounts by invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat

Catarino Garza's Revolution on the Texas-Mexico Border Elliott Young, 2004-07-26 Uses the Garza rebellion on the Texas Mexico border to analyze economic and social change in this region internationalizing U S history with its examination of a transborder area within the larger histories of Mexico and the United States Contemporary Ethnic Geographies in America Christopher A. Airriess, 2015-09-28 Ethnic diversity has marked the United States from its inception and it is impossible to separate ethnicity from an understanding of the United States as a country and Americans as a people Since the 1965 Immigration and Nationality Act the United States has experienced watershed transformations in its social cultural and ethnic geographies Considering the impact of these wide ranging changes this unique text examines the experiences of a range of ethnic groups in both historical and contemporary context It begins by laying out a comprehensive conceptual framework that integrates immigration theory globalization transnational community formation and urban cultural and economic geography The contributors then present a rich set of case studies of the key Latin American Asian American and Middle Eastern communities comprising the vast majority of newer immigrants Each case offers a brief historical overview of

the group's immigration experience and settlement patterns and discusses its contemporary socioeconomic dynamics All these communities have transformed and been transformed by the places in which they have settled Exploring these changing communities places and landscapes this book offers a nuanced understanding of the evolution of America's contemporary ethnic geographies [A New Significance](#), 1996

Imperialism and Expansionism in American History Chris J. Magoc, David Bernstein, 2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America's imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation's involvement in the World Wars The work also offers extensive coverage of the Cold War and today's ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works

Telling New Mexico Marta Weigle, Frances Levine, Louise Stiver, 2009-02-16 This extensive volume presents New Mexico history from its prehistoric beginnings to the present in essays and articles by fifty prominent historians and scholars representing various disciplines including history anthropology Native American studies and Chicano studies Contributors include Rick Hendricks John L Kessell Peter Iverson Rina Swentzell Sylvia Rodriguez William deBuys Robert J T rrez Malcolm Ebright Herman Agoyo and Paula Gunn Allen among many others

Till Death Do Us Part Allan Amanik, Kami Fletcher, 2020-03-18 Contributions by Allan Amanik Kelly B Arehart Sue Fawn Chung Kami Fletcher Rosina Hassoun James S Pula Jeffrey E Smith and Martina Will de Chaparro Till Death Do Us Part American Ethnic Cemeteries as Borders Uncrossed explores the tendency among most Americans to separate their dead along communal lines rooted in race faith ethnicity or social standing and asks what a deeper exploration of that phenomenon can tell us about American history more broadly Comparative in scope and regionally diverse chapters look to immigrants communities of color the colonized the enslaved rich and poor and religious minorities as they buried kith and kin in locales spanning the Northeast to the Spanish American Southwest Whether African Americans Muslim or Christian Arabs Indians mestizos Chinese Jews Poles Catholics Protestants or various whites of European descent one thing that united these Americans was a drive to keep their dead apart At times they did so for internal preference At others it was

a function of external prejudice Invisible and institutional borders built around and into ethnic cemeteries also tell a powerful story of the ways in which Americans have negotiated race culture class national origin and religious difference in the United States during its formative centuries **Mongrels, Bastards, Orphans, and Vagabonds** Gregory Rodriguez,2008-10-14

An unprecedented account of the long term cultural and political influences that Mexican Americans will have on the collective character of our nation In considering the largest immigrant group in American history Gregory Rodriguez examines the complexities of its heritage and of the racial and cultural synthesis mestizaje that has defined the Mexican people since the Spanish conquest in the sixteenth century He persuasively argues that the rapidly expanding Mexican American integration into the mainstream is changing not only how Americans think about race but also how we envision our nation Brilliantly reasoned highly thought provoking and as historically sound as it is anecdotally rich Mongrels Bastards Orphans and Vagabonds is a major contribution to the discussion of the cultural and political future of the United States

