Paducah Portrait Of A River Town:

Paducah Richard Holland,1994 *The Scopes Trial* Randy Moore,Susan E. Brooks,2022-12-16 The 1925 trial of John Scopes in tiny Dayton Tennessee remains a defining moment in American history This trial of the century a media event before the term was coined addressed issues that still affect our society today such as control of the school curriculum the ongoing tensions between science and faith in public schools and the ramifications of teaching evolution and human origins This book is the first encyclopedic treatment of the Scopes Trial The text draws on media reports family interviews and Scopes personal correspondence providing new information and perspectives The book includes previously unseen photos and information about Scopes and his relatives as well as insights about the trial s instigators participants and issues all organized in a concise and easily accessible format **The Illinois/Kentucky Ohio River Civil War Heritage Trail Historic Corridor Survey Project** James Edward Jacobsen,1998 *The Register of the Kentucky Historical Society* Kentucky Historical Society,2004 **Men of our Times ... Biographical sketches ... With ... portraits** Harriet Beecher Stowe,1868 **The Lookout** ,1994 Our Great Captains: G., Sherman, Thomas, Sheridan, and Farragut. [With portraits.] Ulysses Simpson GRANT (President of the United States of America.),1865 Grant and Colfax: their lives and services. With portraits, maps and plans Linus Pierpont BROCKETT,1868 *History and Families, McCracken County, Kentucky, 1824-1989* ,1989 Irvin S. Cobb Anita Lawson,1984-03 The story of Irvin S Cobb is a fascinating one for many reasons His life was not unusual at the time a Horatio Alger rise from poor boy to world authority through hard work Associate of celebrities of all kinds for two decades he died in Hollywood virtually forgotten having outlived the world he grew up in and which appreciated him Interstate 69 Matt Dellinger,2010-08-24 Interstate 69 is an enlightening journey through the heart of America With this epic tale of one vast and controversial road project Matt Dellinger brings to life the country s complex political social and economic landscape The 1 400 mile extension of I 69 south from Indianapolis if completed will connect Canada to Mexico through Michigan Indiana Kentucky Tennessee Mississippi Arkansas Louisiana and Texas This so called NAFTA highway has been in development for two decades and while segments are under construction today others may never be built Eagerly anticipated by many as an economic godsend I 69 has also been opposed by environmentalists farmers ranchers anarchists and others who question both the wisdom of building more highways and the merits of globalization Part history part travelogue Interstate 69 reveals the surprising story of how this extraordinary undertaking began introduces us to the array of individuals who have worked tirelessly for years to build the road or to stop it and guides us through the many places the highway would transform forever from sprawling cities like Indianapolis Houston and Memphis to the small rural towns of the Midwestern rust belt the Mississippi Delta and South Texas In an era when bridges fall levies fail and states lease their toll roads to foreign owned corporations Americans are realizing the central importance of infrastructure how it affects our standard of living and quality of life and how it determines which places prosper and

which places fade This book illustrates vividly that the story of transportation is indeed the story of America and that story continues Matt Dellinger connects these dots with an absorbingly human on the ground examination of our country s struggle with development Interstate 69 captures the hopes dreams and fears surrounding what we build and what we leave behind **The Waterways Journal** ,1928 **The Encyclopaedia Britannica ...** ,1903 **After Vicksburg** Myron J. Smith, Jr.,2021-11-01 This is the first published comprehensive survey of naval action on the Mississippi River and its tributaries for the years 1863 1865 Following introductory reviews of the rivers and of the U S Navy s Mississippi Squadron chronological Federal naval participation in various raids and larger campaigns is highlighted as well as counterinsurgency economical support and control and logistical protection The book includes details on units locations and activities that have been previously underreported or ignored Examples include the birth and function of the Mississippi Squadron s 11th District the role of U S Army gunboats and the war on the Upper Cumberland and Upper Tennessee Rivers The last chapter details the coming of the peace in 1865 and the decommissioning of the U S river navy and the sale of its gunboats **Humanities** ,1991 *The New Volumes of the Encyclopædia Britannica* ,1903 **The Julius Cahn-Gus Hill Theatrical Guide and Moving Picture Directory** ,1910 *Environment, Agency, and Technology in Urban Life since c.1750* Mikkel Thelle,Mikkel Høghøj,2024-03-12 This book explores the historical relationship between technonatures and urban transformations in the Global North In recent years various interdisciplinary movements such as Urban Political Ecology STS and New Materialism have affected urban history and generated new scholarly insights into the formation of cities and urban life based on notions of hybridity entanglement and metabolism While scholars have increasingly attempted to grasp the socio natural and technical complexity of cities studies dealing with urban transformation within urban history have however mostly concentrated on political actors or broader social and economic changes Seeking to introduce the concept of technonatures to the field of urban environmental history this book instead takes its empirical and analytical starting point in the technonatural fabric of cities Focusing on urban rivers dumps railways flood walls and housing the chapters of the book thus examines how different entanglements of environment technology and agency have shaped cities and processes of urbanization in the Global North from the seventeenth century onwards By foregrounding the transformative role of urban natures materialities and technologies in shaping the politics of urban life and cities more broadly the book aspires to probe the potentiality of technonatures as a conceptual and analytical strategy for urban environmental historians Hearings United States.
