The Simplicity of Sharing the Gospel

Daniel Kolenda,2021-06-23 Fear comes in many forms fear of the unknown fear of man fear of failure fear of rejection and fear of confrontation to name a few Fears like these imprison and silence too many Christians It seems we have subconsciously allowed fear to masquerade as a legitimate reason for silence But Jesus rejects this excuse His parable of the talents explains how one servant actually buried his talent because of fear Matt 25 14 30 When the master returned he rebuked him severely calling him wicked and lazy We must overcome our fears to share the gospel So the next question is how To answer that here are four principles for overcoming fear followed by five tips for communicating the gospel Putting these points to practice will make us fearless and effective soul winners

Influencing Your World for Christ Matthew Robert Payne,2017-10-05 The mention of the word evangelism can produce any number of responses from people Many Christians know that they should be sharing Jesus with their friends and family members but fear of rejection stops them Other factors also keep them from sharing One of the most common reasons that people don t win their friends to Christ is not so much fear as the fact that they don t know how to evangelize people However you can influence your world for Christ without overwhelming your friends without embarrassing yourself or without even being rejected One day I sat down and decided to record this book on video so that people could see

how I live my life and how I influence those that come in contact with me This process is not scary and you won't be rejected if you live out the keys in this book Instead the contents will actually free you up to be who you are with everyone that you know Gone will be the masks that you wear for some people as they get to know the authentic Christian that you are I am not a theologian and have never had formal training at a school yet I have shared my personal faith in Jesus with thousands of people as well as shared personal messages from Jesus with many people through prophetic evangelism If you want to learn how to influence your world with the message of the Gospel with confidence take a look inside Your world and the lives of those around you will be impacted for God's glory and the Kingdom Lifestyle Evangelism Alan Burns, 2018-07-16 Another title for this book could be Out of the salt shaker and into the world It will challenge and encourage you to get out of your spiritual comfort ZONES and to be salt and light in this world of darkness It will put know how into the life of every true christian everywhere to show and explain what to say when sharing the Gospel with lost people The Word on the Street: How to Share the Gospel in the Open Air A Living Waters Film, Ray Comfort, 2020-10 In the midst of a godless culture Paul did what was necessary to reach the masses with the message of everlasting life he reasoned about Jesus in the marketplace daily with those who happened to be there Acts 17:17 and preached on Mars Hill on the main route to the Parthenon in Athens We too are living in the midst of a godless society and those in the streets desperately need to hear God's Word If we are serious about reaching this dying world let us emulate Jesus and the apostles and preach where sinners gather In thirty minutes a good open air preacher can reach more unsaved people than the average church does in a year If you're ready for something more exhilarating than skydiving arguably more scary and infinitely more productive try preaching the gospel in public For nearly fifty years Ray Comfort has preached the gospel in the open air and witnessed one to one to thousands During those years he has learned certain biblical principles that make reaching the lost so much easier In this publication you will find everything he learned and everything you need to know Who should do it Where should you go How do you get started What do you say With this helpful guide you too can follow in the footsteps of the Savior and preach the Word on the street There is no higher calling *Out of the Saltshaker & Into the World* ,1999
