## Palace Affair:

**The Palace Affair** Una-Mary Parker,1992      **Thailand** Thak Chaloemtiarana,2018-08-06 In 1958 Marshal Sarit Thanarat became prime minister of Thailand following a bloodless coup This book offers a comprehensive study of Sarit s paternalistic militaristic regime which laid the foundations for Thailand s support of the US military campaign in Southeast Asia The analysis documents the ways in which Sarit shaped modern Thai politics in part by rationalizing a symbiotic relationship between his own office and the Thai monarchy      **Indonesian Affairs** ,1953      *Palace Affair* Bca Parker ,1992-01-09      Hyderabad Affairs ,1883      **The Diaries Of Charles Greville** Edward Pearce,2011-02-28 Charles Greville 1794 1865 made his first occasional diary entries in 1814 but the diary only became a regular habit in the mid 1820s continuing with occasional breaks about which he is self reproachful through the reigns of George IV William IV and Victoria Finally in 1860 after shaking his head over the worrying triumphs of Garibaldi he closed it once and for all The grandson of a duke Greville looked with a level and scornful eye upon royalty George was the most worthless dog that ever lived William the silliest old gentleman in his own dominions but what can be expected of a man with a head like a pineapple The diaries roused Queen Victoria an odd woman from the lethargy of her widowhood She spoke of Greville s indiscretion indelicacy ingratitude toward friends betrayal of confidence and shameful disloyalty Greville s circle included Talleyrand Wellington Macaulay Sydney Smith Princess Lieven Lord Grey Melbourne Guizot and Disraeli as well as jockeys bookmakers and blackguards As Clerk of the Privy Council Greville works for a compromise on the Reform Bill He witnesses Covent Garden theatre burning down His closest friend Lord De Ros is caught cardsharpping Visiting Balmoral he finds Albert and Victoria living not merely like small gentlefolks but like very small gentlefolks When cholera comes he writes laconically of Mrs Smith young and beautiful taken ill while dressing for Church and dead by nightfall Not a chatterbox Charles Greville brilliantly assembles everyone else s chatter This is the intelligent voice of another age an uneasy aristocrat catching history on the turn and looking dubiously at the future      ,      *Motor Age* ,1911      **Twisted Cross** Doris L. Bergen,2000-11-09 How did Germany s Christians respond to Nazism In *Twisted Cross* Doris Bergen addresses one important element of this response by focusing on the 600 000 self described German Christians who sought to expunge all Jewish elements from the Christian church In a process that became more daring as Nazi plans for genocide unfolded this group of Protestant lay people and clergy rejected the Old Testament ousted people defined as non Aryans from their congregations denied the Jewish ancestry of Jesus and removed Hebrew words like Hallelujah from hymns Bergen refutes the notion that the German Christians were a marginal group and demonstrates that members occupied key positions within the Protestant church even after their agenda was rejected by the Nazi leadership Extending her analysis into the postwar period Bergen shows how the German Christians were relatively easily reincorporated into mainstream church life after 1945 Throughout *Twisted Cross* Bergen reveals the important role played by women and by the ideology of spiritual motherhood amid the German Christians glorification of a