Private Women, Public Lives Bárbara O. Reyes,2010-01-01 Through the lives and works of three women in colonial California B rbara O Reyes examines frontier mission social spaces and their relationship to the creation of gendered colonial relations in the Californias She explores the function of missions and missionaries in establishing hierarchies of power and in defining gendered spaces and roles and looks at the ways that women challenged and attempted to modify the construction of those hierarchies roles and spaces Reyes studies the criminal inquiry and depositions of Barbara Gandiaga an Indian woman charged with conspiracy to murder two priests at her mission the divorce petition of Eulalia Callis the first lady of colonial California who petitioned for divorce from her adulterous governor husband and the testimonio of Eulalia P rez the head housekeeper at Mission San Gabriel who acquired a position of significant authority and responsibility but whose work has not been properly recognized These three women s voices seem to reach across time and place calling for additional more complex analysis and questions Could women have agency in the colonial Californias Did the social structures or colonial processes in place in the frontier setting of New Spain confine or limit them in particular gendered ways And were gender dynamics in colonial California explicitly rigid as a result of the imperatives of the goals of colonization **Apache**

Adaptation to Hispanic Rule Matthew Babcock,2016-09-26 As a definitive study of the poorly understood Apaches de paz this book explains how war weary mutually suspicious Apaches and Spaniards negotiated an ambivalent compromise after 1786 that produced over four decades of uneasy peace across the region In response to drought and military pressure thousands of Apaches settled near Spanish presidios in a system of reservation like establecimientos or settlements stretching from Laredo to Tucson Far more significant than previously assumed the establecimientos constituted the earliest and most extensive set of military run reservations in the Americas and served as an important precedent for Indian reservations in the United States As a case study of indigenous adaptation to imperial power on colonial frontiers and borderlands this book reveals the importance of Apache Hispanic diplomacy in reducing cross cultural violence and the limits

of indigenous acculturation and assimilation into empires and states Handbook Of Research On The International Relations Of Latin America And The Caribbean G. Pope Atkins, 2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private **Discovering Texas History** Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 The most comprehensive and up to date guide to Texas historiography of the past quarter century this volume of original essays will be an invaluable resource and definitive reference for teachers students and researchers of Texas history Conceived as a follow up to the award winning A Guide to the History of Texas 1988 Discovering Texas History focuses on the major trends in the study of Texas history since 1990 In two sections arranged topically and chronologically some of the most prominent authors in the field survey the major works and most significant interpretations in the historical literature Topical essays take up historical themes ranging from Native Americans Mexican Americans African Americans and women in Texas to European immigrant history literature the visual arts and music in the state and urban and military history Chronological essays cover the full span of Texas historiography from the Spanish era through the Civil War to the Progressive Era and World Wars I and II and finally to the early twenty first century Critical commentary on particular books and articles is the unifying purpose of these contributions whose authors focus on analyzing and summarizing the subjects that have captured the attention of professional historians in recent years Together the essays gathered here will constitute the standard reference on Texas historiography for years to come guiding readers and researchers to future ever deeper discoveries in the history of Texas *Copper Mining in Santa Rita, New Mexico, 1801-1838* Helen J. Lundwall, Terrence M. Humble, 2012 Santa Rita del Cobre is the story of the formative years 1801 1838 of a remarkable mine in southwestern New Mexico that has produced copper for more than 200 years Records of the Spanish Colonial and early Mexican period have yielded intriguing accounts of the people involved in the early development of the mines the difficulties they encountered along the way and the importance of this small settlement to the history of the frontier Although the Santa Rita mines produced a fortune to the few men willing or able to invest money in their development it was always a difficult and hazardous undertaking Apaches who inhabited much of southern New Mexico and Arizona at that time created many problems for the miners They had a strong influence over the success or failure of the Santa Rita mining operation At times

the hostility and depredations of these Indians overshadowed the remarkable success of the mines Santa Rita was the center for military operations against the Apaches and was referred to as the watchtower and guardian of the western frontier

Beyond Nations John R. Chavez, 2009-06-29 Beyond Nations traces the evolution of peripheral ethnic homelands around the North Atlantic from before transoceanic contact to their current standing in the world political system For example Megumaage homeland of the Micmac is transformed into the French colony of Acadia then into the British colony of Nova Scotia and subsequently into the present Canadian province Centrally Professor Chavez tracks the role of colonialism in the transformation of such lands but especially the part played by federalism in moving beyond the ethnic and racial conflicts resulting from imperialism Significantly Chavez gives attention to the effects of these processes on the individual mind arguing that historically federalism has permitted the individual to sustain and balance varying ethnic loyalties regionally nationally and globally Beyond Nations concludes with a discussion of an evolving global imagination that takes into account migrations borderlands and transnational communities in an increasingly postcolonial and postnational world

