Pray To Win:

Pray to Win! Angela Shelly, 2019-08-13 Are you praying but feel like nothing is happening Are you beginning to wonder if prayer really works or if God is even listening Do you want to be powerful in your prayer life but not sure where to start Are you facing an impossible situation and need God's help right away When life happens and it happens to us all we need to know how to pray skillfully effectively powerfully In *Pray to Win* you will discover how you can be skillful and effective every time you pray You will learn how you can do more than pray you can pray to win By consistently applying the keys described in this book you will experience the same transformative power of prayer in your life that I did in mine Listen God is working to get a message to you A message of hope and healing A message that all things are possible with God No matter how insurmountable the challenge you face may seem and I've had my share know that just you and God through prayer can pull the whole thing off Yes the incredible can happen for you If you're ready to experience God's best in your life if you're ready to stop hitting and missing in prayer if you're ready to win I urge you to read this book today *Pray to Win* Pat Boone, 1980

Pray to Win, 1996 *Prayer | the 100 Most Powerful Prayers to Win the Lottery - with 4 Bonus Books to Pray for Social Security, Money, Adventure and Success* Toby Peterson, 2017-08-14 Exclusive Offer Now Includes 5 Amazing Bonus Titles 4 More Titles of 100 Most Powerful Prayers Plus Full Length Title Conscious Visualization You will not achieve fulfillment and happiness until you allow God to be the architect of your reality Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through prayer You will be able to release all fear and doubt simply because you know that God gives you the strength You can utilize this simple proven technique to regain the lost comforts of joy love and fulfillment in your life God's gift of life is too short to be exhausted on thousands of everyday anxieties and fears Sadly the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems Because they didn't know what to do many of these people never found any satisfaction in life You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you You are exactly who you think you are and it's up to you to create those thoughts and manifest them as God's creation No more lack of faith motivation and feelings of doubt in your life No person can find happiness in an environment beyond his or her control But you can get up get out and take control with God Get what you want and desire from the world like millions of others around the globe using prayer You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality By using prayer daily you will unlock that natural potential that God placed inside of you Prayer starts by creating a cycle of continuous prayers You must believe and repeat these declarations and prayers each day If the thoughts and ideas that we affirm are not true in reality a dynamic tension is created between your perceived reality and your psyche This presence of dynamic tension causes imbalance between your psyche and perceived reality Your consciousness will work to get back in tune with the God's vision of the universe to resolve

the tension There are two simple ways to ease this tension You must work with God s creation in order to make your declarations become true or you must stop the prayer As you choose to continue praying your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth Sooner than later you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality If you want to see positive change now you ll find the quickest path to fulfillment with prayer through God s love There is no time to spend on loss negativity and defeat when you can be achieving tangible historically proven results with minimum time and effort invested There is no limit to changes that God can make in your life through the power of creating truth with prayer Read This Book To Change Your Life Today Also available in ebook Format **Pray to Win!** Alfred Armand Montapert,1986 **Prayer** John R.
