## **Preaching With Freshness:**

**Preaching with Freshness** Bruce Mawhinney, 1997 Foreword by Jay Adams If more books on preaching were as interesting as this then perhaps we would have more interesting preachers Howard Hendricks **Preaching with Freshness** Bruce Mawhinney, 1991 [Undone by Easter](#) Bishop William H. Willimon, 2010-09-01 Face the prospect of preaching your next Easter sermon with joy and confidence rather than worry about finding something new to say Preachers dread the arrival of Easter because these holy days bring the daunting task of finding new ways to tell the old stories everyone's heard so many times before But what if it were only we preachers who are bored with these stories asks Will Willimon What if people keep showing up at Easter because the story of God's victory over death continues to hold power for them What if the point were not to capitulate to the culture's insatiable appetite for novelty but to tell the old stories faithfully trusting in the power of the Spirit to make the text the congregation and yes even the preacher come alive again in the preaching event **The Abingdon African American Preaching Library** Kirk Byron Jones, 2010-10-01 God's people need to hear a word from the Lord to know their God is with them and to transcend this world and be taken to the very feet of Jesus The preacher is charged with assisting in this mission While there may be different theological perspectives and different methods of sermon preparation and delivery one thing remains constant the need for quality preaching resources Drawing upon the rich and powerful tradition of the black church The Abingdon African American Preaching Library offers a wealth of thoughtful biblically grounded preaching aids including special days in the Black Church tradition To read the Introduction to the book click here [The Art of Preaching](#) Charles Reynolds Brown, 1922 [Preaching with Power](#) Michael Duduit, 2006-07-01 For twenty years Preaching magazine has observed encouraged and reported on the state of Christian proclamation Among the most important and popular features of the publication are the personal interviews with outstanding preachers and influencers of preaching Preaching with Power combines the best of the most recent interviews to build a resource that imparts valuable insight from many gifted communicators Editor Michael Duduit has skillfully combined interviews with such luminaries as Bryan Chapell T D Jakes Haddon Robinson Rick Warren and more Each tells his own story in his own words speaking about his passion to preach God's truth Better than any volume currently available this collection captures the rich diversity and power of preaching in America **Transformational Preaching** David M. Brown, 2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but

most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance and orality The book s wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry

**Sermons That Sing** Noel A. Snyder,2021-08-17 Preaching and music are both regular elements of Christian worship yet they often don t interact or inform each other in meaningful ways Theologian pastor and musician Noel A Snyder considers how preaching that seeks to engage hearts and minds might be helpfully informed by musical theory so that preachers might craft sermons that sing
