Rose,2025-06-10 Gayle DeLong was a well known activist in the autism community the Warrior Mom of two autistic daughters She worked closely with Robert F Kennedy Jr on vaccine injury issues This book is a record based largely on her diaries of her happy marriage to Jonathan Rose Love in the Age of Autism does not sugarcoat the stresses and heartbreak of raising autistic children it is more honest about that than most other books on the subject But it is also an inspiring love story

which can help autism parents find profound joys in spite of all the pains It offers practical advice and models for sharing the burdens and pleasures of life based on a strong sense of family values This book frankly and with an earthy sense of humour illustrates how autism parents can continue to enjoy passionate monogamous physical love and it explains how to provide sex education for autistic girls The tale that Gayle and Jonathan tell is intensely romantic and life affirming Selected Works of Our World's Best Poets ,1992 **Forever Connected** Bill Winn,2018-10-07 Forever Connected is a highly personal emotionally intense story of eternal love and commitment It is written for those grieving the loss of someone they loved deeply The fundamental premise of the book is that you can heal from that loss by keeping your relationship with your beloved actively alive in your heart and mind It directly opposes the notion that healing ultimately requires moving on from your loved one and moving them into memory This book is written from the unique perspective of someone who is neither religious nor an atheist An alternative title could have been A pathway to God for the non religious It describes Bill s personal journey of building belief in Marnie s living soul by building belief in a living God who is the source and substance of that soul Forever Connected describes a relationship of profound love and intensity that challenged the boundaries and limits of society every step along the way and continues to do so even in death **In Daddy's Eyes** Sharon Benedict,2001-08-01 In Daddys Eyes tells the story of one womans journey back to physical health and healing of the heart Sharons journey will take the reader through childhood abuse with its shadows and secrets family tragedies a cascading list of infirmities and the meandering maze of conventional and alternative medicine in search for answers to her medical mysteries The reader will be challenged to look at lifes horizon with a broader stroke one life forever changed by her faith in God the impact of family on her physical emotional and spiritual well being and the healing miracle of forgiveness In Daddys Eyes is not only a journey of discovery and transformation but of insight and wisdom only learned through the fire of life Sharons odyssey will touch every heart with her honest reflections of family life challenges and endearing trust in God Hear what others have said about In Daddys Eyes Dale Evans Rogers Sharon your book is amazing God bless your life A Lee Guinn M D As a clearinghouse of health information and a lightning rod of spiritual access Sharon inspires not only her closest friends but also the health professionals that have worked with her and her increasingly enlarging following Her truth cannot be defined with words only by her living Her truth is the supreme delight of the human soul Linda Terrell Goodridge Your captivating odyssey through adversity mesmerized me Between laughing and crying I couldnt put your book down I was honored to walk with you as each page took me into your very own reality Your faith inspired and comforted me Your poems delighted my heart The medical information you provided has been invaluable to me Many of us will see ourselves in what you went through on your journey to wholeness Thank you for your tenderhearted glimpse at family and the power of forgiveness In Daddys Eyes will be one of my most favorite books I will refer back to throughout the years Divine Descent Melanie Park,2024-08-15 Don t be selfish don t try to impress others Be humble thinking of others as better than yourselves Don t look out only for your own

interests but take an interest in others too Philippians 2:3-4 NLT When Jesus descended from the glorious streets of gold in heaven He landed in a filthy manger and began His mission to save our souls The Bible is filled with examples of God calling people down from a life of ease at the summit to toil in the fertile valley of humanity Unlike popular self help books that promise worldly gain through personal transformation Divine Descent explores the Biblical invitation to live sacrificially for God Using personal stories focused Scriptures discussion questions and prayers Melanie Park explores the transformative spiritual growth available to God's children when they replace the pursuit of secular summits with an intentional desire to walk with God in a valley of selflessness God calls people up and down mountainsides for various reasons but the fact that you're holding this book might be an indication that God isn't leading you on another ascent Instead He's inviting you to explore a holy pathway of Divine Descent

e-Jeanne: 2004 (Part Two: July through December) Jeanne Halsey, 2013-02-19 e-Jeanne was a precursor of currently popular blogs although we called her an e-zine She was assembled early in the morning right after my morning devotions in fact I realize that many of my morning devotions somehow crept into the e-Editorials and then forwarded by e-mail to over 300 people all around the world I did this two or three days a week for 10 years Like I said maybe I am a little crazy 2004 was a lengthy year filled with commentary about the impending American Presidential Election yes George W Bush won again fluctuating health issues and much sharing of prayer requests and praise reports among the faithful and beloved Readers 2004 was so long that I had to split it into two books this is Part Two covering July through December Like its sister books e-Jeanne 2004 Part Two comes out looking like a fair sized phone book you'll need strong arms and strong hands to hold it while reading and I strongly suggest you have a sturdy bookmark
