Rapid Recovery Stephen P. King, 2006-12-13 It only took eight years in the making but I have finally completed my book on a variety of rapid recovery and healing techniques that I use in my counselling practice and with athletes Many workshop attendees had asked that I put these techniques in an easy to follow format with an explanation as to why certain things work the way they do I believe I have now achieved that goal These methods are helpful for maximising mind body maintenance by clearing fears phobias addictions obsessions compulsions traumas and all forms of self sabotage They can help optimize all aspects of our lives and open us to the fullness of life s possibilities

The Riddle in the Mirror Jayni Bloch, 2012-10 The Riddle In the Mirror is a personal account of a healing journey through experiencing the conflicting Apartheid era in South Africa during the author s childhood The difficulties she experienced challenged a deeper insight into spiritual awareness that supported her path in search for healing This story is everyone s story as we all experience difficulties that challenge us to evolve The Riddle in the Mirror is an essential map on our healing journey It shifts our focus from struggling with repetitive behaviour patterns that keep wounds alive in us and our children towards psychological and spiritual growth instead It connects the processes of healing to archetypal principles that illustrate how our personal healing contributes to the healing of humanity We identify our life challenges as healing opportunities by looking at life as a mirror that reflects a spiritual truth recognizable beneath our

socially conditioned secular interpretations and assumptions of experiences We recognize how our personal story relates to our cultural and ancestral stories as a metaphor for collective healing of the whole world through our personal participation by waking up to our own spiritual consciousness *Anglican Theological Review* ,1923 A New Testament bibliography for 1914 to 1917 inclusive by Frederick C Grant v 1 p 58 91