manly church     Brothers and Wives Christopher Andersen, 2021-11-30 Featuring unreported details and stunning revelations the long awaited follow up to the fabulous addictive Chicago Sun Times New York Times bestseller Diana's Boys explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults with one brother the designated heir and the other doomed to life as the spare perfect for fans of Netflix's The Crown Diana's Boys revealed the powerful bond between the teenaged princes and how it strengthened even more in the wake of their mother's tragic death Now twenty years later Queen Elizabeth II is in her mid nineties Prince Charles is in his seventies and all eyes are turned increasingly toward William and Harry again Christopher Andersen picks up where he left off covering everything that has happened to the brothers as they have grown up gotten married to two remarkable women and had children all while facing continual waves of controversy and questions about the ways their relationship has shifted Andersen examines how the Queen's behind the scenes maneuvering to mold her grandsons in the Windsor image after Diana's death and her expectations of William as the future king played out He questions whether the brothers famously close relationship can survive Harry's departure from the Royal Family the first time this has happened since their great great uncle King Edward abdicated the throne to marry a divorcee He delves into the impact sisters in law Kate and Meghan have had on each other as well as on their princes and how marriage and fatherhood have changed the brothers and in some ways also driven a wedge between them Andersen also looks with an honest eye at how the princes and their wives have been continuously buffeted by scandal including headline making allegations of bullying racism betrayal and emotional abuse that has pushed more than one royal to the brink of self destruction Based on in depth research and with his fascinating and insightful The Christian Science Monitor writing Andersen leaves no stone unturned in this intimate and riveting look into the private lives of the world's most famous princes     **Lancashire and Whitehall** Sir Raymond Streat, 1987     **Men in Midlife Crisis** Jim Conway, 1997 This newly revised version still offers practical ways to deal with the crisis but now the book has been updated with new research and quotes for the 90s and beyond Conway's advice comes from his own personal experience as well as years of research and counseling After 20 years as a bestseller this revised edition is even better     Poetical Works Samuel Lover, 1902     The Collected Writings of Samuel Lover: Poetical works Samuel Lover, 1903     The Works of Samuel Lover Samuel Lover, 1902     **The China Magazine** , 1868     **Turning Points in Japanese History** Bert Edstrom, 2013-12-16 So called turning points or defining moments are both the oxygen and grid lines that historians and researchers seek in plotting the path of social and political development of any country In the case of Japan the ninth Conference of the European Association of Japanese Studies provided a unique opportunity for leading scholars of Japanese history politics and international relations to offer an outstanding menu of turning points many addressed for the first time over 20 of which are included here Thematically the book is divided into sections including Medieval and Early Modern Japan Japan and the West Contested Constructs in the Study of Tokugawa and Meiji Japan Aspects of Modern Japanese Foreign Policy and Democracy

and Monarchy in Post War Japan      **Doctor Mary in Arabia** Mary Bruins Allison, 2010-06-04 Until fairly recently Arab women rarely received professional health care since few women doctors had ever practiced in Arabia and their culture forbade them from consulting male doctors Not surprisingly Dr Mary Bruins Allison faced an overwhelming demand when she arrived in Kuwait in 1934 as a medical missionary of the Reformed Church of America Over the next forty years Dr Mary treated thousands of women and children faithfully performing the duties that seemed required of her as a Christian to heal the sick and seek converts These memoirs record a fascinating life Dr Allison briefly describes her upbringing and her professional training at Women s Medical College of Pennsylvania She then focuses on her experiences in Kuwait where women of all classes including royalty flocked to her care In addition to describing many of her cases Dr Allison paints a richly detailed picture of life in Kuwait both before and after the discovery of oil transformed the country Her recollections include invaluable details of women s lives in the Middle East during the early and mid twentieth century They add a valuable chapter to the story of modern medicine to the largely unsuccessful efforts of the Christian church to win converts in the Middle East and to the opportunities and limitations that faced American women of the period Dr Allison also worked briefly in Bahrain Qatar Oman and India and she includes material on each country The introduction situates her experiences in the context of Middle Eastern and medical developments of the period      Empire of Horses John Man, 2020-02-04 The author of landmark histories such as Genghis Khan Attila and Xanadu invites us to discover a fertile period in Asian history that prefigured so much of the world that followed The people of the first nomadic empire left no written records but from 200 bc they dominated the heart of Asia for four centuries and changed the world in the process The Mongols today s descendants of Genghis Khan see these people as ancestors Their rise cemented Chinese identity and inspired the first Great Wall Their descendants helped destroy the Roman Empire under the leadership of Attila the Hun We don t know what language they spoke but they became known as Xiongnu or Hunnu a term passed down the centuries and surviving today as Hun and Man uncovers new evidence that will transform our understanding of the profound mark they left on half the globe from Europe to Central Asia and deep into China Based on meticulous research and new archaeological evidence Empire of Horses traces this civilization s epic story and shows how this nomadic cultures of the steppes gave birth to an empire with the wealth and power to threaten the order of the ancient world      *The Automobile* , 1908
