A Quality Of Light Richard Wagamese,2011-02-11 My life as a Kane was lit in the Indigos Aquamarines and Magentas of a home built on quiet faith and prayer But Johnny changed all that Where I had stood transfixed by the gloss on the surface of living he called me forward from the pages of the books away from the blinders that faith can surreptitiously place upon your eyes and out into a world populated by those who live their lives in the shadow of necessary fictions *Scribner's Monthly, an Illustrated Magazine for the People* ,1908 **Zahryn's Light** Janis Constable,2025-03-25 Anyone in the British Isles who s ever met Zahryn knows she s something special Though her willowy grace and her fiery tresses set her apart in a crowd it is an indomitable spirit within that makes her unforgettable to the

people of her hometown She lives in the fictitious Ben Lonrach Mountains the Mountains of Secrets Her home sweet home is Moonstone Cove where the shimmering mountains arise from the sea Zahryn s deep faith illuminates her way through darkest childhood days from childhood illness to loss of her parents at an early age It is a Light that guides her empathic enlivened soul as she grows into a brilliant young woman drawn to the mysteries of God Later when Zahryn s post polio syndrome keeps her in a wheelchair she doesn t let it confine her or define her It never did It never will Zahryn continues in her pursuit to Be the River Be the Light Be the Love Across the Waters Zahryn s Light will warm readers hearts page after page chapter after chapter Come live vicariously through Zahryn as she embodies the Wholehearted Life *Light Breeze in Paradise* Carmen-Francesca Banciu,2019-05-27 The narrator turns her back on Berlin and the hectic throb of the big city for a summer in order to recharge and reconnect with herself in the seclusion of a Greek mountain village For the first little while she passes the time silently on a terrace A terrace on the hillside looking out over the great expanse of the ocean She lives surrounded by insects and other animals that eventually become her friends She takes time to experience changes in light and transformations of the sea to take notice of the hidden and inconspicuous things in her environment the glimmer of what lies concealed It is only after some days have passed that she is struck by the desire to meet people again and starts to embark on journeys beyond the cosmos of her terrace She hitchhikes to the town by the sea each day Brief encounters along the way people watching on the beach and observations of nature s own spectacle as it unfolds reveal to her the interrelation of all living beings in nature Coinciding with the human interactions dramas play out in the microcosm of insects beetles and small animals like scenes from Greek mythology This book is all about the detailed narration of the small world re ected in the larger one Translation is a collaboration This couldn t be truer in the case of this bilingual translation of *Leichter Wind im Paradies* by Carmen Francesca Banciu in English *Light Breeze in Paradise* and Greek This bilingual translation challenges the limits of the notion of collaboration as it occurs on multiple levels More specifically this is the outcome of a collaboration in the frame of the Advanced Training in Greek Poetry Translation Performance Workshop founded and directed by Dr Vassiliki Rapti at Harvard University in 2014 Since July 2016 she has been running it independently *Out of the Darkness of Academics Into the Light of Jesus Christ*- Glenn W. Martin,2009-05 This book is about the nuances of college life as viewed from a Christian perspective Dr Martin came to the conclusion that the quest for human knowledge is endless in its own seductive way Our educational bastions are an arms length from the church yet it appears the church is being neglected by many who labor in the halls of academics by their lack of participation in church It is durable and manageable for one to participate in both the educational process and the church however these individuals are becoming a rare breed and that is why Dr Martin challenges the educator to return to his her spiritual roots Dr Martin asserts spiritual values are a reality and to be negligent here is without excuse *Out of the Darkness into the Son's Light* Mavis Garrison,2016-09-07 Imagine a little girl that lived for many years in terror and fear She would experience sexual abuse rape and other forms of abuse The

word normal was not in her vocabulary Therefore she ultimately began to make unhealthy choices for herself and her children Feeling as though she had inflicted her trauma on her children seemed to worsen the guilt Mavis seemed to function in crisis She would live many years before finding the Truth Eventually Mavis would find forgiveness and learn how to forgive others Through this forgiveness the Lord would restore relationships and show her the meaning of complete joy Only He can restore abuse to preservation and respect terror to joy and happiness fear to courage and bravery trauma to healing crisis to peace guilt to innocence shame to honor and respect and turn your sorrow to joy The past does not define who we are or our destiny for the present or future The abuse is what happened to me but it is not who I am I have finally found my true identity

A. Dobbs,2009-08 My name is Kristine I grew up in small town Missouri where you either knew everyone or everyone knew of you I am a twin and the middle child of 5 When I was six my step dad began sexually physically and emotionally abusing my sister and I At thirteen my step dad finally went to prison and at seventeen my twin brother was murdered I ran away shortly thereafter and found alcohol sex and prescription drugs Eventually I found Jesus Christ Having learned how much God loved

me to look at the events of my life as just things I also learned that All things even mine work together for the good of those who love the Lord and for those who are called according to His purpose Romans 8 28 God eventually led me to restore my relationship with my real dad speak forgiveness to and share the gospel with my step dad write letters of forgiveness to those involved in my brother s death and boldly proclaim what He is doing in my life These things have been used to relieve me from the need to drown my pain and emotions in alcohol and prescription drugs give me a fulfilling relationship with my husband and show me that the better life comes from Him Matthew 11 28 30 helped me to realize that my life wasn t mine It was His It was a gift I had to give back to Him And it was His gift that I had to share with others This caused me to begin writing and in April 2008 I was given the idea of beginning my own ministry After six months of prayer God enlightened me on the idea of Freedom Rings Ministries and the a website www.freedomringsministries.com was born Toward Endless Light Anita Kraal-Zuidema,2019-06-26 Any major transition in life is apt to create new challenges or reinvigorate lingering questions Worries and feelings of inadequacy are often uninvited companions as we negotiate the passage of time and life So where do we turn when we need a light to show us the next step forward either for ourselves or for our loved ones In Toward Endless Light author Anita Kraal Zuidema reflects on her life story in writing what began as love legacy for her family As stories tumbled out she knew they were meant to be shared with a broader audience than she had at first envisioned With new insight she began to foster a greater appreciation and love for scripture and the biblical solutions it offers Anita also wanted to challenge her readers to consider and ponder the every day choices they make and to encourage them to walk in closer relationship with God Life is full of questions though most of life is accomplished without ready answers to our most difficult questions the whys and the why me sort However great our intentions the devil is always ready to infuse his foolishness into our minds as he sits perched on our shoulder doing his best to keep us from doing our very best Thank God the devil succeeds less and less especially as we listen more closely to the only one who has answers to all our questions They will come in his time in his way **The Dark Has Its Own Light** Sue Dowell,2016-07-14 The Dark Has Its Own Light chronicles the authors experience as a patient in a psychiatric hospital at a time when limited treatment methods meant less chance of recovery Alternating between recounting the family history that resulted in hospitalization and the relationships that developed in the hospital the book charts a story of loss suffering and the discovery of hope and love where none seemed possible
