The Angels Are in Wyoming G. David Redding, 2016-01-28 As Jack Samson rides into the small Wyoming town of Grigsby one wintery morning he does not know what lies in store for him All he does know is that announcing his arrival with gunfire and soon after beating the local drunk even if it is to protect a child makes for a bad first impression But then the town's suspicions of him are not completely unfounded after all he is running from the law Still a few locals give their visitor the shadow of a doubt Pastor James Worthington for one and the beautiful widowed innkeeper Virginia White along with her mother and daughter These angels see through the moody mysterious exterior of this dark stranger to find that Samson is merely a bitter soul in need of God's love These allies enlist the help of select locals the blacksmith who offers Samson work but more importantly the church which offers him direction Meanwhile Virginia and Jack find themselves falling for each other and it isn't long before Samson feels he's on the up and up

In Valhalla's Shadows W.D. Valgardson, 2018-09-08 Ever since the accident ex cop Tom Parsons's life has been crumbling around him his marriage and career have fallen apart his grown children barely speak to him and he can't escape the dark thoughts plaguing his mind Leaving the urban misery of Winnipeg he tries to remake himself in the small lakeside town of Valhalla with its picturesque winter landscape and promise as a fisherman's paradise As the locals make it clear that newcomers especially ex RCMP are less than entirely welcome he throws himself into repairing his run down cabin But Tom has barely settled in the town when he finds the body of a fifteen year old Indigenous girl on the beach not far from his home The police write off Angel's death as just another case of teenagers partying too hard But the death haunts Tom and he can't leave the case closed something just doesn't add up He begins visiting the locals a mix of Icelandic eccentrics drug dealers and other odd sorts you'd expect to find in an isolated town seeking out Angel's story With the entitled tourists with their yachts and the mysterious Odin group living up the lake Valhalla is much more than it originally seemed And as Tom peels off the layers he hopes to expose the dark rot underneath W D Valgardson's expert manipulation of metaphor and imagery brings a mythic scale to the murder mystery at the heart of In Valhalla's Shadows He shapes a portrait of small town living with frank depictions of post traumatic stress RCMP conduct systemic racism and the real life tragedies that are too often left unsolved

Ring of Angels Britt Minshall, 2004-10. Presents a story where you meet the child prostitutes of Haiti, uncover a US plot to assassinate a popular President, and witness the moral failure as Christian missionaries fall to the beauty of the girls they came to save. This novel combines sex, violence, joy, love, heartbreak, and revelation.

The Second Tattoo Wilhelm Klein Jr., 2014-08-06. It is the author's sincere hope and desire that the reader will come to understand and realize the importance and significance of the book's title and that those who read this book will find a clearer and perhaps deeper understanding of faith in God. The author takes us through his father Wilhelm Senior's eyes to the eastern front of World War II. He relates how Wilhelm Senior's faith in God helps him cope with the unbelievable circumstances of a medic in field hospitals in WWII. Author Wilhelm uses the narrative approach to make us a part of the many scenes of his story and that of his father. The importance of spiritual values and how they play into one's behavior in stressful situations is a deeply thought-provoking element of this book. The accounts are woven together with a backdrop of unrelenting faith in God who intervened many times. There is something here for the historian and for students and observers of the human condition as well.
