

Pray this before you study the Bible

Lord as I begin this study,
I pray that I seek more than just knowledge.
May the words speak wisdom to my soul,
changing me,
renewing me,
and forming me to be more like Christ.
May this not be a check list
but a moment in time to learn and grow.
A way to connect
and fall more deeply in love
with the Savior

Prayer Matters Marilyn Wragg, 2017-12-20 Have you ever wondered how prayer works Have you ever wished you were better at praying Have you ever been at a loss for words to pray This is not a book that attempts to answer all your questions on prayer On the contrary the author acknowledges upfront that prayer is a mystery for which there is no magic formula There are Biblical principles that teach much about prayer and God s spiritual spokespersons have offered insight But God is God and prayer is in the realm of His unfathomable ways and workings Rather this is a book that invites you to come alongside the author and delve into the practice of prayer It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray It is the fruit of the author s entreating God to teach her to pray Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing the author s insights are presented as one questioning pilgrim desiring to help another The book s premise is that we do not have to understand prayer to pray We learn to pray by praying The more we pray the more natural praying therefore becomes Hence suggestions and tools are offered to facilitate praying Whether you are relatively experienced with prayer brand new or somewhere in between you are invited to ponder these prayer matters and to implement those suggestions for doing prayer that appeal to you Because ultimately while we may not know the intricate workings of prayer this side of Heaven one thing we do know is Prayer Matters
