Arthur Edward Waite,2021-10-20 *The Real History Of The Rosicrucians* Arthur Edward Waite This is Arthur Edward Waite s study of the elusive Rosicrucians a secret society of which the first public notice was in early 17th century Germany Was this an actual organization or just a fantasy No actual Rosicrucians ever surfaced but there was plenty of documentation about them The problem is that these documents are for the most part obviously fictional In time a mythology grew up around the Rosicrucians Today there are groups which claim the name These date at the most to the late 19th century although they usually claim pro forma to go back as far as Egypt or Atlantis The Rosicrucians have also been woven by conspiracy theorists into their web alongside the Freemasons Illuminati Templars and so on even though there is not a shred of evidence for this

the centre of the Rosicrucian manifestos was a call for general reformation In Reformation Revolution Renovation the first book length study of this topic Lyke de Vries demonstrates the unique position of the Rosicrucian call for reform in the transformative context of the early seventeenth century The manifestos commonly interpreted as either Lutheran or esoteric are here portrayed as revolutionary mission statements which broke dramatically with Luther s reform ideals Their call for reform instead resembles a variety of late medieval and early modern dissenting traditions as well as the heterodox movement of Paracelsianism Emphasising the universal character of the Rosicrucian proposal for change this new genealogy of the core idea sheds fresh light on the vexed question of the manifestos authorship and helps explain their tumultuous reception by both those who welcomed and those who deplored them *The Invisible History of the Rosicrucians* Tobias
