Preachers Of The Italian Ghetto:

Preachers of the Italian Ghetto David B. Ruderman, 2023-12-22 By the mid sixteenth century Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors The sermons of Jewish preachers during this period provide a remarkable vantage point from which to view the early modern Jewish social and cultural landscape In this eloquent collection six leading scholars of Italian Jewish history reveal the important role of these preachers men who served as a bridge between the ghetto and the Christian world outside between old and new conventions and between elite and popular modes of thought The story of how they reflected and shaped the culture of their listeners who felt the pressure of cramped urban life as well as of political economic and religious persecution is finally beginning to be told Through the words of the Italian ghetto preachers we discover a richly textured panorama of Jewish life more than 400 years ago By the mid sixteenth century Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors The sermons of Jewish preachers during this period provide a remarkable vantage point

Preachers of the Italian Ghetto David B. Ruderman, 1992 By the middle of the sixteenth century Jews in the cities of Italy were being crowded into compulsory ghettos as a result of the oppressive policies of Pope Paul IV and his successors Forced to listen to Christian preachers seeking their conversion they flocked to hear the Jewish preachers who regularly delivered sermons designed to uplift and educate them The sermons of these Jewish preachers provide a remarkable vantage point from which to view the Jewish social and cultural landscape of the early modern period Exploring the fraction of this vast literature that remains to us and that has been generally neglected six leading scholars of Italian Jewish cultural history find treasures of information and insight Their essays show how in various times and places a number of ghetto preachers interpreted reality for their constituencies They illuminate from varying perspectives the transformation of Italian Jewish culture in the late sixteenth and early seventeenth century the adjustment of a beleaguered but proud minority to its ghetto segregation the openness of Jews and their surprising appropriations of the regnant cultural tastes of the surrounding society and the restructuring of thought processes ritual practices and social organization engendered by the new urban neighborhoods What was the role of the preacher as a shaper of Jewish culture How did he present his ideas to the audience In what way did he serve as a bridge between the ghetto and the world outside between old and new conventions and between elite and popular modes of thought Judah Moscato in Mantua Judah del Bene in Ferrara Azariah Figo in Pisa and Venice Leon Modena in Venice Samuel Judah Katzenellenbogen in Padua Abraham of Sant Angelo in Bologna and Isaac de Lattes in Mantua Venice and elsewhere are the rabbis whose published sermons the authors investigate Among the subjects they consider are the influences of Renaissance and Baroque thinking on the content and style of the sermons the interplay of ideas and speaking techniques with the Christian world the popularization of the kabbalah and the eulogy as a successful new form of sermon in Jewish society The story of how these

preachers reflected and shaped the culture of their listeners who felt the pressure of cramped urban life as well as political economic and religious persecution is finally beginning to be told *Marriage Rituals Italian Style* Roni Weinstein, 2004 The book describes the three major phases of the marriage ritual matchmaking betrothal the wedding and presents thematic issues such as the youth sub culture gift exchanges the honor ethos It is based on a wealth of primary documents mainly manuscripts in various literary genres **Rabbi Judah Moscato and the Jewish Intellectual World of Mantua in the 16th-17th Centuries** Giuseppe Veltri, Gianfranco Miletto, 2012-03-02 Judah ben Joseph Moscato c 1533 1590 was one of the most distinguished rabbis authors and preachers of the Italian Jewish Renaissance This volume is a record of the proceedings of an international conference organized in Mantua and consists of contributions on Moscato and his intellectual world

Women of the Word Judith Reesa Baskin, 1994 While individual essays reveal literary discoveries of self and forgings of identity by women rising to the opportunities and challenges of drastically altered Jewish social realities a significant number also show the sad decline of women writers upon whom silence was reimposed Several chapters consider how Jewish women were depicted by male writers from the Middle Ages through the mid nineteenth century Juvenile Sexuality, Kabbalah, and Catholic Reformation in Italy Roni Weinstein, 2009 This detailed introduction to the text Tiferet Bachurim The Glory of Youth written in the mid seventeenth century in Ferrara Italy discusses the profound changes in Jewish Italian communities regarding sexuality control of the juvenile body and the role of Kabbalah in The Jewish Counter Reformation The Censor, the Editor, and the Text Amnon Raz-Krakotzkin, 2007-08-06 By bringing together two apparently unrelated issues the role of censorship in the creation of print culture and the place of Jewish culture within the context of Christian society the author advances a new outlook on both allowing each to be examined through the conceptual framework usually reserved for the other
