

A whimsical illustration of a forest at night. A large, red mushroom with white spots and a thick white stem dominates the left side. In the background, other mushrooms of various shapes and colors (brown, grey, red) are visible. The air is filled with soft, glowing blue and white particles, giving it a magical feel. A wooden fence is partially visible on the left. The overall color palette is dark with vibrant highlights from the glowing lights and the red of the mushrooms.

Ancient Magic and Ritual Power Paul Mirecki, Meyer, 2015-08-24 This volume contains a series of provocative essays that explore expressions of magic and ritual power in the ancient world The essays are authored by leading scholars in the fields of Egyptology ancient Near Eastern studies the Hebrew Bible Judaica classical Greek and Roman studies early

Christianity and patristics and Coptology Throughout the book the essays examine the terms employed in descriptions of ancient magic From this examination comes a clarification of magic as a polemical term of exclusion but also an understanding of the classical Egyptian and early Greek conceptions of magic as a more neutral category of inclusion This book should prove to be foundational for future scholarly studies of ancient magic and ritual power This publication has also been published in paperback please click here for details [The Dictionary of the Esoteric](#) Nevill Drury,2004-01-01 With over 3000 cross referenced entries this is an invaluable reference to the mystical and esoteric traditions It gives succinct definitions in the fields of magic hermeticism alchemy spiritualism parapsychology eastern and western mysticism mind and consciousness research divination tarot and a variety of less well known subjects It also features biographies of leading figures in the field with details of their lives philosophies and writings from astrologer Evangeline Adams to the prophet Zarathustra [A Community of Witches](#) Helen A. Berger,2021-11-24 A Community of Witches explores the beliefs and practices of Neo Paganism and Witchcraft generally known to scholars and practitioners as Wicca While the words magic witchcraft and paganism evoke images of the distant past and remote cultures this book shows that Wicca has emerged as part of a new religious movement that reflects the era in which it developed Imported to the United States in the later 1960s from the United Kingdom the religion absorbed into its basic fabric the social concerns of the time feminism environmentalism self development alternative spirituality and mistrust of authority Helen A Berger's ten year participant observation study of Neo Pagans and Witches on the eastern seaboard of the United States and her collaboration on a national survey of Neo Pagans form the basis for exploring the practices structures and transformation of this nascent religion Responding to scholars who suggest that Neo Paganism is merely a pseudo religion or a cultural movement because it lacks central authority and clear boundaries Berger contends that Neo Paganism has many of the characteristics that one would expect of a religion born in late modernity the appropriation of rituals from other cultures a view of the universe as a cosmic whole an emphasis on creating and re creating the self an intertwining of the personal and the political and a certain playfulness Aided by the Internet self published journals and festivals and other gatherings today's Neo Pagans communicate with one another about social issues as well as ritual practices and magical rites This community of interest along with the aging of the original participants and the growing number of children born to Neo Pagan families is resulting in Neo Paganism developing some of the marks of a mature and established religion