Historical Dictionary of Mexico Amelia M. Kiddle, Ryan Alexander, 2024-07-02 Tracing the historical development of Mexico from the pre Hispanic period to the present the Historical Dictionary of Mexico Third Edition is an excellent resource for students teachers researchers and the general public This reference work includes a detailed chronology an introduction surveying the country's history and an extensive bibliography The dictionary section includes cross referenced entries on the historical actors who shaped Mexican history as well as entries on politics government the economy culture and the arts

Fort Bascom James Bailey Blackshear, 2016-03-18 Motorists traveling along State Highway 104 north of Tucumcari New Mexico may notice a sign indicating the location of Fort Bascom The post itself is long gone its adobe walls washed away In 1863 the United States fearing a second Confederate invasion of New Mexico Territory from Texas built Fort Bascom Until 1874 the troops stationed at this site on the Eroded Plains along the Canadian River defended Hispanic and Anglo American settlements in eastern New Mexico and far western Texas against Comanches and other Southern Plains Indians In Fort Bascom James Bailey Blackshear presents the definitive history of this critical outpost in the American Southwest along with a detailed view of army life on the late nineteenth century western frontier Located in the middle of what General William T Sherman called an awful country Fort Bascom's hardships went beyond the army's efforts to control the Comanches and Kiowas Blackshear shows the difficulties of maintaining a post in a harsh environment where scarce water and forage long supply lines poorly constructed facilities and monotonous duty tested soldiers endurance Fort Bascom also describes the social aspects of a frontier assignment and the impact of the Comanchero trade on military personnel and objectives showing just how difficult it was for the army to subdue the Southern Plains Indians Crucial to this enterprise were logistics including procurement from civilian contractors of everything from beef to hay Blackshear examines the strong links between New Mexican Comancheros and Comanches detailing how the lure of illegal profits drew former military personnel into this black

market economy and revealing the influence of the Comanchero trade on Southwestern history This first full account of the unique challenges soldiers faced on the Texas frontier during and after the Civil War restores Fort Bascom to its rightful place in the history of the U S military and of U S Indian relations in the American Southwest **Santa Fe** Elizabeth West,2012 This question and answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago Not a traditional history book this group of questions is presented in an apparently random order and the answers occasionally meander off topic as if part of a casual conversation

Gone to Texas: A History of the Lone Star State Randolph B. Campbell,2003-08-07 In *Gone to Texas* historian Randolph Campbell ranges from the first arrival of humans in the Panhandle some 10 000 years ago to the dawn of the twenty first century offering an interpretive account of the land the successive waves of people who have gone to Texas and the conflicts that have made Texas as much a metaphor as a place Campbell presents the epic tales of Texas history in a new light offering revisionist history in the best sense broadening and deepening the traditional story without ignoring the heroes of the past The scope of the book is impressive It ranges from the archeological record of early Native Americans to the rise of the oil industry and ultimately the modernization of Texas Campbell provides swift moving accounts of the Mexican revolution against Spain the arrival of settlers from the United States and the lasting Spanish legacy from place names to cattle ranching to civil law The author also paints a rich portrait of the Anglo Texan revolution with its larger than life leaders and epic battles the fascinating decade of the Republic of Texas and annexation by the United States In his account of the Civil War and Reconstruction he examines developments both in local politics and society and in the nation at large from the debate over secession to the role of Texas troops in the Confederate army to the impact of postwar civil rights laws Late nineteenth century Texas is presented as part of both the Old West and the New South The story continues with an analysis of the impact of the Populist and Progressive movements and then looks at the prosperity decade of the 1920s and the economic disaster of the Great Depression Campbell s last chapters show how World War II brought economic recovery and touched off spectacular growth that with only a few downturns continues until today Lucid engaging deftly written *Gone to Texas* offers a fresh understanding of why Texas continues to be seen as a state unlike any other a place that distills the essence of what it means to be an American

Reviewing **Mexican Frontier 1821 1846 The American Southwest Under Mexico**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
