Prayers for Johnathan Bridget Night,Erika Henderson,2002-09 **They Have No Idea** Barbara Morrissey,2023-01-06

They Have No Idea Love and Desperation in Mothering a Child with Severe Autism and Epilepsy is a powerful account of a mother s struggle to understand what it means to be a good mother to her child who struggles with both issues In this book Barbara Morrissey bravely pulls back the curtain so others might catch a glimpse of what some families with special needs children experience The author reveals the distress of learning her son s diagnosis the determined efforts she and her husband undertake on his behalf and the impact this has on their family She describes the devastation of realizing that their efforts are futile and the heart wrenching process of deciding to seek an alternative care setting for their son The guilt of being unable to provide the level of care her son needs and the pain of watching his suffering intensify and his care needs increase over time drives her to wrestle deeply with her faith and perception of God It is Barbara s hope that families with special needs children will draw comfort from this book in discovering that their feelings of fear desperation and inadequacy at times are not unusual Those wanting to support these families through meaningful relationships church ministries civic programs or government policies are apt to find this book helpful as well

Are You the Result of Your Past? Linda Star, 2017-01-27. I was prompted to share the insight in these pages a few years ago. What was in my thoughts at those moments? When I was communicating with people in general and we were expressing our opinions and what the impact would be, I realized who we might become. Then I asked myself what had made me become the person I was. What came to my mind was, Surely there must be a way to share these thoughts. I realized the importance of sharing a part of my personal experiences and what I've allowed in my life. I wrote this book reflecting on what we've conformed to during our lives, whether by opinions, influences, or by being tolerant in connection with the purpose of our existence. We became who we are today by what we've allowed and by the choices we have made. It all begins and ends in our minds. What we give power to will have power over us if we allow it. Speak only when you feel that your words are better than your silence.

A Family Prayer Shay Youngblood, 2023-05-09. A Family Prayer is a beautifully illustrated children's book that celebrates all the family biological and chosen alike who keep us safe and teach us to dream. In A Family Prayer, acclaimed novelist Shay Youngblood brings to life the prayer of a little brown girl who finds joy in asking God to keep her family safe. Young readers will celebrate every auntie, cousin, and grandmother in their life. But more than just her biological relatives, each family member is a maternal or paternal archetype, someone in her community who represents the title of mother, father, auntie, and the like. My sister is a blessing. She keeps my secrets. Braids my hair. And helps me find my way. Sisters are a blessing. Keep them safe from harm. My Auntie is a blessing. She sings sweet songs. Rocks me to sleep and whispers stories in the dark. Aunties are a blessing. Keep them safe from harm. A Family Prayer champions the age-old wisdom that raising a family takes a village and that the love of a community runs soul-deep.

A Song Without Words Andrea M. Grafton, April Rose Wilson, 2018-09-29. Three friends are faced with tragedy when the Great War casts its shadow over their hometown of Connersville, Virginia. Lavender has lost the brother she adored and now, without him, must face the struggle of growing up and coping with the childhood injury that rendered her mute. Lenna silently grieves for the husband she barely had the chance to love, yet in the adversity, hope springs and presents the opportunity for new beginnings. Johnathan strives to be a pillar his friends can rely upon after the loss of his best friend, but unexpected events propel him into new challenges of his own. Faith is tested and love blossoms amidst the sweeping tide of time and war in this inspiring story of love, loss, and God's unfathomable power to restore.
