Globalization and Communication Policy in India B.P. Mahesh Chandra Guru, H.K. Mariswamy, 2014-01-01 Communication policy formulation in the age of globalization is a widely debated and discussed subject of our times The communications media have grown commendably over a period of time The media in India continue to be class media rather than the mass media The Indian media have not incorporated the features of social responsibility theory participation theory and development theory in letter and spirit in the age of globalization Scholars have noted that globalization has impacted the media services in India and abroad There are advantages and disadvantages of globalization with reference to media management in India But the disadvantages outweigh the advantages according to the empirical

evidence The present work emphasizes that it is imperative to formulate a national communication policy at this juncture of entry of foreign media invasion of satellite channel present pluralistic media culture privatization of media commercialization of media and so on India needs a communication strategy which should be considered as a sub system of the processes of governance and development at various levels Global Health, Humanity and the COVID-19 Pandemic Francis

Egbokhare,Adeshina Afolayan,2023-02-24 This volume interrogates global health and especially the scourge of the COVID 19 pandemic and the role that science has played in mitigating the human experiences of pandemics and health over the centuries Science and the scientific method has always been at the forefront of the human attempt at undermining the virulent consequences of sicknesses and diseases However the scientific image of humans in the world is founded on the presumption of possessing the complete understanding about humans and their physiological and psychological frameworks This volume challenges this scientific assumption Global health denotes the complex and cumulative health profile of humanity that involves not only the framework of scientific researches and practices that investigates and seeks to improve the health of all people on the globe but also the range of humanistic issues economic cultural social ideological that constitute the sources of inequities and threat to the achievement of a positive global health profile This volume balances the argument that diseases and pandemics are human problems that demand both scientific and humanistic interventions

Language, Race and the Global Jamaican Hubert Devonish,Karen Carpenter,2020-06-23 This book examines the racial and socio linguistic dynamics of Jamaica a majority black nation where the dominant ideology continues to look to white countries as models yet which continues to defy the odds The authors trace the history of how a nation of less than three million people has come to be at the centre of cultural racial and linguistic influence globally producing a culture than has transformed the way that the world listens to music and a dialect that has formed the lingua franca for a generation of young people The book will be of particular interest to students and scholars of Caribbean linguistics Africana studies diaspora studies sociology of language and sociolinguistics more broadly **Public Relations Planning** Edward T. Vieira,

Jr.,2018-10-03 Public Relations Planning provides students with an in depth understanding of the steps involved in planning and executing a successful PR campaign Taking a strategic approach to the subject the author brings years of practical experience to the project helping students see how it all fits together in reality The book goes beyond an introductory discussion of the theory of PR planning incorporating material from cutting edge research in the field A discussion of the psychological aspects of communication material on in house employee communication as well as a chapter dedicated to discussing how social media strategies fit into a PR campaign give students a real edge when it comes to executing an effective campaign Plenty of global examples and a companion website featuring PowerPoint slides a test bank and answer key for end of chapter questions round out this excellent resource for students of public relations and corporate communication **Resilience and Familism** Veronica L. Gregorio,Clarence M. Batan,Sampson Lee Blair,2023-08-10 A

highly comprehensive ethnographic analysis Resilience and Familism demonstrates in a specifically Filipino context how strong familial ties can affect inner strength and outer determination
